until he shall have constructed a ditch, flume or other conduit for conveying the water to the place where it is intended to be used; and in case any such conduit shall not be of sufficient capacity to carry the quantity so recorded, then the exclusive right of such owner shall be limited, notwithstanding such record, to the quantity which such conduit may be capable of carrying, until such conduit shall be enlarged so as to be capable of carrying the quantity of water so recorded.

31. Priority of right to any water privilege shall, in case of dispute, depend on priority of record.

32. The right of entry on and through lands acquired by others under these Regulations for carrying water for any lawful purpose upon, over, or under such land, may be claimed and taken by the owner of any such privilege acquired under these Regulations, he (previous to entry) paying or securing payment of compensation as aforesaid for the waste or damage so occasioned to the person whose land may be wasted or damaged by such entry or carrying of water.

33. In case of dispute, such compensation or any other question connected with such water privilege, entry, or carrying, may be ascertained and assessed by the Local Agent of the district, or other person appointed by the Minister of the Interior for that purpose, in a summary manner.

34. Water privileges for mining or other purposes, not otherwise lawfully appropriated, may be claimed, and the said water may be taken upon, under, or over any Dominion lands, or lands the right to which shall be acquired under these Regulations by obtaining a grant or license from the Local Agent of the district; and, previous to taking the same, paying reasonable compensation for waste or damage to the person whose land may be wasted or damaged by such water privilege, or carriage of water, and in the event of dispute as to the amount of compensation, the same may be ascertained as in the last preceding section is mentioned.

35. In either of the cases referred to in the last two preceding sections the Local Agent or person appointed by the Minister of the Interior for that purpose shall have all the powers of a County Court Judge in the Province of British Columbia, in awarding costs, and the certificate of the Agent or other person appointed as aforesaid, of the amount of compensation ascertained and assessed under the last two preceding sections and of costs awarded, shall have the effect of an award and may be made a Rule of the Supreme Court of British Columbia and enforced accordingly.

36. Any owner of any ditch, flume, or other conduit or water privilege acquired by record or otherwise under these Regulations who shall wilfully waste any quantity of water by diverting any more of it from its natural course, through any ditch or otherwise, than the quantity actually required by him for irrigation or any other purpose for which he is entitled to use such water, shall be punished by a fine not exceeding one hundred dollars for each such offense, to be recovered before a Justice of the Peace, Stipendiary Magistrate, Local Agent or other person appointed by the Minister of the Interior for that purpose, in a summary manner, and in default of payment by distress, or by imprisonnement for any period not exceeding six months; and no owner of any first record to any water privilege shall have any right to interfere with or prevent the construction of any dams, breakwaters, or other improvement made or hereafter to be made for the purpose of saving or economizing the water of any creek, lake, or water course of any kind: Provided, that the construction or use of such dam or break-water does not nor will divert such water from its proper channel, at the point or place where such owner takes the water used by him into his ditch or channel: Provided also, that the construction and use of such dam or breakwater shall not injure the source from which such water is taken, or the property of any party or parties, by backing water, flooding, or otherwise: Provided also, that all disputes arising upon any matter or thing in this clause contained, shall be decided in a summary manner before any Justice of the Peace, Stipendiary Magistrate, Local Agent or other person appointed by the Minister of the Interior for that purpose, who shall have full power to make such decision as shall seem to him just and equitable.

37. The proprietors or occupiers of any lands subject to irrigation may, with the consent in writing of the Local Agent or other person appointed by the Minister of the Interior for that purpose, by means of flumes, ditches, drains, or other conduit, through the adjacent Dominion lands or land, the right to which shall be acquired under these Regulations, run their surplus and waste water into any creek, gulch, or channel: Provided further, that when such power is exercised by either of the above officers, any Commissioners or other officers acting under the drainage, dyking and irrigation Acts of British Columbia for the time being in force, shall not be at liberty to interfere with the power so exercised. The provisions of this clause shall, except as to the lands which for the time being shall be Dominion lands, be subject to the provisions of the law for the time being in force respecting compensation for entry upon occupied lands for carrying water through or over then.

38. In measuring water in any ditch or sluice, the following rules shall be observed: The water taken into a ditch or sluice shall be measured at the ditch or sluice head; no water shall be taken into a ditch or sluice except in a trough placed horizontally at the place at which the water enters it; one inch of water shall mean half the quantity that will pass through an orifice two inches high by one wide, with a constant head of seven inches above the upper side of the orifice.

Timber Licenses.

39. The enactments and provisions in the twenty-six next following clauses shall be limited in their effect to the Dominion Lands in the Railway Belt in British Columbia lying west of the one hundred and twentieth degree of longitude, west of Greenwich; and in regard to the timbered lands within the Railway Belt in British Columbia lying east of the said 120th degree of longitude west of Greenwich, the provisions of the Dominion Lands Act, 1883, and the Regulations thereunder made from time to time by the Governor in Council, shall apply.

(*a*) The word "timber" shall mean all wood and the products thereof.

40. It shall be unlawful for any person, without a license in that behalf, to be granted as hereinafter mentioned, to cut, fell, or carry away any trees or timber upon or from any of the Dominion lands, unless such lands are rightfully held by homestead entry under the provisions of these Regulations.

41. Every person who shall violate the provisions of the preceding section shall, for each offence, be liable to a penalty of not less than twenty-five dollars nor more than five hundred dollars, to be recovered in a summary manner, upon the complaint of any person, before any Stipendiary Magistrate, or two Justices of the Peace, and in default of payment by imprisonment not exceeding sixty days.

42. Any person desirous of cutting or felling and carrying away trees or timber from Dominion lands may obtain a license to that effect upon complying with the following provisions:—

(*a*) He shall apply in writing to the Minister of the Interior for a license, and shall also, if the land intended to be covered by such license be not included in any surveyed township, stake out the land sought for by placing at each angle or corner of the land a stake or post at least four inches square and standing not less than four feet above the surface of the

ground; and upon each post he shall inscribe his name, and the angle represented thereby thus:—"A. B.'s N.E. corner" (meaning north-east corner), or as the case may be: except such posts are so planted before the notice referred to in the next succeeding section is given, all the proceedings taken by the applicant shall be void; and with his application he shall forward to the Minister of the Interior a map or sketch of the land so staked out specifying metes and bounds and showing thereon the best information in his power respecting the same, but if the land has already been included in any general survey, then the official number of the section or sections or part thereof applied for shall be given.

(*b*) He shall, after making the application for the license, publish for a period of thirty days in the *British Columbia Gazette* and in any newspaper circulating in the district in which the lands lie, notice of his application for a timber license, and shall in such notice give the best description of the land applied for, specifying metes and bounds and such further particulars, if any, as may be required by the Minister of the Interior.

43. In the event of any adverse claim being filed with the Minister of the Interior, he may hear and decide upon the same.

44. Timber licenses shall be granted for such area and such length of time as may from time to time be determined by the Governor in Council; no person shall be entitled to more than one license at the same time; the licensee shall pay to the Minister of the Interior, for the use of Her Majesty, annually during the currency of the license, the sum of fifty dollars therefor, the first payment to be made upon the granting of the license, and subsequent payments thereafter annually on a day to be named in the license, and in default of payment of any such sum within thirty days after the same should have been paid, the license shall be void.

45. No timber license shall be granted in respect of lands forming the site of any Indian settlement or reserve, and the Minister of the Interior may refuse to grant a license in respect of any particular land, if in his opinion it is deemed expedient in the public interest so to do.

46. The license may be in the form M set forth in the schedule to these Regulations.

47. Every licensee shall keep an account in writing of the number of trees felled by him upon the land embraced within his license, and shall, at the expiration of every three months, during the currency of his license, make and furnish to the Minister of the Interior a statement in writing, verified by declaration to be made before a Justice of the Peace, showing the number of trees so felled, and shall then forthwith pay to the Crown Timber Agent, for the use of Her Majesty, in respect of each tree felled, the sum of thirty cents, except for such trees as are hereinafter excepted.

48. The licensee shall, if required, produce to the Crown Timber Agent the original account of trees and timber cut, felled or removed upon or from the land included within his license.

49. If the licensee shall not keep an account in writing of the number of trees felled under the license, or shall not render to the Crown Timber Agent the statement in writing aforesaid, or shall wilfully make a false statement, he shall be liable to a penalty of two hundred and fifty dollars, to be recovered as aforesaid, and in default of payment, imprisonment not exceeding sixty days, and in case of conviction the license held by him may be cancelled by the Minister of the Interior.

50. The preceding section of these Regulations shall not be construed so as to inflict penalties upon miners, engaged in prospecting or mining, or upon travellers, or upon persons engaged in merely scientific pursuits or exploring, or upon farmers cutting timber for purposes connected with their farms, or upon persons cutting cordwood for fuel for their own use, or for school purposes.

51. In reckoning the number of trees felled, there shall not be included small timber used for skids, levers, rafting stuff, or the like, and no dues shall be payable in respect of such small timber.

52. If any person, without authority or otherwise than is expressly permitted by these Regulations cuts or employs, or induces any other person to cut or assist in cutting any timber on any of the Dominion lands, or removes or carries away any merchantable timber so cut from any Dominion lands, he shall not acquire any right to the timber so cut, or any claim to any remuneration for cutting, preparing the same for market, or conveying the same to or towards market; and any timber so cut may be seized by the Crown Timber Agent, or other officer or agent of the Minister of the Interior, and shall be sold for the benefit of the Crown; and all horses, oxen, mules and live stock, or any or either of them, and the machinery, plant and material found upon any of the Dominion lands whereon timber shall have been cut without lawful authority, shall be liable to forfeiture, and may be seized by the officer aforesaid, and may be sold for the benefit of the Crown.

(*a*) If any timber shall be removed or be caused to be removed by any person from Dominion lands, such person shall, in addition to the loss of his labor and disbursements, forfeit a sum of three dollars for each tree (rafting stuff excepted) which he shall remove or cause to be removed from such land, which sum shall be recovered with costs in the name of the Minister of the Interior, in any court having jurisdiction in civil matters, to the amount of the penalty;

(*b*) In any proceedings under this section, it shall be incumbent upon the party charged to prove his authority to cut.

53. Where timber has been cut without such authority, or permission, as aforesaid, on Dominion lands, and has been made up with other timber into a crib, dam, or raft, or has been in any other manner mixed up with other timber, the whole of the timber so mixed up shall be held to have been cut without authority on public lands, and shall be liable to seizure and forfeiture by the Crown Timber Agent, or other officer or agent of the Minister of the Interior on behalf of the Crown.

54. The officer making the seizure may, in the name of the Crown, call in any assistance necessary for securing and protecting the timber seized.

55. All timber, animals, or things seized under these Regulations shall be deemed to be condemned, unless the person from whom they were seized, or the owner thereof shall, within one month from the day of the seizure, give notice in writing to the nearest Crown Timber Agent, that he claims, or intends to claim the same; failing such notice, the agent aforesaid shall report the circumstances to the Minister of the Interior, who may order the sale of the said timber by the said Agent at such time and in such manner as he may think fit.

56. In all cases where the notice referred to in the last preceding section has been given, any Supreme Court judge may, upon petition in summary way, try and determine such seizures, and may order the delivery of the timber to the alleged owner, upon his giving security, by bond, with two good and sufficient sureties, to pay double the value, in case of condemnation:

(*a*) Such bond shall be taken in the name of the Minister of the Interior to Her Majesty's use, and shall be delivered up to and kept by the said Minister of the Interior:

(*b*) If any timber, animal or thing in respect of which a bond has been given is condemned, the value thereof shall be forthwith paid to the Minister of the Interior and the bond cancelled, otherwise the penalty shall be enforced and recovered.

57. Every person availing himself of any false statement or oath, to evade the payment of any

moneys payable under these Regulations, in respect of timber, shall forfeit the timber in respect of which payment of such moneys is attempted to be evaded.

58. The Minister of the Interior may, from time to time, define timber districts and may appoint a Crown Timber Agent for each district.

59. No logs cut under any license granted under the provisions of these Regulations, shall be sawn or otherwise manufactured into lumber or other material until the logs shall have been scaled and measured by the Crown Timber Agent of the district, and the sums and timber dues prescribed by these Regulations duly paid thereon.

60. All logs shall be scaled and measured by the Crown Timber Agent or person appointed by the Minister of the Interior for that purpose in the district in which such logs have been cut.

61. On the scalement and measurement of saw logs the person making the same, shall make out a bill stating therein the number of logs, the number of feet board measure contained in such logs, and the name of the owner; and the Crown Timber Agent shall enter in the books of his office a copy of such bill; another copy of the bill shall be made out and delivered to the owner or his agent, with a certificate thereto attached, that it is a true and correct bill, which bill so certified, shall, for the purpose of ascertaing the amount of timber dues to be paid in respect of such logs, be presumptive evidence of the facts therein contained and of the correctness of such scalement or measurement.

62. The scale and rule by which the quantity of logs shall be determined is the rule laid down and prescribed in Scribner's Lumber and Log Book, as copy righted in 1882, by George W. Fisher, of Rochester, New York.

63. There shall be payable and paid by the licensee to the Minister of the Interior, to and for the use of Her Majesty, the sum of seventy-five cents, for each and every one thousand feet of board measure contained in such logs, and until the same shall be paid the logs shall not be removed from the land where they were cut, and a lien for such timber dues shall attach to the logs until the dues are paid, and as soon as the logs are scaled and measured and until payment of the dues, the Crown Timber Agent may take and hold possession of the logs.

64. In scaling or measuring logs such allowance for hollow or crooked, or otherwise defective logs shall be made as would make them equal to good, sound, straight, and merchantable logs.

65. The Minister of the Interior may cancel any timber license granted under the provisions of these Regulations if, in his opinion, the licensee shall not, within the time prescribed by his license, continuously proceed to cut and manufacture the timber within the limits of his license.

Slides, &c.

66. No sale or grant of any Dominion lands shall give or convey any right or title to any slide, dam, pier, or boom, or other work previously constructed on such land, or on any stream passing through or along it, for the purpose of facilitating the descent of timber or saw logs, unless it be expressly mentioned in the letters patent or other documents establishing such sale or grant, that such slide, dam, pier, or boom, or other work, is intended to be thereby sold or granted:

(2.) The free use of slides, dams, piers, booms or other works on streams, to facilitate the descent of lumber and saw logs, and the right of access thereto for the purpose of using the same and keeping them in repair, shall not in any way be interrupted or obstructed by, or in virtue of, any sale or grant of Dominion lands made subsequent to the construction of such works.

67. The free use, for the floating of saw logs or other timber, of all streams and lakes that may be necessary for the descent thereof from Dominion lands, and the right of access to such streams and lakes, and of passing and re-passing on or along the land on either side, and wherever necessary for such use thereof, and over all existing or necessary portage roads past any rapids or falls, or connecting such streams or lakes, and over such roads, as owing to natural obstacles, may be necessary for taking out timber from Dominion lands, and the right of constructing slides where necessary, shall continue uninterrupted, and shall not be affected, or obstructed by, or in virtue of any sale or grant of such lands.

Patents.

68. A Deputy Governor may be appointed by the Governor General, who shall have the power, in the absence of or under instructions of the Governor General, to sign letters patent of Dominion lands; and the signature of such Deputy Governor to such patents, shall have the same force and virtue as if such patents were signed by the Governor General:

(2.) Every patent for land shall be prepared in the Department of the Interior, and shall be signed by the Minister of the Interior or his Deputy, or by some other person thereunto specially authorized by order of the Governor General in Council, and when so signed shall be registered by an officer specially appointed for that purpose by the Registrar General, and then transmitted to the Secretary of State of Canada, by whom or by the Under-Secretary of State the same shall be countersigned, and the great seal of Canada thereto caused to be affixed: Provided, that every patent for land shall be signed by the Governor or Deputy Governor, as hereinbefore provided.

69. Whenever, through error in survey or in the books or plans of a Dominion lands office, any grant of land is found to be deficient, the Minister of the Interior may order a free grant equal in value, at the time such land was granted or sold, to the ascertained deficiency; or he may order the purchase money of so much land as is deficient, with interest thereon at the rate of six per centum per annum, from the time of the purchase thereof, to be paid back to the purchaser; but no claim respecting any such deficiency shall be entertained unless it be made within five years from the date of the patent, nor unless the deficiency is equal to one-tenth of the whole quantity described in the patent as being contained in the lot or parcel of land granted.

70. Whenever a patent has been issued to, or in the name of a wrong party, or contains any clerical error, misnomer or wrong or defective description of the land thereby intended to be granted, or there is in such patent an omission of the conditions of the grant, the Minister of the Interior may (there being no adverse claim) direct the defective patent to be cancelled and a correct one to be issued in its stead which corrected patent shall relate back to the date of the one so cancelled and have the same effect as if issued at the date of such cancelled patent.

71. In all cases in which, through error, grants or letters patent have issued for the same land, inconsistent with each other, and in all cases of sales or appropriations of the same land inconsistent with each other, the Minister of the Interior may order a new grant to the person thereby deprived, of land of value equal to that of the original grant, at the time the same was granted, or may, in case of sale cause repayment to be made of the purchase money with interest, or when the land has passed from the original purchaser, or has been improved before the discovery of the error, or when the original grant was a free grant, the Minister of the Interior may assign land, or grant such amount of scrip for the purchase of Dominion lands as to him may seem just and equitable under the circumstances; but no claim under this clause shall be entertained unless it is preferred within one year after the discovery of the error.

72. In all cases wherein patents, leases or other instruments respecting lands have issued through fraud, or in error or improvidence, any court having competent jurisdiction in cases respecting real property in the Province or place where such lands are situate, may, upon action, bill or plaint respecting such land and upon hearing of the parties interested, or upon default of the said parties, after such notice of proceeding as the said court shall order, decree such patent, lease or other instrument to be void; and upon the registry of such decree in the office of the Registrar General of Canada, such patent, lease or other instrument shall be void.

73. When any settler, purchaser, or other person refuses or neglects to deliver up possession of any land after forfeiture of the same under the provisions of these Regulations, or whenever any person is wrongfully in possession of Dominion land, or refuses to vacate or abandon possession of the same, the Minister of the Interior may apply to a judge of any court having competent jurisdiction in cases respecting real property in the Province or place in which the land is situate, for an order in the form of a writ of ejectment or of *habere facias possessionem*; and the said judge, upon proof to his satisfaction that such land was so forfeited, and should properly revert to the Crown, or is wrongfully in possession of such person, shall grant an order upon the settler or person or persons in possession, to deliver up the same to the Minister of the Interior or to the person by him authorized to receive such possession; and such order shall have the same force as a writ of *habere facias possessionem*, and the sheriff shall execute the same as he would execute the said writ in an action of ejectment or a petitory action.

Assignments.

74. The Minister of the Interior shall cause to be kept in his Department books for registering, at the option of the parties interested, assignments of any right to Dominion lands which is assignable under these Regulations, upon proof to his satisfaction that such assignment is in conformity with these Regulations; and every assignment so registered shall be valid against any other assignment unregistered or subsequently registered; but any assignment to be registered must be unconditional, and all conditions on which the right depends must have been performed or dispensed with by the Minister of the Interior before the assignment is registered.

75. On any application for a patent by the legal representative of a person who died entitled, or who had made entry and but for such death might have become entitled to such patent, the Minister of the Interior may receive proof of the facts in such manner as he may see fit to require, and upon being satisfied that the claim has been justly established, may allow the same and cause a patent to be issued accordingly.

Township Plans and Patent List.

76. The Minister of the Interior shall transmit to the Registrar-General of British Columbia or his proper deputy or deputies, as early as possible in each year, a certified copy of the map of each township in such county, district or division, surveyed in the year next preceding, together with a certified list of the lands in such county, district or division, patented during such year.

General Provisions.

77. The following powers are hereby delegated to the Governor in Council, to be exercised, from time to time, by special Orders in Council, upon the recommendation of the Minister of the Interior:

(*a*) To withdraw from the operation of these Regulations, subject to existing rights as defined or created under the same, such lands as have been or may be reserved for Indians:

(*c*) To make such orders as may be deemed necessary from time to time to carry out the provisions of these Regulations, according to their true intent, or to meet any cases which may arise and for which no provision is made in these Regulations; and further to make and declare any regulations which may be considered necessary to give the provisions in this clause contained full effect; and from time to time alter or revoke any order or orders or any regulations made in respect of the said provisions, and make others in their stead:

(2) Every order or regulation made by the Governor in Council, in virtue of the provisions of this clause, or of any other clause of these Regulations shall, unless otherwise specially provided in these Regulations, have force and effect only after the same has been published for four successive weeks in the *Canada Gazette* and *British Columbia Gazette;* and all such orders or regulations shall be laid before both Houses of Parliament within the first fifteen days of the Session next after the date thereof.

78. All affidavits, oaths, solemn declarations or affirmations required to be taken or made under these Regulations, except as otherwise herein provided, may be taken before a Registrar of the Supreme Court of British Columbia, or the Judge or Registrar of any County Court, or any Justice of the Peace, or any Commissioner for taking affidavits, or Notary Public, or any Dominion Lands Agent or officer, or any person specially authorized to take such affidavits by these Regulations or by the Minister of the Interior.

79. The Dominion Lands Board, the Commissioner of Dominion Lands, the Inspector of Dominion Lands Agencies, and any Local Agent, and any person specially authorized to that effect by the Governor in Council, shall have power to summon before them or him any person by subpœna issued by them or him, to examine such person under oath and to compel the production of papers and writings before them or him, and such subpœna may be in the form N in the schedule to these Regulations, and—if any person duly summoned neglects or refuses to appear at the time and place specified in the subpœna upon him legally served, or refuses to give evidence or to produce the papers or writings demanded of him—may, by warrant under their or his hands or hand, cause such person so neglecting or refusing, to be taken into custody and to be imprisoned in the nearest common gaol, as for contempt of court, for a period not exceeding fourteen days.

80. In any case where an affidavit or oath is required by these Regulations, a solemn affirmation may be administered to, and made, instead of an oath, by any person who is by law permitted in civil cases to make a solemn affirmation instead of taking an oath.

81. Every receipt or certificate of entry or sale issued by an agent of Dominion lands shall, unless such entry or sale shall have been revoked or cancelled by the Minister of the Interior, entitle the person to whom the same was granted to maintain suits at law or in equity against any wrongdoer or trespasser on the lands to which such receipt or certificate relates, as effectually as he could do under a patent of such land from the Crown.

SURVEYS AND SURVEYORS.

Who shall be competent to survey Dominion lands.

82. The Minister of the Interior may, in his discretion, from time to time appoint such fit and properly qualified persons to act as Dominion Land Surveyors in the Province of British Columbia as to him may seem expedient or necessary; whenever it may be deem expedient, the Governor in Council may, by Order in Council, declare that sections 87 to 124 inclusive of the Dominion Lands Act, 1883, or any of them shall be extended and take effect in the Province of British Columbia on a day to be appointed

Lundi, 11ème jour de mai 1885.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENERAL EN CONSEIL.

ATTENDU que le ministre de l'Agriculture fait rapport qu'il existe une coutume d'envoyer les chevaux atteints de la morve, dans le but d'en disposer, dans les provinces du Manitoba et de la Colombie-Britannique ;

Sur la recommandation du ministre de l'Agriculture et conformément aux dispositions de l'acte du parlement du Canada, passé dans la 42e année du règne de Sa Majesté, chapitre 23, et intitulé "Acte pour mieux protéger les animaux contre les épizooties ou les maladies contagieuses qui les attaquent,"—

Il a plu à Son Excellence, par et de l'avis du Conseil privé de la Reine pour le Canada d'établir les règlements suivants pour diriger l'importation ou l'introduction des chevaux dans les dites provinces du Manitoba et de la Colombie-Britannique, savoir :

(1.) Que l'importation de chevaux dans la province du Manitoba ou dans celle de la Colombie-Britannique des Etats-Unis ou des Territoires des Etats-Unis, soit interdite excepté dans les cas où le propriétaire ou l'importateur fera examiner tel animal par un médecin vétérinaire duement qualifié, approuvé par le ministre de l'Agriculture, et déclaré par tel médecin vétérinaire exempt de la maladie de la morve ou autre maladie contagieuse.

Le propriétaire ou l'importateur devra fournir un certificat à cet effet, à l'officier convenable de douanes, avant que permission soit donnée de faire une déclaration pour l'admission de cet animal.

(2.) Dans la province du Manitoba aucune permission ne sera donnée pour l'admission d'un cheval des Etats-Unis ou des Territoires des Etats-Unis, excepté au port d'Emerson.

(3.) Dans la province de la Colombie-Britannique, telle déclaration peut être faite aux ports de Victoria, New Westminster ou de Nanaimo.

(4.) Dans Manitoba, afin de couvrir les frais de cet examen, le propriétaire ou importateur devra payer une piastre ($1.00) pour chaque cheval examiné par un médecin vétérinaire tel que susdit, cet honoraire devra être perçu par l'officier convenable de douanes avant que la déclaration soit faite pour l'admission de cet animal.

(5.) Dans la Colombie-Britannique l'honoraire pour le dit examen sera de deux piastres ($2.00) pour chaque cheval, payable de la même manière.

(6.) Si un cheval est importé ou introduit dans la province du Manitoba ou dans la Colombie-Britan-

nique, ou si l'on essaie de l'importer ou introduire, contrairement aux règlements précédents, il sera confisqué, et pourra être détruit ou il pourra en être disposé de la manière prescrite par le ministre de l'Agriculture, le propriétaire ou l'importateur étant en même temps sujets à certaines amendes tel que pourvu par la loi.

JOHN J. McGEE,
46–3 Greffier du Conseil privé.

HOTEL DU GOUVERNEMENT, OTTAWA.

Lundi, 20 avril 1885.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

A LA recommandation de l'honorable ministre de l'Intérieur, suivant le conseil de l'honorable ministre de la Justice, et sous les provisions de la sous-section 4 de la section 14 de l'acte passé durant la session du parlement du Canada tenue en la 47me année du règne de Sa Majesté, formant, le dit acte, le chapitre 6 du statut 47 Victoria, et intitulé : " Un Acte relatif au chemin de fer de l'Ile Vancouver, au bassin de carénage d'Esquimalt et à certaines régions de terre affectées à l'encouragement et la construction de chemins de fer dans la Colombie-Anglaise et concédées pour telles fins à la Puissance,"—

Il a plu à Son Excellence, par et de l'avis du Conseil privé de la Reine pour le Canada, d'ordonner, et il est ordonné par les présentes, que les règlements suivants soient et sont dès maintenant approuvés et adoptés quant à tout ce qui concerne l'arpentage, l'administration et le mode de disposer des terres de la Puissance qui font partie des régions de terrains affectés comme susdit à des fins de chemins de fer dans la Colombie-Britannique.

JOHN J. McGEE,
Greffier du Conseil privé.

RÈGLEMENTS

Quant au mode de disposer des terres de la Puissance qui font partie des régions de terrains affectées à des fins de chemins de fer dans la province de la Colombie-Britannique.

Préliminaire—Interprétation.

1. Ces règlements ne s'appliqueront qu'aux terres publiques de la Puissance renfermées dans le circuit qui est connu comme affecté à des fins de chemins de fer dans la province de la Colombie-Britannique, lesquelles terres seront qualifiées et appelées *Terres de la Puissance* ; et les expressions et termes des dits règlements auront la signification qui leur est assignée ci-après, à moins que telle signification ne répugne au sujet traité ou ne soit incompatible avec le contexte. Ainsi :

(2.) Le terme *Ministre de l'Intérieur* signifie le ministre de l'Intérieur du Canada ;

(3.) Le terme *arpenteur-général* désigne l'officier du département de l'Intérieur qui porte ce titre, ou le clerc en-chef du même département au temps où il remplit les devoirs de cette charge ;

(4.) Le terme *agent* ou *officier* désigne toute personne ou officier employé à l'administration, la régie, la vente et la cession des terres de la Puissance ; et le terme *agent local* désigne l'agent des terres de la Puissance employé comme susdit en rapport avec les terres en question ; et le terme *bureau des terres* désigne le bureau de tout tel agent ;

(5.) Le terme *arpenteur des terres de la Puissance* désigne un arpenteur duement qualifié, sous les provisions de l'Acte des Terres de la Puissance, 1883, à arpenter les terres de la Puissance ;

(6.) Le terme *agent des bois de la Puissance* désigne l'officier local nommé pour collecter ce qui est dû et pour accomplir tous autres devoirs qui peuvent lui être assignés, quant aux bois et forêts des terres de la Puissance ;

(7.) Le terme *clause* signifie une section de ces règlements portant un numéro spécial ; et le terme *sous-clause* signifie une subdivision de toute clause portant un numéro spécial ou une lettre distinctive, en caractère plus petit ;

(8.) Le terme *Gazette du Canada* désigne la gazette officielle du gouvernement, publiée à Ottawa ;

(9.) Le terme *Gazette de la Colombie-Britannique* désigne la gazette officielle du gouvernement de la Colombie-Britannique, publiée à Victoria.

Département de l'Intérieur.

2. Le département du ministre de l'Intérieur aura charge de l'administration et de la régie des terres de la Puissance ;

(2.) Telle administration et telle régie seront sous le contrôle d'une branche du dit département qui sera connue et désignée comme " le bureau des terres de Puissance."

(3.) Le Gouverneur en conseil peut nommer un officier qui sera appelé " le commissaire des terres de la Puissance " et un autre qui portera le nom " l'inspecteur des agences des terres de la Puissance." Et tels officiers auront respectivement les pouvoirs, pourvu qu'ils ne soient pas incompatibles avec les provisions des présents règlements, et rempliront les devoirs qui leur pourront être conférés et assignés, de temps en temps par ordre du Gouverneur en conseil ; le Gouverneur en conseil peut aussi établir un "bureau des terres de la Puissance " pour examiner et régler toutes questions contestées ne tombant pas dans les attributions du commissaire des terres de la Puissance et de l'inspecteur des agences des terres de la Puissance, et toutes affaires relatives à l'administration du système des terres de la Puissance, dans la province de la Colombie-Britannique ; et tel bureau des terres de la Puissance sera composé de telles personnes, aura tels pouvoirs et telle autorité, pourvu qu'ils ne soient pas incompatibles avec les présents règlements, et remplira tels devoirs qui lui seront prescrits, de temps en temps, par ordre du Gouverneur en conseil ;

(4.) Les copies de tous dossiers, documents, plans, livres, ou papiers appartenant à ou déposés dans le bureau des terres de la Puissance, attestées véritables sous la signature du ministre de l'Intérieur ou de l'arpenteur-général, ou de tout clerc en chef ou officier autorisé à ce faire, et les copies des plans ou documents de tout bureau des terres de la Couronne ou d'arpentage dans la province de la Colombie-Britannique, attestées véritables sous la signature de l'agent ou de l'inspecteur des arpentages ou d'un autre officier en charge de tel bureau, seront une preuve valable dans toutes causes où l'original de tels dossiers, documents, plans, livres ou papiers ferait preuve ; et des copies lithographiées ou autres des cartes ou plans qui seront émises ou publiées par le " Bureau des terres de la Puissance " et qui porteront la signature lithographiée ou écrite du ministre de l'Intérieur ou de l'arpenteur-général, devront être acceptées dans toutes cours et procédures comme une preuve *primâ facie* des originaux et de leur contenu ;

(5.) Aucune personne employée dans le département de l'Intérieur ou sous son contrôle, y compris la branche d'explorations géologiques qui s'y trouve attachée, ne pourra acheter des terres de la Puissance ou autres ni prendre des sûretés sur icelles, à moins d'être autorisée à ce faire par un ordre du Gouverneur en conseil, et elle ne pourra non plus agir comme agent d'aucune autre personne ou de sa part ; toute telle personne employée comme susdit sera également tenue de ne faire connaître à qui que ce soit, si ce n'est à ses supérieurs, toute découverte faite par lui-même ou par un autre officier du département de l'Intérieur, non plus que toute autre information qu'il possèdera relativement aux terres de la Puissance, jusqu'à ce que telles découverte et information aient été transmises au ministre de l'Intérieur et qu'on ait obtenu de lui permission de les publier.

Terres de la Puissance—Townships.

3. Les terres de la Puissance, dans la Colombie-Britannique, seront partagées, en autant qu'il est possible, en townships quadrilatéraux, contenant chacun trente-six sections, égales à un mille carré, en autant et d'une manière aussi approximative que la convergence des méridiens le permet.

(2.) Les sections seront réunies et numérotées comme le fait voir le diagramme suivant :

N.

	31	32	33	34	35	36
	30	29	28	27	26	25

O.	18	17	16	15	14	13	E.
	7	8	9	10	11	12
	6	5	4	3	2	1

S.

4. Les lignes de réunion des townships du côté est et du côté ouest seront les méridiens ; et celles du nord et du sud seront perpendiculaires aux parallèles de la latitude.

5. Chaque section sera divisée en quarts de sections de cent soixante acres, plus ou moins, conformément aux provisions qui suivent.

6. Dans l'arpentage d'un township, le déficit ou le surplus résultant de la convergence des méridiens sera placé dans la ligne des quarts de section touchant la frontière ouest du township, et l'erreur du nord ou du sud en fermant les lignes de correction dans l'une ou l'autre de ces directions sera portée à la limite des quarts de section attenante au nord ou au sud respectivement des dites lignes de correction : Pourvu que tel déficit ou surplus et telle erreur du nord ou du sud, ou encore les uns ou les autres puissent être répartis également entre tous les quarts de section qui s'en trouvent affectés.

7. Les dimensions et l'étendue des quarts de sections irréguliers seront rendues, dans tous les cas, à leurs bornes et à leur grandeur actuelles par l'arpenteur.

8. Pour rendre plus facile la description de moins d'un quart de section, dans les lettres patentes, chaque section sera censée divisée en quarts de quart de section, soit quarante acres, et telles subdivisions seront numérotées comme indiqué dans le diagramme suivant, qui est destiné à montrer telles subdivisions de sections qui seront appelées des subdivisions légales :

N.

	13	14	15	16
	12	11	10	9
O.	5	6	7	8	E.
	4	3	2	1

S.

(2.) L'étendue de toute subdivision légale, comme indiquée plus haut, sera stipulée sans garantie de plus ou de moins, dans les lettres patentes, et sera, dans chaque cas, représentée par la quantité exacte telle qu'attribuée à telle subdivision dans l'arpentage original.

Vente ordinaire de terres.

9. Les terres de la Puissance, en autant que l'arpentage en est duement fait et confirmé, seront ouvertes, excepté dans les cas où il est autrement ci-après pourvu, pour y établir domicile et pour achat à tels prix, termes et conditions qui pourront être fixés, de temps en temps, par le Gouverneur en conseil ; Pourvu qu'aucun achat ne soit permis pour un prix moindre que deux piastres et cinquante centins l'acre ; Pourvu aussi, que, hors les cas spéciaux où il en est autrement ordonné par le Gouverneur en conseil, aucune vente à une seule personne n'excède une section ou six cent quarante acres ;

Et pourvu encore que, chaque fois qu'il en aura été ainsi ordonné par le ministre, telles terres inoccupées qu'il jugera convenable, de temps en temps, soient soustraites à la vente et à la cession ordinaires et vendues par encan public au plus haut enchérisseur—une mise à enchère étant d'abord fixée dans ce dernier cas ;

(2.) Pourvu en outre que toutessub divisions légales on autres portions des terres de la Puissance qui seront jugées avoir une valeur spéciale par le ministre de l'Intérieur soient exemptées de la vente ordinaire et soient vendues de telle manière et à tels termes et conditions qui seront fixés par le Gouverneur en conseil, sur rapport du ministre de l'Intérieur.

Terrains de ville, etc.

10. Le ministre de l'Intérieur aura le pouvoir de soustraire à la vente ou à l'occupation de toute étendue ou toutes étendues de terre, et de les partager en lots de ville ou de villages ; les lots ainsi divisés devant être vendus soit par vente privée et pour tel prix jugé raisonnable, ou par encan public, et dans ce dernier cas une mise à enchère sera fixée.

11. Le Gouverneur en conseil peut mettre à part et désigner telles terres de la Puissance qu'il jugera convenable pour servir d'emplacements de marché, de prisons, de palais de justice, de lieux du culte public, de cimetières, d'écoles, d'institutions de bienfaisance, de parcs publics, et pour servir à d'autres fins publiques, et il pourra, en tout temps avant l'émission des lettres patentes à cet égard, changer ou révoquer telles appropriations suivant qu'il le croira bon ; il lui est aussi permis de donner gratuitement pour les fins susdites les terres ainsi appropriées, mais dans ce dernier cas la destination et l'usage qui leur sont assignés devront être spécifiés dans les lettres patentes.

12. Les provisions des clauses qui se trouvent entre la treizième et la vingt-quatrième de ces règlements, ces deux dernières clauses elles-mêmes étant incluses, ne s'appliqueront pas aux terres dont on aura disposé le premier juillet mil huit cent quatre-vingt-cinq.

Droits de homestead.

13. Toute personne, mâle ou femelle, qui est chef de famille, ou tout individu du sexe masculin qui est âgé de dix-huit ans auront droit, en faisant application conformément à la formule A de la cédule attachée à ces règlements, d'obtenir un acte de homestead pour toute quantité de terre n'excédant pas un quart de section et se trouvant dans la catégorie des terres ouvertes à tels actes en vertu des provisions de ces règlements.

(2.) L'acte de homestead donnera droit au porteur de prendre, d'occuper et de cultiver la terre pour laquelle il aura été obtenu, et d'en garder la possession à l'exclusion de toutes autres personnes, et d'intenter et maintenir toute action pour entrée illégale sur la dite terre. Le titre de la terre restera aux mains de la Couronne jusqu'à l'émanation de la patente y relative, et la dite terre ne pourra pas être vendue par autorité de justice avant telle émission.

(3.) Le privilège de l'acte de homestead ne s'appliquera qu'aux terres arpentées et agricoles et personne n'aura droit à tel acte quant aux terres qui tirent leur valeur de leurs bois, du foin qu'elles poussent, ou quant à celles sur lesquelles se trouve une carrière de pierre, ou de marbre ou de charbon, ou encore d'autres minéraux ayant une valeur commerciale, ou sur lesquelles se trouve tout pouvoir d'eau susceptible de faire marcher des machines, ou quant aux terres qu'il serait de l'intérêt public de soustraire à tel acte, à raison de leur situation, si elles forment, par exemple, le rivage d'un port important, si elles occupent l'emplacement d'un pont ou d'un canal, ou si elles sont actuellement ou destinées à devenir terminus ou stations de chemins de fer.

14. Du moment que l'arpentage de tout township aura été finalement confirmé et que tel township se trouvera ouvert aux actes de homestead, toute personne qui s'est établie et qui de bonne foi a fait des améliorations sur un terrain, avant que l'arpentage des terres du dit township ne fût confirmé, aura un droit de priorité pour obtenir un acte de Homestead quant au terrain sur lequel elle s'est fixée, pourvu que tel droit soit exercé dans les trois mois après que les terres auront été ouvertes à l'établissement des colons ; et pourvu que tel terrain n'ait pas été réservé ou ne se trouve pas soustrait aux droits de l'acte en question, sous les provisions de ces règlements. Aucun acte de homestead ne sera accordé à aucune autre personne relativement à tel terrain, avant l'expiration d'un délai de trois mois à compter d'un avis par écrit qui sera adressé par l'agent local au colon de bonne foi, l'avertissant que le terrain en question est ouvert à l'occupation.

15. La personne, qui la première se sera établie et aura fait de bonne foi des améliorations comme susdit sur les terres de la Puissance avant que l'arpentage en ait été confirmé, peut indiquer la terre qu'elle a ainsi accaparée de la manière suivante: Elle devra former un carré et son étendue n'excèdera pas cent soixante acres. Ses frontières seront des lignes nord et sud, est et ouest. A chaque angle, un poteau d'au moins quatre pouces carrés et dépassant le sol de quatre pieds sera planté et marqué au moyen d'un crayon ou d'un couteau comme désignant l'angle du terrain réclamé et portera aussi le nom du réclamant marqué de la même manière. Entre les poteaux des angles, si le terrain est boisé, une ligne sera ouverte et indiquée. Il fournira aussi à l'agent local, avec son application accompagnée d'une somme de dix piastres, un plan intelligible indiquant la nature et la disposition du terrain réclamé, le bois, s'il s'en trouve, aussi tous les cours d'eau, les chemins, les prairies, les pouvoirs d'eau, les carrières, etc.; et, si l'on découvre dans la suite que le réclamant a caché quelqu'information dans son dit plan, ses droits se trouveront complètement annulés. Après que sa terre aura été délimitée comme susdit, le colon pourra, en sus du droit de priorité pour obtenir l'acte de homestead que lui accorde la dernière section, être admis à intenter telles actions pour entrées illégales sur son terrain et pour expulsion d'icelui; lesquelles actions qui lui seraient permises s'il était le propriétaire réel du fonds en question : Pourvu toujours que rien de ce qui est contenu dans ces règlements ne confère ou ne soit arrangé pour conférer à quelqu'un aucun droit quelconque contre la Couronne.

16. Pour obtenir un acte de homestead, il sera nécessaire que celui qui le demande fasse acte de présence et donne un affidavit devant l'agent local conformément à la formule B, C ou D de la cédule jointe à ces règlements. En filant tel affidavit aux mains de l'agent local, et en lui payant dix piastres comme honoraire d'office, l'appliquant recevra de l'agent local un reçu conforme à la formule F de la cédule de ces règlements, et tel reçu sera un certificat de l'acte de homestead, et autorisera son porteur à aller prendre possession du terrain y décrit ;

(2.) Pourvu que, au cas où il s'agirait d'immigrants ou d'autres personnes qui se proposent de s'établir ensemble, le ministre de l'Intérieur ou le bureau des terres puisse autoriser toute personne qui lui sera indiquée à obtenir des actes de homestead en leur nom, avant leur arrivée dans le territoire où se trouvent les terres qu'ils désirent occuper ;

(3.) La personne autorisée comme susdit fera application, pour obtenir tels actes en la forme G de la cédule de ces règlements, de la part de chacun de ceux qu'elle représente, et donnera un affidavit devant l'agent local conformément à la formule H, J, ou K, de la cédule de ces règlements, suivant que les circonstances le requerront; elle paiera aussi pour chaque acte sollicité l'honoraire d'office, dix piastres, tel que prescrit ci-dessus ;

(4.) Les personnes qui occupent un terrain pour l'avoir acheté peuvent obtenir des actes de homestead au sujet de tout autre terrain contigu ; mais, toute l'étendue de ces dits terrains réunis, y inclus celui primitivement acheté, ne doit pas excéder le quart d'une section ;

(5.) Toute personne faisant application pour obtenir un acte de homestead quant à un terrain contigu doit, en donnant son affidavit tel que prescrit pour l'obtention de tel acte, décrire aussi le terrain qu'elle possède déjà et où elle réside ; et sa résidence sur, ainsi que la culture de tout son terrain seront pour l'avenir réglées par les provisions de ces règlements relatives à un premier acte de homestead, avant qu'elle n'ait de droit à une patente pour la portion de terre ainsi tenue : Pourvu que telle résidence et telle culture se trouvent sur et au bénéfice de la première terre acquise ou de celle pour laquelle a été obtenu un acte de homestead, ou des deux en même temps.

17. Au cas où s'élève un différend entre personnes réclamant un acte de homestead pour un même terrain, l'agent local ou toute personne à ce autorisée par le ministre de l'Intérieur fera une enquête et obtiendra des preuves quant aux faits ; et son rapport à ce sujet ainsi que la preuve faite seront soumis pour décision au ministre de l'Intérieur ou au bureau des terres de la Puissance, au commissaire des terres de la Puissance, ou à telles personnes qui peuvent être nommées par le Gouverneur en conseil pour examiner et juger dans le cas de tels différends ;

(2.) Pourvu que, quand deux personnes ou plus ont fait des demandes et tente d'obtenir un acte de homestead pour un même terrain, celle qui s'est établie la première sur le dit terrain, qui a continué à y résider et à le cultiver ait droit à tel acte si le terrain réclamé est de la classe sujette aux actes de homestead ; et s'il n'est pas contraire à l'intérêt public, dans l'opinion du ministre de l'Intérieur, d'accorder une application au sujet de tel terrain ;

(3.) Pourvu en outre que dans le cas où les parties en litige ont fait des améliorations considérables sur le terrain disputé, le ministre de l'Intérieur, s'il accorde l'application qui lui est soumise pour l'obtention d'un acte de homestead, puisse ordonner une division du dit terrain de manière à accorder autant que possible à chacun la part d'améliorations à laquelle il a droit; et le ministre pourra aussi, à sa discrétion, décider que le déficit qui pourrait se trouver dans les parts faites à l'un et l'autre des réclamants soit comblé à même les terres vacantes contiguës s'il s'en trouve de la classe qui sont sujettes aux actes de homestead.

18. Toute personne qui a obtenu un acte de homestead aura un délai de six mois pour mettre tel acte en force en prenant personnellement possession de sa terre, et en commençant à y résider permanemment et à la culture ; et si l'entrée en possession n'a pas lieu dans ce délai, l'acte sera nul, et le terrain pourra être acquis par une autre personne ou il en peut être disposé autrement sous l'autorité de ces règlements par le ministre de l'Intérieur ;

(2) Pourvu encore qu'en faveur d'immigrants d'ailleurs que du continent de l'Amérique du Nord, le Gouverneur en conseil puisse étendre le délai de l'accomplissement de l'acte à douze mois de sa date.

19. Dans le cas où un certain nombre de colons de homestead, comprenant au moins vingt familles et ayant l'intention d'agrandir leur nombre par l'établissement d'écoles et d'églises, et d'obtenir d'autres avantages sociaux du même caractère, demandent qu'on leur permette de s'établir ensemble dans un hameau ou village, le ministre de l'Intérieur peut, à sa discrétion, modifier ou éliminer complètement les exigences quant à la résidence, mais non pas quant à la culture de chaque quart de section distinct entré comme homestead.

20. A l'expiration de trois ans de la date où il a mis en force son acte de homestead, le colon, ou en cas de sa mort, ses représentants légaux, en prouvant à la satisfaction de l'agent local qu'il, eux ou quelques-uns d'entre eux ont résidé sur la terre et l'ont cultivée durant le dit terme de trois ans, auront droit d'obtenir une patente pour la dite terre, à condition

que la preuve faite soit acceptée par le Commissaire des Terres de la Couronne ou le Bureau des Terres, et sur paiement d'une piastre par acre : pourvu aussi que telle patente ne soit pas émise en faveur d'une personne qui n'est pas par naissance ou naturalisation sujet de Sa Majesté au temps de telle émission.

(2.) Pourvu que, dans le cas où un colon aurait obtenu un acte de homestead pour une terre occupée par lui avant qu'elle ne fût arpentée, de la manière déjà mentionnée, le fait d'avoir résidé sur la dite terre et de l'avoir cultivée durant les trois ans qui précèdent l'application pour une patente soit considéré équivalent à ce qui est prescrit dans la clause précédente, si le fait de telle résidence et de telle culture est autrement conforme à ces règlements ;

(3) Toute personne qui prouvera qu'elle a résidé sur la terre pour laquelle elle possède un acte de homestead, durant douze mois à compter de la date de sa prise de possession, et qu'elle a mis en culture au moins trente acres de cette terre, pourra, avant l'expiration des trois années stipulées dans la sous-clause deux de cette clause, obtenir une patente, en payant deux piastres et cinquante centins par acre de terre ;

(4) En outre des cas ci-dessus mentionnés, toute personne réclamant une patente pour homestead y aura droit, en prouvant qu'elle a érigé sur son homestead une maison habitable, et qu'elle y a de bonne foi résidé pendant pas moins des trois mois qui ont précédé la date de son application pour sa patente ; que durant la période écoulée entre le temps pendant lequel, par la clause dix-huit de ces règlements, il est ordonné qu'un propriétaire de homestead devra s'emparer de sa terre, et le commencement de sa résidence de trois mois sur son homestead, il a *bonâ fide* résidé dans un rayon de deux milles du quart de section de son homestead ; que durant la première année de sa prise de possession de sa terre, il a cassé et préparé pour les ensemencer pas moins de dix acres du quart de section de son homestead ; que durant la seconde année il a ensemencé les dits dix acres et en a brisé et préparé pour les ensemencer pas moins de quinze acres additionnels—formant en tout pas moins de vingt-cinq acres ; et que durant la troisième année après la date de la mise en force de son acte de homestead, il a ensemencé les dits vingt-cinq acres et a brisé et préparé pour être ensemencés pas moins de quinze acres additionnels, faisant en tout pas moins de vingt-cinq acres ensemencés et quinze prêts à l'être, durant les trois ans à compter de la date à laquelle il a mis son acte de homestead en vigueur ; et la résidence indiquée dans cette sous-clause sera suffisamment prouvée si l'applicant n'a pas été absent plus de six mois chaque année.

(5.) La preuve de la résidence, de la construction d'une maison habitable et de la culture requises par cette clause se fera par l'affidavit du réclamant, sera corroborée par la déposition sous serment de deux témoins désintéressés, résidant dans le voisinage de la terre que leur témoignage concerne et acceptée comme suffisante par le commissaire des terres de la Puissance ou le bureau des terres ; tel affidavit sera assermenté et les témoignages rendus devant l'agent local ou quelqu'autre personne nommée à ces fins par le ministre de l'Intérieur.

21. Dans le cas où il est établi à la satisfaction du ministre de l'Intérieur qu'un colon n'a pas résidé sur son homestead et ne l'a pas cultivé, excepté comme il est pourvu ici, durant au moins six mois chaque année, son droit sera forfait et l'acte y relatif sera cancelé ; et le colon ayant ainsi forfait à son acte ne sera pas admis à en obtenir un nouveau si ce n'est dans certains cas spéciaux, à la discrétion du ministre de l'Intérieur ;

(2.) Pourvu que dans dans le cas de maladie, établi par une preuve suffisante, ou dans le cas d'immigrants qui sont obligés de retourner dans leur pays pour ramener leurs familles à leurs homesteads ou dans d'autres cas spéciaux, le ministre de l'Intérieur, puisse, à sa discrétion, accorder une extension du temps durant lequel un colon peut s'absenter de son homestead sans préjudice à ses droits ; mais le temps ainsi accordé ne comptera pas comme résidence.

22. Un homestead dont le titre a été cancelé peut, à la discrétion du ministre de l'Intérieur, être vendu à une autre personne, soit quant au terrain et aux améliorations, s'il en existe, soit quant aux améliorations seulement si le terrain est déjà occupé comme homestead.

23. Toute hypothèque ou tout transport d'un droit de homestead ou de partie d'icelui, et tout arrangement pour hypothéquer ou transporter un droit de homestead ou partie d'icelui après qu'une patente aura été obtenue, seront nuls et sans effet s'ils ont été conclus, faits et entrés avant l'émission de la patente ; et la personne hypothéquant ainsi ou transférant ou faisant des arrangements pour hypothéquer ou transférer son droit de homestead en sera forfaite et n'aura pas l'avantage de prendre un autre titre de homestead ; pourvu qu'une personne dont la patente aura été recommandée par l'agent local et qui aura reçu de tel agent un certificat à cet effet, conforme à la formule L de la cédule jointe à ces règlements et contresigné par le Commissaire des Terres de la Puissance, puisse légalement vendre, céder, hypothéquer, transférer son droit et son titre.

24. Si une ou plusieurs personnes, à ce autorisées par le ministre de l'Intérieur, placent des immigrants comme colons sur des terres à leurs propres frais, le Gouverneur en conseil peut ordonner que les dépenses encourues par cette ou ces personnes soit pour payer le passage des immigrants en les emmenant au pays ou pour leur subsistance ou pour les aider à construire une maison sur leur homestead ou pour leur fournir des chevaux, des bestiaux, des instruments de ferme ou du grain de semence, de viennent, si les parties y consentent, une charge sur le homestead de tel immigrant ; et, dans tel cas la réclamation pour dépenses encourues pour le bénéfice de tels immigrants, comme dit plus haut, avec aussi l'intérêt sur icelle doit être payée avant qu'une patente ou un certificat pour patente soit émané en faveur du terrain ainsi affecté ; Pourvu :—

(*a*) Que la somme ou les sommes chargées pour le prix de passage ou la subsistance de tel immigrant n'excèdent pas le coût actuel des mêmes choses, le tout établi à la satisfaction du ministre de l'Intérieur ;

(*b*) Qu'une reconnaissance par tel immigrant de la dette ainsi encourue ait été produite au bureau de l'agent local ;

(*c*) Que dans aucun cas la charge contre tel homestead pour argent avancé n'excède la somme de cinq cents piastres ;

(*d*) Qu'aucun taux d'intérêt plus élevé que 6 pour cent ne soit chargé sur la dette ainsi encourue par l'immigrant.

(2) Si un immigrant à qui une avance a été faite, comme il est dit dans cette clause et par qui ou pour qui un titre de homestead a été obtenu, forfait à ce titre en vertu des provisions de ces règlements, le ministre de l'Intérieur pourra, à sa discrétion, traiter la personne par qui telle avance a été faite ou ses représentants légaux comme s'ils avaient obtenu eux-mêmes tel titre, et comme si, jusqu'au temps de tel traitement, aucune forfaiture du titre en question n'était encore survenu ; et si, sous de semblables circonstances, l'émigrant qui a obtenu ou pour qui on a obtenu un titre de homestead a acquis le droit de recevoir une patente pour le terrain objet de tel titre après trois années de résidence, et ne fait pas application pour l'émanation de telle patente, la personne ou les personnes qui ont fait l'avance peuvent obtenir telle patente ou tel certificat pour patente au nom de la personne y ayant droit ou au nom de ses représentants légaux, et dès lors l'avance faite sera une hypothèque statutaire sur tel homestead.

Terres à pâturages.

25. Le Gouverneur en conseil peut, de temps en temps, louer des terres inoccupées de la Puissance pour des fins de pâturages à toute personne ou personnes, pour tel nombre d'années, à tel prix qu'il sera jugé convenable dans chaque cas ; et tout tel bail contiendra une condition par laquelle le Gouverneur en conseil puisse autoriser le ministre de

l'Intérieur, en tout temps durant la durée du bail, à donner au locataire avis de la cancellation du dit bail; et, à la fin des deux ans qui suivront la signification de tel avis le bail cessera d'exister.

Terrains miniers.

26. Les terres qui contiennent du charbon ou d'autres minéraux, soit dans les territoires arpentés ou dans ceux qui ne le sont pas, ne seront pas soumises à ces règlements relativement à la vente ou au titre de homestead, mais elles seront concédées de telle manière, à tels termes et conditions qui pourront être fixés de temps en temps, par le Gouverneur en conseil dans les règlements à être faits à cet égard.

27. Il est par le présent déclaré que toutes cessions de terres gratuites ou rémunérées par la couronne n'aura pas pour effet de transporter aux cessionnaires les minéraux qui peuvent se trouver dans telles terres, à moins que telle condition ne se trouve formellement exprimée.

Eau.

28. Toute personne légalement autorisée à posséder des terres sous ces règlements, les occupant et les cultivant légalement et *bonâ fide*, peut détourner et retenir autant et pas plus d'eau coulant librement dans tout ruisseau, tout lac ou toute rivière de la Puissance qui traverse telles terres, qu'il n'est raisonnablement nécessaire pour des fins agricoles, minières ou autres, en obtenant une autorisation écrite d'en agir ainsi de la part de l'agent local du district, et un mémoire de ce procédé sera dressé avec lui, après avis dûment donné, comme il est ici stipulé, spécifiant le nom de l'applicant, la quantité d'eau qu'il veut détourner, l'endroit où aura lieu ce détournement, les fins pour lesquelles cette eau va être détournée, et toutes autres particularités que pourra exiger l'agent local. Pour chaque tel mémoire l'agent local touchera un honoraire de deux piastres; et aucune telle personne n'aura un droit exclusif à l'usage de telle eau jusqu'à ce que tel mémoire ait été fait et tel honoraire payé.

29. Un mois avant d'obtenir l'autorisation susdite, l'appliquant affichera dans un endroit apparent, sur le terrain de chaque personne qu'affecte ce détournement de tout ruisseau, lac ou rivière, et dans le palais de justice du district, des avis écrits annonçant l'intention où il est de demander une autorisation pour prendre, rassembler et détourner telle eau (suivant le cas) spécifiant toutes particularités y relative, déclarant la direction, la quantité, les fins et les termes.

30. Le propriétaire de tout privilège d'eau acquis par contrat sous les présents règlements n'aura aucun droit exclusif sur l'eau soumise à son privilège jusqu'à ce qu'il ait fait construire une digue, un canal d'écluse ou un autre conduit pour mener l'eau où il veut l'utiliser; et dans le cas où tel conduit ne serait pas d'une capacité suffisante, pour charroyer la quantité d'eau stipulée, alors le droit exclusif de tel propriétaire sera limité, indépendamment du contrat, à la quantité que tel conduit est capable de contenir jusqu'à ce qu'il l'ait fait agrandir de manière à ce qu'il reçoive toute la quantité voulue.

31. La priorité de droit quant à ce qui regarde tout privilège d'eau dépendra, en cas de différend, de la priorité du contrat.

32. Le droit d'entrer sur et à travers les terres acquises par d'autres, en vertu de ces règlements, dans le but d'y faire passer l'eau pour fins légales, peut être réclamé et exercé par le propriétaire de tout privilège sous l'autorité de ces règlements, en payant ou assurant le paiement de compensations pour les troubles ou les dommages ainsi occasionnés à la personne dont le terrain aura été troublé ou endommagé par telle entrée ou telle conduite d'eau.

33. Dans le cas de différend, telles compensations ou toutes autres questions se reliant à tel privilège d'eau, l'entrée ou la conduite de l'eau, peuvent être examinées et jugées d'une manière sommaire par l'agent local du district ou par une autre personne nommée par le ministre de l'Intérieur pour cette fin.

34. Les privilèges d'eau pour des fins minières ou autres, qui ne sont pas autrement accordés d'une manière légale, peuvent être réclamés et la dite eau peut être amenée sur, sous ou à travers toutes terres de la Puissance ou terres sur lesquelles tel droit est conféré en vertu de ces règlements, en obtenant une permission ou une licence de l'agent local du district; et avant d'user de ce droit en payant une compensation raisonnable pour troubles ou dommage à la personne dont la terre est troublée ou endommagée par tel privilège d'eau, et au cas de désaccord quant au montant de la compensation, il sera fixé tel que stipulé dans la dernière section.

35. Dans l'un et l'autre des cas auquel les deux dernières sections réfèrent, l'agent local ou une personne nommée par le ministre de l'Intérieur pour cette fin, aura tous les pouvoirs d'un juge de la cour de comté dans la province de la Colombie-Britannique, adjugeant même sur les frais; et le certificat de l'agent ou d'une autre personne nommée comme susdit quant au mandat de la compensation évaluée et fixée en vertu des deux sections précédentes et des frais adjugés, aura l'effet d'un jugement et pourra devenir une ordonnance de la cour suprême de la Colombie-Britannique, et en avoir l'autorité.

36. Tout propriétaire de toute digue, écluse, ou autre conduit, ou privilège d'eau acquis par contrat ou autrement, sous l'autorité de ces règlements, qui, volontairement, gaspillera toute quantité d'eau, en en détournant de son cours naturel, par le moyen de sa digue ou autrement, plus qu'il n'est besoin pour l'irrigation de sa propriété ou toute autre fin, sera condamné à une amende n'excédant pas cent piastres pour chaque offense; laquelle amende sera recouvrée, d'une manière sommaire, devant un juge de paix, un magistrat stipendiaire, l'agent local ou une autre personne nommée par le ministre de l'Intérieur à cette fin, et à défaut de paiement, il y aura saisie ou emprisonnement pour une période de pas plus de six mois; et aucun propriétaire de privilège d'eau n'aura droit de nuire ou d'empêcher la construction de toutes dammes, brise-lames ou autres améliorations, ayant pour but de ménager et économiser l'eau de tout bassin, lac ou cours d'eau de quelque genre que ce soit; pourvu que la construction ou l'usage de telles dammes ou brise-lames, ne détourne pas telle eau de son canal propre, à l'endroit ou la place où tel propriétaire prend l'eau dont il se sert dans sa digue ou son canal: Pourvu aussi que la construction et l'usage de telle damme ou brise-lames ne cause pas de dommages à la source où telle eau est prise ou à la propriété de toute partie ou parties, en refoulant l'eau, causant des inondations ou autrement: Pourvu aussi que tous différends s'élevant au sujet de toutes matières ou choses relativement à cette clause, seront décidés d'une manière sommaire, devant tout juge de paix, magistrat stipendiaire, agent local ou autre personne nommée par le ministre de l'Intérieur pour ces fins, qui aura plein pouvoir de rendre telle décision qui lui paraîtra juste et équitable.

37. Les propriétaires ou occupants de toutes terres sujettes à l'irrigation peuvent, avec le consentement écrit de l'agent local ou d'une autre personne nommée par le ministre de l'Intérieur à cette fin, au moyen de canaux, de digues, de drainages, ou d'autres conduits, faire écouler à travers les terres de la Puissance ou tout terrain au sujet duquel tel droit existe en vertu de ces règlements le surplus de leur eau dans toute baie, golfe ou canal: Pourvu que, quand tel pouvoir est exercé par l'un ou l'autre des officiers ci-dessus, tous commissaires ou autres officiers agissant en vertu des Actes de la Colombie-Britannique, en force, relatifs au drainage, à l'endiguement et à l'irrigation ne soient pas libres d'entraver le pouvoir ainsi exercé. Les provisions de cette clause seront sujettes, excepté quant aux terres qui seront alors terres de la Puissance, aux provisions de loi en force relativement à la compensa-

tion pour entrée sur les terres occupées dans le but de conduire l'eau à travers ces terres.

38. Pour la mesure de l'eau dans toute digue ou écluse on observera les règles suivantes : L'eau prise dans toute digue ou écluse sera mesurée à la tête de la digue ou de l'écluse ; on ne prendra pas d'eau dans une digue ou écluse si ce n'est à un endroit parfaitement horizontal avec celui où l'eau s'y introduit ; un pouce d'eau désignera la moitié de la quantité qui peut passer par un orifice de deux pouces de hauteur par un de largeur, avec une tête d'eau constante de sept pouces au-dessus de la partie supérieure de l'orifice.

Licences de bois.

39. Les décrets et provisions contenus dans les vingt-six clauses suivantes seront limités dans leur application aux terres de la Puissance qui se trouvent dans le réseau des terres affectées aux chemins de fer dans la Colombie-Britannique et situées à l'ouest de Greenwich ; et quant à ce qui concerne celles de ces terres qui sont boisées, situées à l'est du dit 120ème degré de longitude à l'ouest de Greenwich, les provisions de l'Acte des terres de la Puissance, 1883, et les règlements faits de temps en temps par le Gouverneur en conseil s'y appliqueront.

(*a*) Le mot " bois " désignera toute espèce de bois et les produits qu'on en tire.

40. Il sera illégal à toute personne, sans être munie d'une licence à cet égard, qui sera accordée comme ci après stipulé, de couper, d'abattre ou de charroyer tous arbres ou bois sur ou de toutes terres de la Puissance ; à moins que telles terres ne soient régulièrement possédées par titre de homestead, sous les provisions de ces règlements.

41. Toute personne qui violera les provisions de la section précédente sera susceptible, pour chaque offense, d'une amende n'étant pas moindre que vingt-cinq piastres et n'excédant pas cinq cents piastres ; laquelle amende sera recouvrable d'une manière sommaire, sur dénonciation de toute personne, devant un magistrat stipendiaire, ou deux juges de paix, et à défaut du paiement, il y aura emprisonnement pour pas plus de soixante jours.

42. Toute personne voulant couper ou abattre et charroyer des arbres ou du bois des terres de la Puissance, peut obtenir une licence à cet effet en se conformant aux provisions suivantes :

(*a*) Elle devra demander par écrit telle licence au ministre de l'Intérieur, et devra aussi, si le terrain que sa licence embrasse ne se trouve pas renfermé dans un township arpenté, jalonner tel terrain en plaçant à chaque angle ou coin un jalon ou un poteau d'au moins quatre pouces carrés et ne dépassant pas le sol de plus de quatre pieds ; et, sur chaque poteau, elle devra inscrire son nom et l'angle représenté de la manière suivante : " A. B's, N. E. coin " (signifiant coin nord-est,) ou suivant que les circonstances et la disposition des lieux l'exigeront ; si tels poteaux sont plantés avant que l'avis exigé dans la sous-section suivante ait été donné, tous les procédés de l'appliquant seront nuls ; avec son application, il devra envoyer au ministre de l'Intérieur, une carte ou un plan du terrain ainsi jalonné, spécifiant l'étendue et les limites et donnant les meilleures informations possibles relativement au dit terrain ; mais, si le terrain a déjà été arpenté, alors le numéro officiel de la section ou des sections ou de partie d'icelles que l'on mentionne sera seulement envoyé.

(*b*) Après avoir fait application pour une licence l'appliquant publiera, durant trente jours, dans la *Gazette de la Colombie-Britannique* et dans tout autre journal ayant de la circulation dans le district où se trouvent situées les terres en question, avis de son application pour une licence de bois et donnera dans tel avis la meilleure description possible du terrain dont il sollicite l'usage, spécifiant l'étendue et les limites et toutes autres particularités, s'il y en a, qui peuvent être exigées par le ministre de l'Intérieur.

43. Si aucune réclamation adverse est filée entre les mains du ministre de l'Intérieur, il peut la prendre en considération et en décider.

44. Une licence de bois sera accordée pour telle étendue de terre et tel intervalle de temps qui seront déterminés de temps en temps par le Gouverneur en conseil ; personne n'aura le droit à plus d'une licence en même temps ; le porteur de licence paiera au ministre de l'Intérieur, pour l'usage de Sa Majesté, une somme annuelle de cinquante piastres durant tout le temps que sa licence sera en force ; le premier paiement devant être fait dès l'émission de sa licence et les paiements suivants annuellement ensuite à une date fixée dans la licence, et à défaut de paiement de toute telle somme dans les trente jours après échéance, la licence deviendra nulle.

45. Aucune licence de bois ne sera accordée sur les terres faisant portion de tout établissement ou de toute réserve appartenant aux indiens, et le ministre de l'Intérieur peut refuser d'accorder toute licence quand il le juge favorable à l'intérêt public.

46. La licence doit être conforme à la formule M qui se trouve dans la cédule annexée à ces règlements.

47. Tout porteur de licence tiendra un compte écrit du nombre d'arbres qu'il aura abattus sur le terrain qu'embrasse sa licence, et à l'expiration de chaque trois mois, tant que durera sa licence, il préparera et fournira au ministre de l'Intérieur un état écrit, vérifié par une déclaration reçue devant un juge de paix, montrant le nombre d'arbres abattus, et il paiera alors à l'agent forestier de la couronne, pour l'usage de Sa Majesté, une somme de trente centins pour chaque arbre abattu, excepté pour tels arbres qui sont ci-après spécifiés.

48. Le porteur de licence produira, s'il en est requis, à l'agent forestier de la couronne, le compte original des arbres et du bois coupé, abattus ou charroyés sur ou du terrain que couvre sa licence.

49. Si le porteur de licence ne tient pas un compte écrit du nombre d'arbres abattus sous sa licence, ou s'il ne livre pas à l'agent forestier de la couronne l'état par écrit susdit, ou s'il présente volontairement un faux état, il sera susceptible d'une pénalité de deux cent cinquante piastres qui sera recouvrable comme susdit, et à défaut de paiement, il sera condamné à un emprisonnement n'excédant pas soixante jours, et au cas de conviction sa licence sera cancellée par le ministre de l'Intérieur.

50. La section précédente de ces règlements ne sera pas interprétée de manière à infliger une pénalité aux mineurs, employés à des recherches ou au travail des mines, ou aux voyageurs, ou aux personnes qui ne sont engagées que dans des explorations scientifiques, ou aux fermiers qui coupent du bois pour l'usage de leurs fermes, ou aux personnes qui coupent du bois de corde pour chauffage pour leur usage personnel ou pour des fins scholaires.

51. En marquant le nombre d'arbres abattus, on ne devra pas inclure le petit bois employé comme levier et pour d'autres usages du genre et on ne paiera pas de droits sur tel bois.

52. Si une personne, sans autorisation ou à moins que ce ne soit expressément permis par ces règlements, coupe ou emploie, ou induit toute autre personne à couper ou aider à couper du bois sur toutes terres de la Puissance, ou enlève ou charroie tout bois propre au commerce ainsi coupé, elle n'acquerra aucun droit sur le bois ainsi coupé et n'aura aucune réclamation pour avoir coupé le dit bois, l'avoir préparé pour le marché ou l'y avoir transporté ; et tout bois ainsi coupé peut être saisi par l'agent forestier de la couronne ou un autre officier ou agent du ministre de l'Intérieur, et sera vendu au bénéfice de la couronne ; et tous chevaux, bœufs, mules, et animaux ou quelques-uns d'entre eux, et les machines et tout le matériel trouvés sur aucune des terres de la Puissance où du bois a été coupé sans autorité légale, seront susceptibles de forfaiture et pourront être sai-

sis par l'officier sus-nommé et vendus aux bénéfices de la couronne.

(*a*) Si une personne enlève ou fait enlever du bois des terres de la couronne, elle paiera, à part la perte de son travail, trois piastres pour chaque arbre (le petit bois sus-mentionné excepté) qu'elle aura enlevé ou fait enlever de telles terres; laquelle somme sera recouvrée avec les frais au nom du ministre de l'Intérieur, devant toute cour ayant juridiction en matières civiles au montant de la pénalité;

(*b*) Dans toutes procédures sous l'autorité de cette section, il appartiendra à la partie accusée de prouver qu'elle était autorisée à couper du bois.

53. Quand du bois a été coupé sans autorisation, ou permission, comme il est mentionné ci-dessus, sur les terres de la Puissance et a été mêlé avec d'autre bois pour former un crible, une damme ou un radeau, ou a été mêlé de toute autre manière avec d'autre bois, tout le bois ainsi mélangé sera retenu comme ayant été pris sans autorisation sur les terres publiques et sera susceptible de saisie et de forfaiture par l'agent forestier de la couronne, ou un autre officier ou agent du ministre de l'Intérieur agissant pour la couronne.

54. L'officier faisant la saisie peut, au nom de la couronne, requérir l'assistance nécessaire pour mettre en sûreté et protéger le bois saisi.

55. Tout bois, animaux ou choses saisis sous l'autorité de ces règlements seront considérés abandonnés, à moins que la personne sur qui ils ont été saisis ou le propriétaire ne donne avis par écrit, dans le délai d'un mois après la saisie, au plus proche agent forestier de la couronne, qu'il réclame ou a l'intention de réclamer les effets saisis; à défaut de tel avis l'agent sus-mentionné fera rapport au ministre de l'Intérieur qui peut ordonner la vente du dit bois par le dit agent à telle date et de telle manière qu'il le jugera convenable.

56. Dans tous les cas où le dit avis a été donné, tout juge de la Cour Suprême peut sommairement, sur requête, juger telles saisies, et peut ordonner de livrer le bois à son propriétaire présumée sur garantie par ce dernier de payer le double de la valeur au cas de condamnation, laquelle garantie devra être soutenue par deux cautionnements bons et suffisants:

(*a*) Telle garantie sera prise au nom du ministre de l'Intérieur pour le bénéfice de Sa Majesté et sera livrée et gardée par le dit ministre de l'Intérieur;

(*b*) Si tout bois, animal ou chose pour lesquels une garantie a été donnée sont adjugés contre le réclamant, la valeur en devra être payée au ministre de l'Intérieur et la garantie sera cancellée, autrement la pénalité prendra force et sera collectée.

57. Toute personne se prévalant d'un faux état ou d'un faux serment pour échapper au paiement de tout argent dû en vertu de ces règlements perdra le bois à l'occasion duquel elle essaie de s'exempter de payer tels argents.

58. Le ministre de l'Intérieur pourra, en tout temps, définir les limites de districts de coupes de bois et nommer un agent des bois de la couronne pour chacun de ces districts.

59. Nuls billots coupés en vertu d'un permis accordé sous l'autorité des dispositions des présents règlements, ne seront sciés ni autrement convertis en bois de service ou autres matériaux, tant que ces billots n'auront pas été compassés et mesurés par l'agent des bois de la couronne pour le district, et que les sommes et droits prescrits par ces règlements n'auront pas été acquittés.

60. Tous les billlots seront compassés et mesurés par l'agent des bois de la Couronne ou la personne nommée à cette fin, par le ministre de l'Intérieur, pour le district dans lequel ces billots auront été coupés.

61. Lors du compassement et mesurage des billots, la personne qui le fera, dressera une note indiquant le nombre de billots, le nombre de pieds de bois—mesure de planche—contenu dans ces billots, et le nom du propriétaire; et l'agent des bois de la Couronne transcrira dans les livres de son bureau une copie de cette note. Une autre copie de la note sera dressée et remise au propriétaire ou à son agent, avec un certificat y annexé, établissant que cette note est exacte—laquelle note ainsi attestée sera, à l'effet de constater le montant de droits de coupe de bois à être payé à l'égard de ces billots, une preuve fondée sur des présomptions des faits y contenus, ainsi que de l'exactitude du dit compassement ou mesurage.

62. L'échelle et la règle au moyen desquelles on déterminera la quantité de billots sera la règle établie et prescrite dans le *Scribner's Lumber and Log Book* tel qu'enregistré en 1882 par George W. Fisher, de Rochester, New-York,

63. Le porteur du permis devra payer et paiera au ministre de l'Intérieur, pour l'usage de Sa Majesté, la somme de soixante et quinze cents, pour chaque et tout mille pieds de bois—mesure de planche—contenu dans ces billots, et jusqu'à ce que cette somme soit payée, les billots ne devront pas être enlevés du terrain où ils auront été coupés, et un privilège pour ces droits grèvera ces billots jusqu'à ce que les dits droits aient été acquittés; et aussitôt que les billots seront compassés et mesurés, et jusqu'à ce que les droits soient payés, l'agent des bois de la Couronne pourra prendre et garder possession des dits billots.

64. Lorsque les billots seront compassés ou mesurés, il sera alloué pour les billots creux, croches ou autrement défectueux, suffisamment pour qu'ils équivalent à des billots sains, droits et marchands.

65. Le ministre de l'Intérieur pourra annuler tout permis de coupe de bois accordé sous l'autorité des dispositions des présents règlements, si, selon lui, le porteur du permis ne doit pas, dans le temps prescrit par son permis, procéder sans interruption à couper et fabriquer le bois dans les limites du dit permis.

Glissoires, etc.

66. Nulle vente ou concession d'aucunes terres fédérales ne donnera ni ne conférera aucun droit ni titre à aucune glissoire, digue, pile ou estacade, ni à aucun autre ouvrage précédemment construit sur ce terrain, ou sur un cours d'eau le traversant ou le longeant, dans le but de faciliter le flottage du bois de construction ou des billots, à moins qu'il ne soit expressément mentionné dans les lettres patentes ou autres documents constatant cette vente ou concession, que l'intention est que cette glissoire, digue, pile ou estacade, ou autre ouvrage, soit par là vendu ou cédé;

(2.) Le libre usage des glissoires, digues, piles, estacades ou autres ouvrages construits sur des cours d'eau, pour faciliter le flottage du bois de construction ou des billots, ainsi que le droit d'accès à ces travaux dans le but de s'en servir et de les entretenir, ne seront en aucune manière enlevés ni empêchés par l'effet ni en vertu d'aucune vente ou concession de terres fédérales faite subséquemment à la construction de ces ouvrages.

67. Le libre usage—pour le flottage des billots et autres bois—de tous les cours d'eau et lacs qui pourront être nécessaires pour enlever ce bois des terres fédérales, ainsi que le droit d'accès à ces cours d'eau et lacs, et celui de passer et repasser sur ou le long du terrain de chaque côté, et partout où il le faudra pour l'usage susdit, ainsi que sur tous chemins de portage, existants ou nécessaires, pour éviter des rapides ou chutes, ou reliant ces cours d'eau ou lacs, ou sur les chemins qui, à cause d'obstacles naturels, pourront être nécessaires pour enlever du bois des terres fédérales, et aussi le droit de construire des glissoires partout où il en faudra, dureront sans interruption, et ne seront pas affectés ni empêchés par l'effet ni en vertu d'aucune vente ou concession de ces terres.

Lettres patentes.

68. Le Gouverneur général pourra nommer un Lieutenant-Gouverneur qui, en l'absence du dit Gouverneur général ou en conformité de ses instructions, aura le pouvoir de signer des lettres patentes de terres fédérales; et la signature de ce Lieutenant-Gouverneur, apposée à ces lettres patentes, aura la même vigueur et le même effet que si les dites lettres patentes avaient été signées par le Gouverneur général lui-même.

(2.) Toutes lettres patentes de terrain devront être préparées dans le département de l'Intérieur, et seront signées par le ministre de l'Intérieur ou son adjoint, ou par quelque autre personne à ce spécialement autorisée par arrêté du Gouverneur général rendu en conseil, et lorsque ces lettres seront ainsi signées elles devront être enregistrées par un fonctionnaire spécialement nommé à cette fin par le régistraire général, et ensuite transmises au secrétaire d'Etat du Canada pour être contresignées par lui ou par le sous-secrétaire d'Etat, et l'un ou l'autre de ces derniers y fera apposer le grand sceau du Canada ; mais toute lettre patente de terrain devra être signée par le Gouverneur ou son adjoint, ainsi que ci-dessus prescrit.

69. Lorsque, par suite d'erreur dans l'arpentage ou dans les livres ou plans d'un bureau des terres fédérales, il manquera quelque chose à une concession de terre, le ministre de l'Intérieur pourra ordonner une concession gratuite d'une valeur égale—à l'époque de la concession ou de la vente du terrain—à l'insuffisance constatée ; ou bien il pourra ordonner que le prix d'achat d'autant de terrain qu'il en manquera, avec l'intérêt au taux de six pour cent par année, à compter de l'époque de l'achat du dit terrain, soit remboursé à l'acquéreur ; mais nulle réclamation relative à aucune telle insuffisance ne sera reçue à moins qu'elle ne soit présentée dans les cinq ans à compter de la date de la lettre patente, ni à moins que l'insuffisance en question n'égale un dixième de l'étendue entière décrite dans la dite lettre patente comme étant contenue dans le lot ou morceau de terre concédé.

70. Lorsqu'une lettre patente aura été délivrée par erreur à une personne ou au nom de cette personne, ou contiendra une erreur de copiste, ou une erreur de nom, ou une description erronée ou défectueuse du terrain qu'elle aura l'intention de concéder, ou bien lorsqu'il y aura dans une telle lettre patente une omission des conditions, le ministre de l'Intérieur pourra (s'il n'y a pas de prétention contradictoire) ordonner que la lettre patente défectueuse soit annulée et qu'une lettre patente exacte soit délivrée en son lieu et place—laquelle lettre patente corrigée renverra à la date de celle ainsi annulée et aura le même effet que si elle eût été délivrée à la date de la lettre patente annulée.

71. Dans tous les cas où, par suite d'erreur, il aura été délivré, pour le même terrain, des titres de concession ou des lettres patentes incompatibles les uns avec les autres, et dans tous les cas de ventes ou d'appropriations du même terrain incompatibles les unes avec les autres, le ministre de l'Intérieur pourra ordonner qu'il soit donné à la personne par là dépossédée une nouvelle concession de terre d'une valeur égale à celle que la concession première avait à l'époque de sa date ; ou bien, il pourra, dans le cas de vente, faire rembourser le prix d'achat avec intérêt, ou lorsque le terrain aura été cédé par le premier acquéreur ou aura été amélioré avant la découverte de l'erreur, ou lorsque la concession première, sera une concession gratuite, le ministre de l'Intérieur pourra concéder du terrain, ou accorder, pour l'achat de terres fédérales, tel certificat qui lui paraîtra juste et raisonnable dans les circonstances ; mais nulle réclamation faite sous l'autorité du présent article ne sera reçue à moins qu'elle ne soit présentée dans l'année après la découverte de l'erreur.

72. Dans tous les cas où des lettres patentes, baux ou autres actes concernant des terrains auront été délivrés par fraude, erreur ou imprévoyance, tout tribunal de juridiction compétente dans les causes se rattachant à la propriété foncière, dans la province ou l'endroit où ces terrains seront situés, pourra, sur poursuite, requête ou plainte au sujet du dit terrain, et après avoir entendu les parties intéressées, ou sur défaut des dites parties, après que tel avis de procéder que le dit tribunal ordonnera, annuler les dites lettres patentes, baux ou autres actes ; et après l'enregistrement de ce décret dans le bureau du registraire général du Canada, les dites lettres patentes, baux ou autres actes seront nuls.

73. Lorsqu'un colon, acheteur ou autre personne refusera ou négligera d'abandonner la possession d'un terrain après sa confiscation sous l'autorité des dispositions des présents règlements, ou lorsqu'une personne sera injustement en possession d'un terrain de l'Etat, ou refusera d'en laisser ou abandonner la possession, le ministre de l'Intérieur pourra demander à un juge d'une cour ayant juridiction compétente dans les causes se rattachant à la propriété foncière dans la province ou l'endroit où le terrain sera situé, un ordre sous la forme d'un bref d'éviction ou d'*habere facias possessionem* ; et le dit juge, sur preuve faite à sa satisfaction que le dit terrain était ainsi confisqué et devrait retourner à la Couronne, ou est injustement en la possession de la dite personne, accordera contre le colon ou la personne ou les personnes en possession, un ordre enjoignant de remettre le dit terrain au ministre de l'Intérieur ou à la personne par lui autorisée à en recevoir la possession ; et le dit ordre aura le même effet qu'un bref d'*habere facias possessionem*, et le shérif devra l'exécuter comme il exécuterait le dit bref dans une poursuite en éviction ou dans une action pétitoire.

Cessions.

74. Le ministre devra faire tenir dans son département des livres pour enregistrer, au choix des parties intéressées, les cessions de tout droit aux terrains de l'Etat qui sont transférables sous l'autorité des présents règlements, sur preuve faite à sa satisfaction que la dite cession est en conformité de ces règlements ; et toute cession ainsi enregistrée sera valide à l'encontre de toute autre cession non enregistrée ou enregistrée subséquemment ; mais toute cession à être enregistrée devra être inconditionnelle, et toutes les conditions auxquelles le droit est soumis devront avoir été remplies ou mises de côté par le ministre de l'Intérieur avant l'enregistrement de la cession.

75. Sur la demande d'une lettre patente faite par le représentant légal d'une personne décédée y ayant droit, ou qui s'était fait inscrire, et qui, si elle avait vécu aurait eu droit à la dite lettre patente, le ministre de l'Intérieur pourra recevoir la preuve des faits de telle manière qu'il jugera à propos de l'exiger, et quand il sera convaincu que la réclamation est bien établie, il pourra l'accorder et ordonner en conséquence qu'une lettre patente soit délivrée.

Plans des townships et liste des lettres patentes.

76. Le ministre de l'Intérieur devra transmettre au régistraire général de la Colombie Anglaise ou à son ou ses adjoints aussitôt que possible, chaque année, un exemplaire certifié de la carte géographique de chaque township dans le comté, district ou division qui aura été arpenté pendant l'année précédente, aussi qu'une liste certifiée des terrains dans ce comté, district ou division, pour lesquels des lettres patentes auront été délivrées pendant la dite année.

Dispositions générales.

77. Les pouvoirs suivants sont par les présentes délégués au Gouverneur en conseil qui pourra les exercer, en tout temps, par des arrêtés spéciaux, sur la recommandation du ministre de l'Intérieur, savoir :—

(*a*) Soustraire à l'opération des présents règlements, sauf les droits existants tels que définis ou créés par ces règlements, les terrains qui ont été ou qui pourraient être mis en réserve pour les sauvages ;

(*b*) Encourager les travaux entrepris dans le but d'assécher et de mettre en valeur les terrains maré

cageux, en accordant aux promoteurs de ces travaux une rémunération sous la forme d'une concession gratuite des terrains ainsi mis en valeur, ou de toute partie de ces terrains ou de tout autre terrain dont la concession pourra être jugée juste et raisonnable ;

(*c*) Décréter de temps à autre les ordres qui pourront être jugés nécessaires pour mettre à effet les dispositions des présents règlements, suivant leur véritable intention, ou pour faire face à tous les cas pouvant se présenter et auxquels les présents règlements ne pourvoient pas ; en outre, faire et promulguer tous règlements qui pourront être jugés nécessaires pour donner pleine force et effet aux dispositions contenues dans le présent article ; et, en tout temps, modifier ou abroger tout ordre ou tous ordres, ou tous règlements faits à l'égard des dites dispositions, et en décréter d'autres pour les remplacer ;

(2) Tout ordre rendu ou règlement fait par le Gouverneur en conseil, sous l'autorité des dispositions du présent article, ou de tout autre article des présents règlements, n'aura—à moins qu'il ne soit autrement prescrit dans les présents règlements—vigueur et effet qu'après avoir été publié, pendant quatre semaines consécutives, dans la *Gazette du Canada*, et la *British Columbia Gazette;* et tous tels ordres ou règlements devront être soumis aux deux Chambres du parlement dans les premiers quinze jours de la session qui suivra leur date.

78. Sauf tel qu'autrement prescrit dans les présents règlements, tous les affidavits, serments, déclarations ou affirmations solennelles que ces règlements ordonnent de recevoir ou de faire, pourront être reçus devant un régistraire de la cour Suprême de la Colombie Anglaise, ou le juge ou régistraire de toute cour de comté, ou tout juge de paix, ou tout commissaire pour recevoir les affidavits, ou notaire public, ou tout agent ou officier des terres fédérales, ou toute personne spécialement autorisée par les présents règlements ou le ministre de l'Intérieur à recevoir ces affidavits.

79. Le bureau des terres fédérales, le commissaire des terres fédérales, l'inspecteur des agences des terres fédérales, ainsi que tout agent local et toute personne spécialement autorisée à cet effet par le Gouverneur en conseil, pourra assigner toute personne à comparaître devant lui, au moyen d'un subpœna, aux fins d'examiner cette personne sous serment et de contraindre à la production de papiers et écrits devant lui ; et ce subpœna pourra être conçu dans les termes de la formule N contenue dans l'annexe des présents règlements ; et—si une personne régulièrement assignée néglige ou refuse de comparaître à l'époque et aux lieu désignés dans le subpœna qui lui aura été signifié, ou refuse de rendre témoignage ou de produire les papiers ou écrits qu'on lui demande —il pourra, au moyen d'un bref revêtu de sa signature, faire arrêter la personne qui néglige ou refuse ainsi, et la faire incarcérer dans la prison commune la plus rapprochée, comme pour mépris de cour, pendant une période n'excédant pas quatorze jours.

80. Dans tous les cas où les présents règlements exigent un affidavit ou un serment, une affirmation solennelle pourra être faite au lieu d'un serment, par toute personne à laquelle la loi permet, dans les causes civiles, de faire une affirmation au lieu de prêter serment.

81. Tout reçu ou certificat d'inscription ou de vente délivré par un agent des terres fédérales, à moins que cette inscription ou vente n'ait été révoquée ou annulée par le ministre de l'Intérieur, donne à la personne à laquelle il a été accordé, le droit de maintenir des poursuites en droit ou en équité contre toute personne causant du dommage ou empiétant sur le terrain auquel se rapporte ce reçu ou certificat, aussi efficacement qu'il pourrait le faire en vertu d'une lettre patente délivrée par la couronne pour ce terrain.

82. Le ministre de l'Intérieur pourra, à sa discrétion, nommer, en tout temps, pour exercer les fonctions d'arpenteurs des terres fédérales dans la province de la Colombie-Britannique, telles personnes ayant les qualités voulues qu'il jugera à propos ou nécessaire ; lorsqu'il le jugera à propos, le Gouverneur général pourra, par arrêté rendu en conseil, décréter que les articles 87 à 124, inclusivement, de l'Acte des terres fédérales, 1883, ou aucun d'entre eux, s'étendront à la province de la Colombie-Britannique et y deviendront exécutoires, à une date qui sera fixée dans et par cet ordre ; et à compter de la date ainsi fixée, les dits articles 87 à 124, inclusivement, ou aucun d'entre eux, auront la même vigueur et le même effet que s'ils avaient été incorporés dans les présents règlements et en avaient fait partie.

Tarif d'honoraires.

83. Le Gouverneur en conseil pourra établir un tarif d'honoraires à être exigés par le ministre de l'Intérieur pour tous exemplaires ou toutes copies de cartes, plans de townships, notes d'arpentage et autres, ainsi que pour l'enregistrement des cessions, et tous les honoraires reçus en vertu de ce tarif feront partie du revenu des terres fédérales.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada, suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou privilèges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes

—

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

" Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

Art. IV.—A person surrendered shall not be detained or tried for any crime or offence committed in the other country before the extradition other than the crime or offence for which his surrender has been granted.

Art. V.—No person shall be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or if he prove to the satisfaction of the competent authority of the State in which he is that the requisition for his surrender has in fact been made with a view to try or punish him for an offence of a political character.

Art. VI.—In the Oriental Republic of the Uruguay the proceedings for the demand and obtaining extradition shall be as follows:—

The Diplomatic Representative or Consul-General of Great Britain shall address to the Minister Secretary of State in the Department of Foreign Relations, with the demand of extradition, an authentic and legalized copy of the sentence or mandate of arrest issued by competent authority, or other documents of the same legal force, against the accused person, setting forth clearly the crime or offence on account of which proceedings are being taken against the fugitive. These judicial documents shall be accompanied, if possible, by a description of the person claimed, and by any other information or intelligence which may serve to identify such person.

These documents shall be communicated by the Minister of Foreign Relations to the Superior Tribunal of Justice, which, in its turn, shall transmit them to the Stipendiary Magistrate (Juez Letrado del Crimen). This functionary shall have power, authority, and jurisdiction, in virtue of the claim preferred, to issue the formal order of arrest of the person so claimed, in order that he may be brought before him, and that, in his presence, and after hearing his defence, the proofs of his criminality may be taken into consideration; and if the result of this audience be that the said proofs are sufficient to sustain the charge, he shall be obliged to issue the formal order of delivery, giving notice thereof, by the medium of the Superior Tribunal of Justice, to the Minister of

Foreign Relations, who shall dictate the necessary measures for placing the fugitive at the disposal of the British Agents charged to receive him.

In case the documents furnished by Her Britannic Majesty's Government for the identification of the person claimed, or the information obtained for the same and by the authorities of the Oriental Republic of the Uruguay, be held to be insufficient, notice shall immediately be given of the fact to the Diplomatic Representative or Consular Agent of Great Britain, the person under arrest remaining in custody until the British Government shall have furnished new proofs to establish the identity of such person, or evidence to clear up other difficulties relating to the examination of, and decision upon the matter.

The arrest above referred to of the person proceeded against for any of the crimes or offences specified in this Treaty shall not be prolonged more than three months. At the expiration of that period, if the Government making the claim shall not have fulfilled the conditions above stated, the prisoner shall be released, and shall not be liable to be re-arrested on the same charge.

Art. VII.—In the dominions of Her Britannic Majesty, other than the Colonies or foreign Possessions of Her Majesty, the manner of proceeding, in order to demand and obtain extradition, shall be as follows :—

(*a.*) In the case of a person accused—The requisition for the surrender shall be made to Her Britannic Majesty's Principal Secretary of State for Foreign Affairs by the Diplomatic Representative or Consul General of the Oriental Republic of the Uruguay. The said demand shall be accompanied by a warrant of arrest or other equivalent judicial document, issued by a Judge or Magistrate duly authorized to take cognizance of the acts charged against the accused in that Republic and duly authenticated depositions or statements taken on oath before such Judge or Magistrate, clearly setting forth the said acts, and containing a description of the person claimed, and any particulars which may serve to identify him.

The said Principal Secretary of State shall transmit such documents to Her Britannic Majesty's Principal Secretary of State for the Home Department, who shall then, by order under his hand and seal, signify to some Police Magistrate in London that such requisition has been made, and require him, if there be due cause, to issue his warrant for the apprehension of the fugitive. On the receipt of such order from the Secretary of State, and on the production of such evidence as would, in the opinion of the Magistrate, justify the issue of the warrant if the crime had been committed in the United Kingdom, he shall issue his warrant accordingly.

When the person claimed shall have been apprehended, he shall be brought before the Magistrate who issued the warrant, or some other Police Magistrate in London. If the evidence to be then produced shall be such as to justify, according to the law of England, the committal for trial of the prisoner, if the crime of which he is accused had been committed in the United Kingdom, the Police Magistrate shall commit him to prison to await the warrant of the Secretary of State for his surrender, sending immediately to the Secretary of State a certificate of the committal and a report upon the case.

After the expiration of a period from the committal of the prisoner, which shall never be less than fifteen days, the Secretary of State shall, by order under his hand and seal, order the fugitive criminal to be surrendered to such person as may be duly authorized to receive him on the part of the Oriental Republic of the Uruguay.

(*b.*) In the case of a person convicted—The course of proceeding shall be the same as above indicated except that the warrant to be transmitted by the Diplomatic Representative or Consul General of the Oriental Republic of the Uruguay in support of his requisition shall clearly set forth the crime or offence of which the person claimed has been convicted, and state the place and date of his conviction.

The evidence to be produced before the police magistrate shall be such as would, according to the law of England, prove that the prisoner was convicted of the crime charged.

(*c.*) Persons convicted by judgment in default or *arrêt de contumace* shall be, in the matter of extradition, considered as persons accused, and, as such, be surrendered.

(*d.*) After the police magistrate shall have committed the accused or convicted person to prison to await the order of a Secretary of State for his surrender, such person shall have the right to apply for a writ of *habeas corpus* ; if he should so apply, his surrender must be deferred until after the decision of the court upon the return to the writ, and even then can only take place if the decision is adverse to the applicant. In the latter case the court may at once order his delivery to the person authorized to receive him, without the order of a Secretary of State for his surrender, or commit him to prison to await such order.

Art. VIII.—Warrants, depositions, or statements on oath, issued or taken in the Dominions of either of the two High Contracting Parties, and copies thereof and certificates of or judicial documents stating the facts of conviction, shall be received in evidence in proceedings in the dominions of the other, if purporting to be signed or certified by a judge, Magistrate, or officer of the country where they were issued or taken, provided such warrants, depositions, statements, copies, certificates, and judicial documents are authenticated by the oath of some witness, or by being sealed with the official seal of the Minister of Justice or some other Minister of State.

Art. IX.—A fugitive criminal may be apprehended under a warrant issued by any Police Magistrate, Justice of the Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings as would, in the opinion of the authority issuing the warrant, justify the issue of a warrant if the crime had been committed or the person convicted in that part of the dominions of the two contracting parties in which the Magistrate, Justice of the Peace, or other competent authority exercises jurisdiction : Provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a Police Magistrate in London. He shall in accordance with this Article be discharged, as well in the United Kingdom as in the Oriental Republic of the Uruguay, if within the term of thirty days a requisition for extradition shall not have been made by the Diplomatic or Consular Agent of his country in accordance with the stipulations of this Treaty.

The same rule shall apply to the cases of persons accused or convicted of any of the crimes or offences specified in this Treaty, and committed on the high seas on board any vessel of either country which may come into a port of the other.

Art. X.—The stipulations of the present Treaty shall be applicable to the Colonies and foreign Possessions of Her Britannic Majesty.

The requisition for the surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign Possessions shall be made to the Governor or chief authority of such Colony or Possession by the Chief Consular Officer of the Oriental Republic of the Uruguay in such Colony or Possession.

Such requisition may be disposed of, subject always, as nearly as may be, to the provisions of this Treaty, by the said Governor or chief authority, who, however, shall be at liberty either to grant the surrender or to refer the matter to his Government.

Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign Possessions for the surrender of Uruguayan criminals who may take refuge within such Colonies and foreign Possessions, on the basis, as nearly as may be, of the provisions of the present Treaty.

Art. XI.—The claim for extradition shall not be complied with if the individual claimed has been already tried for the same offence in the country whence the extradition is demanded, or if, since the commission of the acts is charged, the accusation or the conviction, exemption from prosecution or punish-

ment, has been acquired by lapse of time, according to the laws of that country.

Art. XII.—If the individual claimed by one of the two High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers, on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to that State whose demand is earliest in date.

Art. XIII.—If the individual claimed should be under prosecution, or have been condemned for a crime or offence committed in the country where he may have taken refuge, his surrender may be deferred until he shall have been discharged in due course of law.

In case he should be proceeded against or detained in such country, on account of obligations contracted towards private individuals, the extradition shall nevertheless take place.

Art. XIV.—Every article found in the possession of the individual claimed at the time of his arrest, shall, if the competent authority so decide, be delivered up with his person at the time when the extradition takes place. Such delivery shall not be limited to the property or articles obtained by stealing or by fraudulent bankruptcy, but shall extend to everything that may serve as proof of the crime or offence, and shall take place even when the extradition, after having been granted, cannot be carried out by reason of the escape or death of the individual claimed.

The rights of third parties with regard to the said property or articles are nevertheless reserved.

Art. XV.—The High Contracting Parties renounce any claim for the reimbursement of the expenses incurred by them in the arrest and maintenance of the person to be surrendered, and his conveyance as far as the frontier; they reciprocally agree to bear such expenses themselves.

Art. XVI.—The present Treaty shall be ratified, and the ratifications shall be exchanged at Monte Video as soon as possible.

It shall come into operation ten days after its publication, in conformity with the laws of the respective countries, and each of the Contracting Parties may at any time terminate the Treaty on giving to the other six months' notice of its intention to do so.

In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seals of their arms.

Done at Monte Video, the twenty-sixth day of March, in the year of Our Lord, one thousand eight hundred and eighty-four.

(L.S.) EDMUND MONSON.
(L.S.) MANL. HERRA. Y OBES.

And whereas the ratifications of the said Treaty were exchanged at Monte Video on the thirteenth day of December, one thousand eight hundred and eighty four;

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, and in virtue of the authority committed to Her by the said recited Acts, doth order, and it is hereby ordered, that from and after the twentieth day of March, one thousand eight hundred and eighty-five, the said Acts shall apply in the case of Uruguay, and of the said Treaty with the Oriental Republic of the Uruguay.

Provided always, and it is hereby further ordered that the operation of the said Acts shall be suspended within the Dominion of Canada, so far as relates to the Oriental Republic of the Uruguay and to the said Treaty, and so long as the provisions of the Canadian Acts aforesaid continue in force, and no longer.

In the survey of a township, the deficiency or surplus resulting from convergence of meridians shall be allowed in the range of quarter sections adjoining the west boundary of the township, and the north and south error in closing on the correction lines from the north or south shall be allowed in the ranges of quarter sections adjoining, and north or south respectively of the said correction lines: Provided, that such deficiency or surplus, and such north and south error, or either of them, may, by the Governor in Council, be ordered to be equally distributed among all the quarter sections involved.

Dominion lands, as the surveys thereof are duly made and confirmed, shall, except as otherwise hereinafter provided, be open for homesteading and purchase at such prices and on such terms and conditions as may be fixed from time to time by the Governor in Council; Provided, that no purchase shall be permitted at a less price than two dollars and fifty cents per acre: Provided also, that except in special cases where otherwise ordered by the Governor in Council, no sale to one person shall exceed a section, or six hundred and forty acres;

And provided also, that whenever so ordered by the Minister, such unoccupied lands as may be deemed by him expedient, from time to time, may be withdrawn from ordinary sale and settlement, and sold at public auction to the highest bidder—an upset price being fixed for the same;

(2.) Provided further, that any legal sub-division or other portion of Dominion lands which may be deemed by the Minister of the Interior of special value, may be reserved from ordinary sale and be disposed of in such manner and on such terms and conditions as may be fixed by the Governor in Council, on the report of the Minister of the Interior.

Town Plots, &c.

10. The Minister of the Interior shall have power to withdraw from sale or homestead entry any tract or tracts of lands, and to lay the same out into town or village lots, the lots so laid out to be sold, either by private sale and for such price as he may see fit, or at public auction, an upset price being fixed for the same.

11. The Governor in Council may set apart and appropriate such Dominion lands as he may deem expedient, for the sites of market places, gaols, court houses, places of public worship, burying grounds, schools, benevolent institutions, squares, and for other like public purposes, and at any time before the issue of letters patent therefor may alter or revoke such appropriation, as he deems expedient; and he may make free grants for the purposes aforesaid of the lands so appropriated—the trusts and uses to which they are to be subject being expressed in the letters patent.

12. The provisions of clauses numbered thirteen to twenty-four of these regulations, both inclusive, shall not apply to lands settled upon after the first day of July, one thousand eight hundred and eighty-five.

Homestead Rights.

13. Any person, male or female, who is the sole head of a family, or any male who has attained the age of eighteen years, shall, on making application in the form A in the Schelule to these Regulations, be entitled to obtain homestead entry for any quantity of land not exceeding one quarter section, and being of the class of land open under the provisions of these Regulations, to homestead entry:

(2.) The entry for homestead shall entitle the recipient to take, occupy and cultivate the land entered for, and hold possession of the same to the exclusion of any other person or persons whomsoever, and to bring and maintain actions for trespass committed on the said land: the title to the land shall remain in the Crown until the issue of the patent therefor, and the said land shall not be liable to be taken in execution before the issue of patent:

(3.) The privilege of homestead entry shall only apply to surveyed agricultural lands; no person shall be entitled to such entry for land valuable for its timber, or for hay land, or for land on which there is a stone or marble quarry, or coal or other mineral having commercial value, or whereon there is any water power which may serve to drive machinery, or for land which by reason of its position, such as being the shore of an important harbor, bridge site or canal site, or being either an actual or prospective railway terminus or station, it will be in the public interest to withhold from such entry.

14. Whenever the survey of any township has been finally confirmed and such township opened for homestead entry, any person who has *bonâ fide* settled and made improvements before such confirmed survey on land in such township, shall have a prior right to obtain homestead entry for the land so settled on, provided such right be exercised within three months after the land is opened for settlement; and provided that such land has not been reserved or the right to homestead entry is not excepted under the provisions of these Regulations: no homestead entry shall be granted to any other person in respect of such land until three months after notice in writing shall have been given by the local agent to such *bonâ fide* settler that such land is open for settlement.

15. The person who shall have first *bonâ fide* settled and made improvements on Dominion lands before such confirmed survey as aforesaid, may stake out the land so settled upon in the following manner: It shall be in the form of a square, and its area shall not exceed one hundred and sixty acres. Its boundaries shall be north and south, east and west lines. At each angle a post at least four inches square and standing four feet above the ground, shall be planted and plainly marked with scribing iron or knife to designate the angle of the claim and shall also have in the same manner the name of claiment marked thereon. Between the posts at the angles, if in timber, a line shall be well cut out and marked. He shall also, with his application to the Local Agent accompanied with a fee of ten dollars, furnish an intelligible sketch, showing the nature and shape of the claim, the timber, if any thereon; also all streams, roads, hay lands, water powers, quarries, &c., and if it shall afterwards be found that the applicant has suppressed any information in said sketch, the right of claimant shall be voided in every respect, and after the land shall have been so staked out he shall, in addition to the prior right of obtaining homestead entry granted by the last preceding section, be entitled, if he shall have continuously resided on such land, to bring such actions of trespass and ejectment as he would be entitled to bring were he the owner

in fee of the same land: Provided always, that nothing in these Regulations contained shall give, or be construed to give, any such person any rights whatsoever against the Crown. .

16. To obtain homestead entry it shall be necessary for the person applying therefor to appear and make affidavit before the local agent according to form B, C or D, in the schedule to these Regulations, as the circumstances of the case require. Upon filing such affidavit with the local agent, and on payment to him of an office fee of ten dollars, such person shall receive a receipt from the local agent according to the form F in the schedule to these Regulations; and such receipt shall be a certificate of entry, and shall be authority to the person obtaining it to go into possession of the land described in it;

(2.) Provided, that in the case of intending immigrants or other persons proposing to settle together, the Minister of the Interior or the Land Board, on requisition signed by them, may authorize any person they name to obtain homestead entries for them, before their arrival in the territory in which the land they desire to occupy is situate;

(3.) The person so authorized shall, to obtain such entries, make application in the form G in the schedule to these Regulations, on behalf of each of those whom he represents, and shall make affidavit before the Local Agent according to form H, J, or K, in the schedule to these Regulations, as the circumstances require, and pay for each homestead entry the office fee of ten dollars hereinbefore prescribed for such entry;

(4.) Persons occupying land owned by them may obtain homestead entry for any contiguous land open to the same; but the whole extent of land, including that previously owned and occupied, must not exceed one quarter section;

(5.) A person applying for such entry for contiguous land must, when making the affidavit prescribed for homestead entry, also describe therein the tract he owns and lives upon; and his residence upon and cultivation of the whole shall thereafter be of the kind and for the term required by the provisions of these Regulations, in the case of ordinary homestead entry, before he shall be entitled to patent for the part so entered for: Provided, that such residence and cultivation may be upon and of either the land originally occupied by him or that for which homestead entry has been obtained, or both.

17. In case a dispute arises between persons claiming the right to homestead entry for the same land, the local agent, or any person thereto authorized by the Minister of the Interior, shall make investigation and obtain evidence respecting the facts; and his report thereon, together with the evidence taken, shall be referred to the Minister of the Interior for decision or to the Dominion Lands Board, Commissioner of Dominion Lands, or such person as may be appointed by the Governor in Council to consider and decide in cases of such disputes;

(2.) Provided, that when two or more persons have settled upon and seek to obtain homestead entry for the same land, the one who settled first thereon and has continued to reside upon and cultivate the land for which homestead entry is sought shall be entitled to such entry if the land be of the class open to homestead entry, and if it be not in the opinion of the Minister of the Interior otherwise inexpedient, in the public interest, to entertain any application therefor;

(3.) Provided further, that where contending parties have valuable improvements on the lands in dispute, the Minister of the Interior, if the application to acquire the land by homestead entry is entertained by him, may order a division thereof in such manner as shall preserve to each of them as far as practicable, his improvements; and the Minister may, at his discretion, direct that what the land so allotted to each of them may be deficient of a quarter-section shall be made up from unoccupied land adjoining, if there be any such of the class open to homestead entry.

18. Any person who has obtained a homestead entry shall be allowed a period of six months from its date within which to perfect the entry, by taking, in his own person, possession of the land and beginning continuous residence thereon and cultivation thereof; and if the entry be not perfected within that period, it shall be void, and the land shall be open to entry by another person, or to other disposition under these Regulations, by the Minister of the Interior.

(2.) Provided further, that in the case of immigrants from elsewhere than the North American Continent, the Governor in Council may extend the time for the perfecting of entry, to twelve months from the date thereof.

19. In case a certain number of homestead settlers, embracing not less than twenty families, with a view to greater convenience in the establishment of schools and churches, and to the attainment of social advantages of like character, ask to be allowed to settle together in a hamlet or village, the Minister of the Interior may, in his discretion, vary or dispense with the foregoing requirements as to residence, but not as to the cultivation of each separate quarter-section entered as a homestead.

20. At the expiration of three years from the date of his perfecting his homestead entry, the settler, or in case of his death, his legal representatives, upon proving to the satisfaction of the local agent that he, or they, or some of them, have resided upon and cultivated the land during the said term of three years, shall be entitled to a patent for the land, provided such proof is accepted by the Commissioner of Dominion lands, or the Land Board, and on payment of one dollar per acre for the land: Provided also, that the patent therefor shall not issue to any person not then a subject of Her Majesty by birth or naturalization.

(2.) Provided, that in the case of a settler who may have obtained homestead entry for land occupied by him previous to survey thereof, in manner hereinbefore mentioned, residence upon and cultivation of the land for the three years next preceding the application for patent shall, for the purpose of the issue of patent, be held equivalent to that prescribed in the foregoing clause, if such residence and cultivation be otherwise in conformity with the provisions of these Regulations;

(3.) Any person proving that he has resided on the land for which he has homestead entry for twelve months from the date of his perfecting his entry therefor, and that he has brought under cultivation at least thirty acres thereof, may, before the expiration of the three years defined in sub-clause two of this clause, obtain a patent by paying two dollars and fifty cents per acre for the land;

(4.) In addition to the cases hereinbefore mentioned, any person claiming a patent for homestead shall be entitled thereto on proving that he has erected upon his homestead a habitable house and has *bonâ fide* resided therein for not less than three months next prior to the date of his application for his patent; that for the period between the time within which, by clause eighteen of these Regulations, it is provided that a homesteader shall perfect his entry, and the commencement of his said three months' residence upon his homestead, he has been *bonâ fide* resident within a radius of two miles from his homestead quarter-section; that within the first year after the date of his homestead entry he had broken and prepared for crop not less than ten acres of his homestead quarter section; that within the second year he had cropped the said ten acres and broken and prepared for crop not less than fifteen acres additional—making not less than twenty-five acres; and that within the third year after the date of his homestead entry, he had cropped the said twenty-five acres and broken and prepared for crop not less than fifteen acres additional, making in all not less than twenty-five acres of the said homestead cropped, and fifteen acres additional, thereof broken and prepared for crop, within three years of the date of perfecting his homestead entry; and the residence described in this sub-clause shall be sufficiently fulfilled if the applicant has not been absent from his residence for more than six months in any one year;

(5.) Proof of the residence, erection of a habitable house and cultivation required by this clause, shall be made by the claimant by affidavit and shall be corroborated by the evidence on oath of two disinterested witnesses, resident in the vicinity of the land affected by their evidence, and accepted as sufficient by the Commissioner of Dominion Lands or the Land Board; such affidavit shall be sworn and such testimony given before the Local Agent or some other person named for that purpose by the Minister of the Interior.

21. In case it is proved to the satisfaction of the Minister of the Interior that a settler has not resided upon and cultivated his homestead, except as herein provided, for at least six months in any one year, the right to the land shall be forfeited and the entry therefor shall be cancelled; and the settler so forfeiting his entry shall not be eligible to obtain another entry, except in special cases, in the discretion of the Minister of the Interior:

(2.) Provided that in the case of illness, vouched for by sufficient evidence, or in the cases of immigrants requiring to return to their native land to bring out their families to their homesteads, or in other special cases, the Minister of the Interior may in his discretion, grant an extension of time, during which a settler may be absent from his homestead without prejudice to the right therein; but the time so granted shall not count as residence.

22. A homestead, the entry of which has been cancelled, may, at the discretion of the Minister, be held for sale of the land with the improvements, if any—or of the improvements only in connection with homestead entry thereof—to another person.

23. Any assignment or transfer of homestead right or any part thereof, and any agreement to assign or transfer any homestead right or any part thereof after patent, which shall have been obtained, made or entered into before the issue of the patent, shall be null and void; and the person so assigning or transferring or making an agreement to assign or transfer shall forfeit his homestead right and shall not be permitted to make another homestead entry: Provided, that a person whose homestead may have been recommended for patent by the local agent and who has received from such agent a certificate to that effect in the form L, in the schedule to these Regulations, countersigned by the Commissioner of Dominion Lands, may legally dispose of and convey, assign or transfer his right and title therein.

24. If any person or persons thereunto authorized by the Minister of the Interior, place immigrants as settlers on homestead lands, free from expense to the Government, the Governor in Council may order that the expenses, or any part thereof, incurred by such person or persons for the passage money or subsistence in bringing out an immigrant, or for aid in erecting buildings on his homestead, or in providing horses, cattle, farm implements or seed grain for him, may, if so agreed upon by the parties, be made a charge upon the homestead of such immigrant; and in such case the claim for expenses incurred on behalf of such immigrant, as above, together with interest thereon, must be satisfied before a patent or certificate for patent shall issue for the land: Provided as follows:—

(*a*) That the sum or sums charged for the passage money or subsistence of such immigrant shall not be in excess of the actual cost of the same, as proved to the satisfaction of the Minister of the Interior;

(*b*) That an acknowledgment by such immigrant of the debt so incurred shall have been filed in the office of the Local Agent;

(*c*) That in no case shall the charge against such homestead for principal moneys advanced exceed in amount the sum of five hundred dollars;

(*d*) That no greater rate of interest than six per cent. per annum shall be charged on the debt so incurred by such immigrant;

(2.) If an immigrant to whom an advance has been made, as in this clause provided, and by whom or for whom a homestead entry has been obtained, forfeits such entry under the provisions of these Regulations, the Minister of the Interior may, in his discretion, treat the person by whom such advance was made as if he were the person who had obtained such entry, or his legal representatives, and as if, up to the time of his being so treated, no forfeiture of the entry had taken place; and if, under like circumstances, the immigrant by or for whom a homestead entry has been obtained, has acquired a right to receive a patent for the land forming the subject of such entry after three years' residence, and does not apply for the issue of the same, the person or persons by whom the advance was made may obtain such patent or certificate for patent in the name of the person so entitled to obtain the same, or of his legal representatives, and thereupon the advance made shall be a statutory mortgage on such homestead.

Grazing Lands.

25. The Governor in Council may, from time to time, grant leases of unoccupied Dominion Lands for grazing purposes to any person or persons, for such term of years and at such rent in each case, as may be deemed expedient; and every such lease shall contain a condition by which the Governor in Council may authorize the Minister of the Interior, at any time during the term of the lease, to give the Lessee notice of cancellation thereof; and, at the end of two years from the service of such notice such lease shall cease and determine.

Mining and Mining Lands.

26. Lands containing coal or other minerals whether in surveyed or unsurveyed territory, shall not be subject to the provisions of these Regulations respecting sale or homestead entry, but shall be disposed of in such manner and on such terms and conditions as may from time to time be fixed by the Governor in Council by Regulations to be made in that behalf.

27. It is hereby declared that no grant from the Crown of lands in freehold, or for any less estate has operated or will operate as a conveyance of the minerals therein, unless the same are expressly conveyed in such grant.

Water.

28. Every person lawfully entitled to hold land under these Regulations, and lawfully occupying and *bonâ fide* cultivating lands, may record and divert so much and no more of any unrecorded and unappropriated water of the Dominion from the natural channel of any stream, lake or river of the Dominion passing through such land, for agricultural, mining or other purposes, as may be reasonably necessary for such purposes, upon obtaining the written authority of the Local Agent of the district to that effect, and a record of the same shall be made with him, after due notice as herein mentioned, specifying the name of the applicant, the quantity sought to be diverted, the place of diversion, the object thereof and all other particulars as such Local Agent may require. For every such record the Local Agent shall charge a fee of two dollars: and no such person shall have any exclusive right to the use of such water, whether the same flow naturally or otherwise through or over his land until such record shall have been made and such fee paid.

29. One month previous to such authority as afore said being given, the applicant shall post up in a conspicuous place, on each person's lands to be affected by the proposed diversion of any stream, lake, or river, and on the district court house, notices in writing, stating his intention to apply for authority to take and convey and divert such water (as the case may be) specifying all particulars relating thereto, including direction, quantity, purpose and term.

30. The owner of any water privilege acquired under these Regulations by record shall have no exclusive right to the water privilege so recorded

until he shall have constructed a ditch, flume or other conduit for conveying the water to the place where it is intended to be used; and in case any such conduit shall not be of sufficient capacity to carry the quantity so recorded, then the exclusive right of such owner shall be limited, notwithstanding such record, to the quantity which such conduit may be capable of carrying, until such conduit shall be enlarged so as to be capable of carrying the quantity of water so recorded.

31. Priority of right to any water privilege shall, in case of dispute, depend on priority of record.

32. The right of entry on and through lands acquired by others under these Regulations for carrying water for any lawful purpose upon, over, or under such land, may be claimed and taken by the owner of any such privilege acquired under these Regulations, he (previous to entry) paying or securing payment of compensation as aforesaid for the waste or damage so occasioned to the person whose land may be wasted or damaged by such entry or carrying of water.

33. In case of dispute, such compensation or any other question connected with such water privilege, entry, or carrying, may be ascertained and assessed by the Local Agent of the district, or other person appointed by the Minister of the Interior for that purpose, in a summary manner.

34. Water privileges for mining or other purposes, not otherwise lawfully appropriated, may be claimed, and the said water may be taken upon, under, or over any Dominion lands, or lands the right to which shall be acquired under these Regulations by obtaining a grant or license from the Local Agent of the district; and, previous to taking the same, paying reasonable compensation for waste or damage to the person whose land may be wasted or damaged by such water privilege, or carriage of water, and in the event of dispute as to the amount of compensation, the same may be ascertained as in the last preceding section is mentioned.

35. In either of the cases referred to in the last two preceding sections the Local Agent or person appointed by the Minister of the Interior for that purpose shall have all the powers of a County Court Judge in the Province of British Columbia, in awarding costs, and the certificate of the Agent or other person appointed as aforesaid, of the amount of compensation ascertained and assessed under the last two preceding sections and of costs awarded, shall have the effect of an award and may be made a Rule of the Supreme Court of British Columbia and enforced accordingly.

36. Any owner of any ditch, flume, or other conduit or water privilege acquired by record or otherwise under these Regulations who shall wilfully waste any quantity of water by diverting any more of it from its natural course, through any ditch or otherwise, than the quantity actually required by him for irrigation or any other purpose for which he is entitled to use such water, shall be punished by a fine not exceeding one hundred dollars for each such offense, to be recovered before a Justice of the Peace, Stipendiary Magistrate, Local Agent or other person appointed by the Minister of the Interior for that purpose, in a summary manner, and in default of payment by distress, or by imprisonnement for any period not exceeding six months; and no owner of any first record to any water privilege shall have any right to interfere with or prevent the construction of any dams, breakwaters, or other improvement made or hereafter to be made for the purpose of saving or economizing the water of any creek, lake, or water course of any kind: Provided, that the construction or use of such dam or break-water does not nor will divert such water from its proper channel, at the point or place where such owner takes the water used by him into his ditch or channel: Provided also, that the construction and use of such dam or breakwater shall not injure the source from which such water is taken, or the property of any party or parties, by backing water, flooding, or otherwise: Provided also, that all disputes arising upon any matter or thing in this clause contained, shall be decided in a summary manner before any Justice of the Peace, Stipendiary Magistrate, Local Agent or other person appointed by the Minister of the Interior for that purpose, who shall have full power to make such decision as shall seem to him just and equitable.

37. The proprietors or occupiers of any lands subject to irrigation may, with the consent in writing of the Local Agent or other person appointed by the Minister of the Interior for that purpose, by means of flumes, ditches, drains, or other conduit, through the adjacent Dominion lands or land, the right to which shall be acquired under these Regulations, run their surplus and waste water into any creek, gulch, or channel: Provided further, that when such power is exercised by either of the above officers, any Commissioners or other officers acting under the drainage, dyking and irrigation Acts of British Columbia for the time being in force, shall not be at liberty to interfere with the power so exercised. The provisions of this clause shall, except as to the lands which for the time being shall be Dominion lands, be subject to the provisions of the law for the time being in force respecting compensation for entry upon occupied lands for carrying water through or over then.

38. In measuring water in any ditch or sluice, the following rules shall be observed: The water taken into a ditch or sluice shall be measured at the ditch or sluice head; no water shall be taken into a ditch or sluice except in a trough placed horizontally at the place at which the water enters it; one inch of water shall mean half the quantity that will pass through an orifice two inches high by one wide, with a constant head of seven inches above the upper side of the orifice.

Timber Licenses.

39. The enactments and provisions in the twenty-six next following clauses shall be limited in their effect to the Dominion Lands in the Railway Belt in British Columbia lying west of the one hundred and twentieth degree of longitude, west of Greenwich; and in regard to the timbered lands within the Railway Belt in British Columbia lying east of the said 120th degree of longitude west of Greenwich, the provisions of the Dominion Lands Act, 1883, and the Regulations thereunder made from time to time by the Governor in Council, shall apply.

(*a*) The word "timber" shall mean all wood and the products thereof.

40. It shall be unlawful for any person, without a license in that behalf, to be granted as hereinafter mentioned, to cut, fell, or carry away any trees or timber upon or from any of the Dominion lands, unless such lands are rightfully held by homestead entry under the provisions of these Regulations.

41. Every person who shall violate the provisions of the preceding section shall, for each offence, be liable to a penalty of not less than twenty-five dollars nor more than five hundred dollars, to be recovered in a summary manner, upon the complaint of any person, before any Stipendiary Magistrate, or two Justices of the Peace, and in default of payment by imprisonment not exceeding sixty days.

42. Any person desirous of cutting or felling and carrying away trees or timber from Dominion lands may obtain a license to that effect upon complying with the following provisions:—

(*a*) He shall apply in writing to the Minister of the Interior for a license, and shall also, if the land intended to be covered by such license be not included in any surveyed township, stake out the land sought for by placing at each angle or corner of the land a stake or post at least four inches square and standing not less than four feet above the surface of the

ground; and upon each post he shall inscribe his name, and the angle represented thereby thus:—"A. B.'s N.E. corner" (meaning north-east corner), or as the case may be: except such posts are so planted before the notice referred to in the next succeeding section is given, all the proceedings taken by the applicant shall be void; and with his application he shall forward to the Minister of the Interior a map or sketch of the land so staked out specifying metes and bounds and showing thereon the best information in his power respecting the same, but if the land has already been included in any general survey, then the official number of the section or sections or part thereof applied for shall be given.

(*b*) He shall, after making the application for the license, publish for a period of thirty days in the *British Columbia Gazette* and in any newspaper circulating in the district in which the lands lie, notice of his application for a timber license, and shall in such notice give the best description of the land applied for, specifying metes and bounds and such further particulars, if any, as may be required by the Minister of the Interior.

43. In the event of any adverse claim being filed with the Minister of the Interior, he may hear and decide upon the same.

44. Timber licenses shall be granted for such area and such length of time as may from time to time be determined by the Governor in Council; no person shall be entitled to more than one license at the same time; the licensee shall pay to the Minister of the Interior, for the use of Her Majesty, annually during the currency of the license, the sum of fifty dollars therefor, the first payment to be made upon the granting of the license, and subsequent payments thereafter annually on a day to be named in the license, and in default of payment of any such sum within thirty days after the same should have been paid, the license shall be void.

45. No timber license shall be granted in respect of lands forming the site of any Indian settlement or reserve, and the Minister of the Interior may refuse to grant a license in respect of any particular land, if in his opinion it is deemed expedient in the public interest so to do.

46. The license may be in the form M set forth in the schedule to these Regulations.

47. Every licensee shall keep an account in writing of the number of trees felled by him upon the land embraced within his license, and shall, at the expiration of every three months, during the currency of his license, make and furnish to the Minister of the Interior a statement in writing, verified by declaration to be made before a Justice of the Peace, showing the number of trees so felled, and shall then forthwith pay to the Crown Timber Agent, for the use of Her Majesty, in respect of each tree felled, the sum of thirty cents, except for such trees as are hereinafter excepted.

48. The licensee shall, if required, produce to the Crown Timber Agent the original account of trees and timber cut, felled or removed upon or from the land included within his license.

49. If the licensee shall not keep an account in writing of the number of trees felled under the license, or shall not render to the Crown Timber Agent the statement in writing aforesaid, or shall wilfully make a false statement, he shall be liable to a penalty of two hundred and fifty dollars, to be recovered as aforesaid, and in default of payment, imprisonment not exceeding sixty days, and in case of conviction the license held by him may be cancelled by the Minister of the Interior.

50. The preceding section of these Regulations shall not be construed so as to inflict penalties upon miners, engaged in prospecting or mining, or upon travellers, or upon persons engaged in merely scientific pursuits or exploring, or upon farmers cutting timber for purposes connected with their farms, or upon persons cutting cordwood for fuel for their own use, or for school purposes.

51. In reckoning the number of trees felled, there shall not be included small timber used for skids, levers, rafting stuff, or the like, and no dues shall be payable in respect of such small timber.

52. If any person, without authority or otherwise than is expressly permitted by these Regulations cuts or employs, or induces any other person to cut or assist in cutting any timber on any of the Dominion lands, or removes or carries away any merchantable timber so cut from any Dominion lands, he shall not acquire any right to the timber so cut, or any claim to any remuneration for cutting, preparing the same for market, or conveying the same to or towards market; and any timber so cut may be seized by the Crown Timber Agent, or other officer or agent of the Minister of the Interior, and shall be sold for the benefit of the Crown; and all horses, oxen, mules and live stock, or any or either of them, and the machinery, plant and material found upon any of the Dominion lands whereon timber shall have been cut without lawful authority, shall be liable to forfeiture, and may be seized by the officer aforesaid, and may be sold for the benefit of the Crown.

(*a*) If any timber shall be removed or be caused to be removed by any person from Dominion lands, such person shall, in addition to the loss of his labor and disbursements, forfeit a sum of three dollars for each tree (rafting stuff excepted) which he shall remove or cause to be removed from such land, which sum shall be recovered with costs in the name of the Minister of the Interior, in any court having jurisdiction in civil matters, to the amount of the penalty;

(*b*) In any proceedings under this section, it shall be incumbent upon the party charged to prove his authority to cut.

53. Where timber has been cut without such authority, or permission, as aforesaid, on Dominion lands, and has been made up with other timber into a crib, dam, or raft, or has been in any other manner mixed up with other timber, the whole of the timber so mixed up shall be held to have been cut without authority on public lands, and shall be liable to seizure and forfeiture by the Crown Timber Agent, or other officer or agent of the Minister of the Interior on behalf of the Crown.

54. The officer making the seizure may, in the name of the Crown, call in any assistance necessary for securing and protecting the timber seized.

55. All timber, animals, or things seized under these Regulations shall be deemed to be condemned, unless the person from whom they were seized, or the owner thereof shall, within one month from the day of the seizure, give notice in writing to the nearest Crown Timber Agent, that he claims, or intends to claim the same; failing such notice, the agent aforesaid shall report the circumstances to the Minister of the Interior, who may order the sale of the said timber by the said Agent at such time and in such manner as he may think fit.

56. In all cases where the notice referred to in the last preceding section has been given, any Supreme Court judge may, upon petition in summary way, try and determine such seizures, and may order the delivery of the timber to the alleged owner, upon his giving security, by bond, with two good and sufficient sureties, to pay double the value, in case of condemnation:

(*a*) Such bond shall be taken in the name of the Minister of the Interior to Her Majesty's use, and shall be delivered up to and kept by the said Minister of the Interior:

(*b*) If any timber, animal or thing in respect of which a bond has been given is condemned, the value thereof shall be forthwith paid to the Minister of the Interior and the bond cancelled, otherwise the penalty shall be enforced and recovered.

57. Every person availing himself of any false statement or oath, to evade the payment of any

moneys payable under these Regulations, in respect of timber, shall forfeit the timber in respect of which payment of such moneys is attempted to be evaded.

58. The Minister of the Interior may, from time to time, define timber districts and may appoint a Crown Timber Agent for each district.

59. No logs cut under any license granted under the provisions of these Regulations, shall be sawn or otherwise manufactured into lumber or other material until the logs shall have been scaled and measured by the Crown Timber Agent of the district, and the sums and timber dues prescribed by these Regulations duly paid thereon.

60. All logs shall be scaled and measured by the Crown Timber Agent or person appointed by the Minister of the Interior for that purpose in the district in which such logs have been cut.

61. On the scalement and measurement of saw logs the person making the same, shall make out a bill stating therein the number of logs, the number of feet board measure contained in such logs, and the name of the owner; and the Crown Timber Agent shall enter in the books of his office a copy of such bill; another copy of the bill shall be made out and delivered to the owner or his agent, with a certificate thereto attached, that it is a true and correct bill, which bill so certified, shall, for the purpose of ascertaing the amount of timber dues to be paid in respect of such logs, be presumptive evidence of the facts therein contained and of the correctness of such scalement or measurement.

62. The scale and rule by which the quantity of logs shall be determined is the rule laid down and prescribed in Scribner's Lumber and Log Book, as copyrighted in 1882, by George W. Fisher, of Rochester, New York.

63. There shall be payable and paid by the licensee to the Minister of the Interior, to and for the use of Her Majesty, the sum of seventy-five cents, for each and every one thousand feet of board measure contained in such logs, and until the same shall be paid the logs shall not be removed from the land where they were cut, and a lien for such timber dues shall attach to the logs until the dues are paid, and as soon as the logs are scaled and measured and until payment of the dues, the Crown Timber Agent may take and hold possession of the logs.

64. In scaling or measuring logs such allowance for hollow or crooked, or otherwise defective logs shall be made as would make them equal to good, sound, straight, and merchantable logs.

65. The Minister of the Interior may cancel any timber license granted under the provisions of these Regulations if, in his opinion, the licensee shall not, within the time prescribed by his license, continuously proceed to cut and manufacture the timber within the limits of his license.

Slides, &c.

66. No sale or grant of any Dominion lands shall give or convey any right or title to any slide, dam, pier, or boom, or other work previously constructed on such land, or on any stream passing through or along it, for the purpose of facilitating the descent of timber or saw logs, unless it be expressly mentioned in the letters patent or other documents establishing such sale or grant, that such slide, dam, pier, or boom, or other work, is intended to be thereby sold or granted:

(2.) The free use of slides, dams, piers, booms or other works on streams, to facilitate the descent of lumber and saw logs, and the right of access thereto for the purpose of using the same and keeping them in repair, shall not in any way be interrupted or obstructed by, or in virtue of, any sale or grant of Dominion lands made subsequent to the construction of such works.

67. The free use, for the floating of saw logs or other timber, of all streams and lakes that may be necessary for the descent thereof from Dominion lands, and the right of access to such streams and lakes, and of passing and re-passing on or along the land on either side, and wherever necessary for such use thereof, and over all existing or necessary portage roads past any rapids or falls, or connecting such streams or lakes, and over such roads, as owing to natural obstacles, may be necessary for taking out timber from Dominion lands, and the right of constructing slides where necessary, shall continue uninterrupted, and shall not be affected, or obstructed by, or in virtue of any sale or grant of such lands.

Patents.

68. A Deputy Governor may be appointed by the Governor General, who shall have the power, in the absence of or under instructions of the Governor General, to sign letters patent of Dominion lands; and the signature of such Deputy Governor to such patents, shall have the same force and virtue as if such patents were signed by the Governor General:

(2.) Every patent for land shall be prepared in the Department of the Interior, and shall be signed by the Minister of the Interior or his Deputy, or by some other person thereunto specially authorized by order of the Governor General in Council, and when so signed shall be registered by an officer specially appointed for that purpose by the Registrar General, and then transmitted to the Secretary of State of Canada, by whom or by the Under-Secretary of State the same shall be countersigned, and the great seal of Canada thereto caused to be affixed: Provided, that every patent for land shall be signed by the Governor or Deputy Governor, as hereinbefore provided.

69. Whenever, through error in survey or in the books or plans of a Dominion lands office, any grant of land is found to be deficient, the Minister of the Interior may order a free grant equal in value, at the time such land was granted or sold, to the ascertained deficiency; or he may order the purchase money of so much land as is deficient, with interest thereon at the rate of six per centum per annum, from the time of the purchase thereof, to be paid back to the purchaser; but no claim respecting any such deficiency shall be entertained unless it be made within five years from the date of the patent, nor unless the deficiency is equal to one-tenth of the whole quantity described in the patent as being contained in the lot or parcel of land granted.

70. Whenever a patent has been issued to, or in the name of a wrong party, or contains any clerical error, misnomer or wrong or defective description of the land thereby intended to be granted, or there is in such patent an omission of the conditions of the grant, the Minister of the Interior may (there being no adverse claim) direct the defective patent to be cancelled and a correct one to be issued in its stead which corrected patent shall relate back to the date of the one so cancelled and have the same effect as if issued at the date of such cancelled patent.

71. In all cases in which, through error, grants or letters patent have issued for the same land, inconsistent with each other, and in all cases of sales or appropriations of the same land inconsistent with each other, the Minister of the Interior may order a new grant to the person thereby deprived, of land of value equal to that of the original grant, at the time the same was granted, or may, in case of sale cause repayment to be made of the purchase money with interest, or when the land has passed from the original purchaser, or has been improved before the discovery of the error, or when the original grant was a free grant, the Minister of the Interior may assign land, or grant such amount of scrip for the purchase of Dominion lands as to him may seem just and equitable under the circumstances; but no claim under this clause shall be entertained unless it is preferred within one year after the discovery of the error.

72. In all cases wherein patents, leases or other instruments respecting lands have issued through fraud, or in error or improvidence, any court having competent jurisdiction in cases respecting real property in the Province or place where such lands are situate, may, upon action, bill or plaint respecting such land and upon hearing of the parties interested, or upon default of the said parties, after such notice of proceeding as the said court shall order, decree such patent, lease or other instrument to be void; and upon the registry of such decree in the office of the Registrar General of Canada, such patent, lease or other instrument shall be void.

73. When any settler, purchaser, or other person refuses or neglects to deliver up possession of any land after forfeiture of the same under the provisions of these Regulations, or whenever any person is wrongfully in possession of Dominion land, or refuses to vacate or abandon possession of the same, the Minister of the Interior may apply to a judge of any court having competent jurisdiction in cases respecting real property in the Province or place in which the land is situate, for an order in the form of a writ of ejectment or of *habere facias possessionem*; and the said judge, upon proof to his satisfaction that such land was so forfeited, and should properly revert to the Crown, or is wrongfully in possession of such person, shall grant an order upon the settler or person or persons in possession, to deliver up the same to the Minister of the Interior or to the person by him authorized to receive such possession; and such order shall have the same force as a writ of *habere facias possessionem*, and the sheriff shall execute the same as he would execute the said writ in an action of ejectment or a petitory action.

Assignments.

74. The Minister of the Interior shall cause to be kept in his Department books for registering, at the option of the parties interested, assignments of any right to Dominion lands which is assignable under these Regulations, upon proof to his satisfaction that such assignment is in conformity with these Regulations; and every assignment so registered shall be valid against any other assignment unregistered or subsequently registered; but any assignment to be registered must be unconditional, and all conditions on which the right depends must have been performed or dispensed with by the Minister of the Interior before the assignment is registered.

75. On any application for a patent by the legal representative of a person who died entitled, or who had made entry and but for such death might have become entitled to such patent, the Minister of the Interior may receive proof of the facts in such manner as he may see fit to require, and upon being satisfied that the claim has been justly established, may allow the same and cause a patent to be issued accordingly.

Township Plans and Patent List.

76. The Minister of the Interior shall transmit to the Registrar-General of British Columbia or his proper deputy or deputies, as early as possible in each year, a certified copy of the map of each township in such county, district or division, surveyed in the year next preceding, together with a certified list of the lands in such county, district or division, patented during such year.

(1.) That the importation of any horse into the Province of Manitoba or British Columbia from the United States, or U. S. ATTENDU qu'il a été établi à ma satisfaction que sur les vaisseaux des Etats-Unis entrant dans les ports de la province d'Ontario, dans la Puissance du Canada, ou entrant dans tout port de l'île de Montserrat, dans les Indes Occidentales, ou à Panama ou Aspinwall, Etats-Unis de la Colombie, ou dans les ports de San Juan et de Mayaguez, dans l'île de Porto-Rico, aucun droit n'est imposé par tonne comme taxe de tonnage, ou comme impôt de navigation, et qu'aucune autre taxe équivalente n'est imposée sur les vaisseaux des Etats-Unis aux dits ports par les gouvernements sous le contrôle desquels ils se trouvent placés, et attendu que par les provisions de la section quatorze d'un acte approuvé le 26 juin 1884, " pour soustraire à certaines charges la marine mar- " chande américaine et encourager le commerce de " transport à l'étranger et pour d'autres fins," le Président des Etats Unis est autorisé à suspendre, dans les ports des Etats-Unis, à l'égard des vaisseaux venant de tout port de la Puissance du Canada, de Terre-Neuve, des îles Bahama, des îles Bermudes, des îles des Indes Occidentales, du Mexique et de l'Amérique Centrale jusqu'à Aspinwall et Panama inclusivement, la collection d'une moyenne de trois cents par tonne sur les droits actuellement imposés en autant qu'ils excèdent les droits de tonnage et de navigation, ou les autres taxes équivalentes auxquels les vaisseaux américains sont soumis dans les mêmes ports en pays étranger :

Par conséquent, je, Chester A. Arthur, Président des Etats-Unis d'Amérique, en vertu de l'autorité qui m'est conférée par l'acte et la section ci-dessus mentionnés, déclare par les présentes et proclame qu'à compter du et après le premier mardi de février mil huit cent quatre-vingt-cinq, la collection de tel droit de tonnage de trois cents par tonne soit suspendue à l'égard de tous vaisseaux arrivant dans tout port des Etats-Unis d'un port d'Ontario, dans la Puissance du Canada, ou d'un port de l'Ile Montserrat dans les Indes Occidentales, ou des ports de Panama et Aspinwall, ou des ports de San Juan et Mayaguez, dans les Iles de Porto-Rico.

Pour faire foi de ce que dessus, j'ai signé la présente proclamation et j'ai fait attacher le sceau des Etats-Unis.

Fait en la cité de Washington ce trente-unième jour de JANVIER mil huit cent quatre-vingt-cinq et la cent neuvième année de l'indépendance d'Amérique.

DÉPÊCHES, ETC.

Extrait de la *Gazette* de Londres du mardi, le 10 mars 1885.

—

A la Cour de Windsor, le 5 mars 1885.

PRÉSENTS :

Sa Très Excellente Majesté la REINE.
Le lord Président,
Le lord Garde du Sceau Privé,
Lord Steward,
M. Trevelyan.

ATTENDU qu'en vertu des "Actes d'Extradition, 1870 et 1873," il était stipulé entr'autres choses que, chaque fois qu'un arrangement a été conclu avec un Etat étranger au sujet de la tradition à tel Etat de tous criminels fugitifs, il est loisible à Sa Majesté d'ordonner par ordre en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; qu'il est également loisible à Sa Majesté, dans le même ou dans un ordre subséquent, de restreindre l'opération du dit ordre et de limiter son application aux fugitifs criminels qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans tel ordre et d'en soumettre l'action à telles conditions, exceptions et qualifications qui peuvent être jugées convenables ; que si, par quelque loi adoptée après la passation de l'Acte de 1870 par la législature de toute possession britannique, il est pourvu aux moyens d'exécuter la tradition des criminels fugitifs qui se trouvent ou sont soupçonnés se trouver dans telle possession britannique, Sa Majesté pourra, par un ordre en conseil, appliquer les dits actes à l'égard de tout Etat étranger, ou par tout ordre subséquent suspendre la mise en opération, dans toute telle possession britannique, des dits actes ou de toute partie d'iceux, en autant qu'ils se rapportent à telle puissance étrangère, et aussi longtemps que telles lois continuent à y être en force, mais pas plus longtemps ;

Et attendu que conformément à la section 18 de "l'Acte d'Extradition de 1870" la législature de la Puissance du Canada a, par des lois passées dans les années 1877 et 1882 et appelées respectivement "l'Acte d'Extradition de 1877" et "Un acte pour amender l'Acte d'Extradition de 1877," pourvu à la mise à effet dans la Puissance, la tradition des criminels fugitifs qui se trouvent, ou sont soupçonnés se trouver dans la Puissance ;

Et attendu qu'un traité a été conclu le vingt-sixième jour de mars mil huit cent quatre-vingt-quatre, entre Sa Majesté et la République orientale de l'Uruguay, pour l'Extradition mutuelle des criminels fugitifs, lequel traité est rédigé comme suit :

Sa Majesté la reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, et Son Excellence le Président de la République orientale de l'Uruguay, ayant jugé convenable, en vue de la meilleure administration de la justice et pour la répression du crime, que les personnes accusées ou convaincues coupables des offenses criminelles ci-après mentionnées et cherchant à échapper à la justice, soient, sous certaines circonstances, livrées réciproquement, ont résolu de conclure le présent traité et ont nommé comme leurs plénipotentiaires, les personnes suivantes, savoir :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, l'honorable Edmund John Monson, compagnon du très-honorable ordre du Bain, le ministre résident de Sa Majesté et le consul général de la République orientale de l'Uruguay ; et

Son Excellence le Président de la République orientale de l'Uruguay, Dr. Don Manuel Herrera y Obes, son ministre secrétaire d'Etat pour le département des Affaires Etrangères ;

Lesquels, après s'être fait part réciproquement de leurs pleins pouvoirs, reconnus être en bonne et due forme, ont convenu de ce qui suit :

19. Le commerce des esclaves exercé de manière à se rendre coupable d'offense contre les lois des deux pays. L'extradition aura aussi lieu pour la participation à chacun des crimes mentionnés ci-dessus comme accessoire avant ou après le fait, pourvu que telle participation soit punissable par les lois des deux parties contractantes.

Art. III.—Les provisions du présent traité ne seront pas applicables aux offenses commises avant la date de sa passation.

Art. IV.—Aucune personne arrêtée ne sera détenue ni jugée pour aucun crime ou offense commis dans l'autre pays avant l'extradition, autre que le crime ou l'offense pour lesquels sa tradition a été accordée.

Art. V.—Aucune personne ne sera livrée si l'offense pour laquelle sa tradition est demandée est d'un caractère politique ou si elle prouve à la satisfaction de l'autorité compétente de l'Etat dans lequel elle se trouve que la demande de sa tradition a été faite effectivement dans le but de lui faire un procès ou de la punir pour une offense d'un caractère politique.

Art. VI.—Dans la République orientale de l'Uruguay, les procédures à suivre pour demander et obtenir l'extradition seront comme suit :—

Le représentant diplomatique ou le consul-général de la Grande-Bretagne adressera au ministre secrétaire d'Etat dans le département des Affaires étrangères, avec la demande d'extradition une copie authentique et légalisée de la sentence ou du mandat d'arrestation émané par l'autorité compétente, ou d'autres documents ayant la même force légale contre la personne accusée, relatant clairement le crime ou l'offense, pour lesquels sont pris les procédés contre le fugitif.

Ces documents judiciaires seront accompagnés, si possible, du signalement de la personne réclamée et de toute autre information ou note pouvant servir à identifier telle personne.

Ces documents seront communiqués par le ministre des affaires étrangères au tribunal supérieur de la justice, lequel, à son tour les transmettra au magistrat stipendiaire (Juez Letrado del Crimen). Ce fonctionnaire aura pouvoir, autorité et juridiction, en vertu de la réclamation à lui soumise, d'émaner un ordre formel d'arrestation contre la personne que l'on réclame, de telle sorte qu'elle soit amenée devant lui et que, en sa présence, et après avoir entendu sa défense, les preuves de son crime soient prises en considération ; et, si le résultat de cet examen lui démontre que les dites preuves sont suffisantes pour maintenir l'accusation, il sera obligé d'émaner l'ordre formel de tradition, en donnant avis, par l'intermédiaire du tribunal supérieur de la justice, au ministre des affaires étrangères, qui ordonnera l'adoption des mesures nécessaires pour placer le fugitif à la disposition des agents anglais chargés de le recevoir.

Au cas où les documents fournis par le gouvernement de Sa Majesté britannique pour l'identification de la personne réclamée ou les informations recueillies dans le même but par les autorités de la République orientale de l'Uruguay seront considérés insuffisants, avis du fait sera immédiatement donné au représentant diplomatique ou à l'agent consulaire de la Grande-Bretagne ; la personne sous arrestation demeurant prisonnière jusqu'à ce que le gouvernement britannique ait fourni de nouvelles preuves pour établir l'identité de telles personnes ou ait fait disparaître les difficultés relatives à l'examen de l'affaire et à la décision qui en doit découler.

L'arrestation susdite de la personne contre laquelle on procède pour tout crime ou toute offense spécifiés dans ce traité ne devra pas se prolonger plus de trois mois. A l'expiration de cette période, si le gouvernement qui a fait la réclamation n'a pas rempli les conditions ci-dessus déclarées, le prisonnier sera relâché et ne sera pas susceptible d'être arrêté de nouveau sur le même chef d'accusation.

Art. VII.—Dans les territoires de Sa Majesté britannique, autres que ses colonies ou ses possessions étrangères, la manière de procéder pour demander et obtenir l'extradition sera comme suit :—

(*a*) Dans le cas d'une personne accusée—

La demande de tradition sera faite au principal secrétaire d'Etat de Sa Majesté britannique pour les affaires étrangères par le représentant diplomatique ou le consul général de la République orientale de l'Uruguay. Telle demande sera accompagnée d'un mandat d'arrestation ou d'un autre document judiciaire ayant autorité équivalente, émané par un juge ou un magistrat dûment autorisé à prendre connaissance des actes portés à la charge de l'accusé dans cette République, et des dispositions dûment authentiquées ou déclarations reçues sous serment devant tel juge ou magistrat, énonçant clairement les dits actes et contenant une description de la personne réclamée, ainsi que tous les renseignements qui peuvent servir à l'identifier.

Le dit principal secrétaire d'Etat transmettra tels documents au principal secrétaire d'Etat de Sa Majesté britannique ayant charge du département de l'Intérieur qui signifiera alors, par un ordre de sa main et marqué de son sceau, à un magistrat de police de Londres que telle demande a été faite, lui enjoignant, si cause il y a, d'émaner un mandat pour l'appréhension du fugitif. Sur réception de tel ordre du secrétaire d'Etat et sur production de telle preuve qui, dans l'opinion du magistrat, justifierait l'émanation du mandat, si le crime a été commis dans le Royaume-Uni, il émanera conséquemment tel mandat.

Quand la personne réclamée aura été appréhendée, elle sera amenée devant le magistrat qui a émané le mandat ou quelqu'autre magistrat de police de Londres. Si la preuve qui doit alors être faite est de telle nature qu'elle justifie, selon la loi d'Angleterre, de condamner le prisonnier à subir un procès, si le crime dont on l'accuse a été commis dans le Royaume-Uni, le magistrat de police le condamnera à la prison ponr attendre le mandat du secrétaire d'Etat ordonnant sa tradition, et il enverra immédiatement au secrétaire d'Etat un certificat de la condamnation et un rapport de la cause.

A l'expiration d'une période qui ne devra jamais durer plus de quinze jours après la condamnation, le secrétaire d'Etat ordonnera, par ordre de sa main et sous son sceau de livrer le criminel fugitif à telle personne dûment autorisée à le recevoir de la part de la République orientale de l'Uruguay.

(*b*) Dans le cas d'une personne condamnée—

Le cours des procédures sera le même qu'indiqué plus haut, excepté que le mandat à être transmis par le représentant diplomatique ou le consul-général de République orientale de l'Uruguay à l'appui de sa demande, énoncera clairement le crime ou l'offense dont a été convaincue la personne que l'on réclame, et mentionnera le lieu et la date de sa condamnation.

La preuve à faire devant le magistrat de police sera de nature à prouver, conformément à la loi d'Angleterre, que le prisonnier a été trouvé coupable du crime dont il était accusé.

(*c*) Les personnes condamnées par jugement sur défaut de comparaître ou par arrêt de contumace seront considérées, en cas d'extradition, comme des personnes accusées et en telles qualité seront livrées.

(*d*) Après que le magistrat de police aura condamné la personne accusée ou trouvée coupable à être emprisonnée en attendant l'ordre d'un secrétaire d'Etat pour sa tradition, telle personne aura droit de demander un writ d'*habeas corpus* et si elle fait telle demande, sa tradition sera remise jusqu'à ce que la cour en ait décidé, et même alors, la tradition ne pourra avoir lieu que si la demande est rejetée. Dans le dernier cas, la cour peut de suite ordonner la tradition du prisonnier à la personne autorisée à la recevoir, sans l'ordre du secrétaire d'Etat à cet effet ou elle peut le condamner à la prison en attendant tel ordre.

Art. VIII.—Les mandats, les dépositions ou les déclarations sous serment, émanés ou reçus dans les territoires de l'une ou l'autre des deux hautes parties contractantes et toutes copies d'iceux, les certificats de documents judiciaires constatant le fait de la condamnation ou ces documents eux-mêmes seront

admis comme preuve dans les procédures intentées chez l'autre partie, s'ils paraissent avoir été signés ou certifiés par un juge, magistrat, ou officier du pays où ils ont été émanés et reçus, pourvu que tels mandats, dépositions, déclarations, copies, certificats et documents judiciaires soient authentiqués par le serment de quelque témoin ou par le sceau officiel du ministre de la justice ou de quelqu'autre ministre de l'Etat.

Art. IX.—Un criminel fugitif peut être appréhendé en vertu d'un mandat émané par tout magistrat de police, juge de paix ou autre autorité compétente de l'un ou l'autre pays, sur information ou plainte, preuve, ou après des procédures telles que, dans l'opinion de celui qui émane le mandat, elles justifient l'émission du dit mandat, si le crime a été commis ou la personne condamnée dans la partie des territoires des deux parties contractantes où le magistrat, le juge de paix ou une autre autorité compétente a droit de juridiction: Pourvu, néanmoins, que dans le Royaume-Uni l'accusé soit envoyé, en tel cas, d'une manière aussi expéditive que possible devant le magistrat de police de Londres. Il sera remis en liberté, conformément à cet article, aussi bien dans le Royaume-Uni que dans la République orientale, de l'Uruguay, si dans un délai de trente jours une demande d'extradition n'a pas été faite par l'agent diplomatique ou consulaire de son pays suivant la teneur et les stipulations de ce traité.

La même règle s'appliquera au cas de personnes accusées ou convaincues de tout crime ou de toute offense spécifiés dans ce traité et condamnées sur la haute mer à bord de tout vaisseau de l'un des deux pays qui peut arriver dans un port de l'autre.

Art. X.—Les stipulations du présent traité s'appliqueront aux colonies et aux possessions étrangères de Sa Majesté Britannique.

La demande pour la tradition d'un criminel fugitif qui s'est réfugié dans aucune des dites colonies ou possessions étrangères, sera adressée au Gouverneur ou à l'autorité en chef de telle colonie ou possession par l'officier consulaire en chef de la République orientale de l'Uruguay dans telle colonie ou possession.

Le dit gouverneur ou l'autorité en chef disposera de telle demande en s'assujétissant autant que possible aux provisions de ce traité ; mais, il lui sera loisible d'accorder la tradition ou de référer l'affaire à son gouvernement.

Sa Majesté britannique sera libre, néanmoins, de conclure des arrangements spéciaux dans les colonies britanniques et les possessions étrangères pour la tradition des criminels de l'Uruguay qui pourraient avoir cherché refuge dans ces colonies et possessions étrangères, toujours en se conformant autant que faire se pourra aux provisions du présent traité.

Art. XI.—La demande en extradition ne sera pas poursuivie si l'individu réclamé a déjà subi un procès pour la même offense dans le pays dont on veut l'extrader, ou si, depuis que les actes dont on l'accuse ont été commis, depuis l'accusation ou la condamnation, le droit de le poursuivre en justice et de le punir est devenu prescrit en vertu des lois de ce pays.

Art. XII.—Si l'individu réclamé par l'une des deux hautes parties contractantes sous l'autorité du présent traité, se trouve aussi réclamé par un ou plusieurs autres pouvoirs pour d'autres crimes ou offenses commis dans leurs territoires respectifs, son extradition sera accordée à l'Etat qui l'aura demandée le premier.

Art. XIII.—Si l'individu réclamé est sous accusation ou a été condamné pour un crime ou une offense commis dans le pays où il a cherché refuge, sa tradition sera différée jusqu'à ce qu'il ait été déchargé par le cours régulier de la loi.

Dans le cas où il serait accusé ou détenu dans tel pays pour des obligations contractées envers des particuliers l'extradition n'en aura pas moins lieu.

Art. XIV.—Tout effet trouvé en la possession de l'individu réclamé au temps de son arrestation sera livré, si l'autorité compétente en décide ainsi, en même temps que lui-même lors de l'extradition. Telle délivrance ne sera pas limitée aux biens ou aux effets obtenus par vol ou par banqueroute frauduleuse, mais s'étendra à toute chose pouvant servir comme preuve du crime ou de l'offense, et aura lieu même quand l'extradition, après avoir été accordée, ne peut être accomplie par suite de l'évasion de l'individu réclamé ou de sa mort.

Les droits des tierces-parties dans ces biens ou effets seront cependant sauvegardés.

Art. XV.—Les hautes parties contractantes renoncent à toute réclamation en remboursement des dépenses encourues par elles pour l'arrestation et la garde de la personne dont la tradition est demandée et pour son transport jusqu'à la frontière ; elles conviennent réciproquement de supporter elles-mêmes telles dépenses.

Art. XVI.—Le présent traité sera ratifié et les ratifications s'échangeront Monte Video aussitôt que faire se pourra.

Il viendra en opération dix jours après sa publication, conformément aux lois des pays respectifs, et chacune des parties contractantes pourra en tout temps mettre fin au traité en donnant à l'autre un avis de six mois de l'intention d'agir de la sorte.

Pour faire foi de ce que dessus les plénipotentiaires respectifs ont signé le dit traité et y ont opposé le sceau de leurs armes.

Fait à Monte Video, le vingt-sixième jour de mars dans l'année de Notre-Seigneur mil huit cent quatre-vingt-quatre.

(L.S.) EDMUND MONSON,
(L.S.) MANL. HERRA. Y OBES.

Et attendu que les ratifications du dit traité ont été échangées à Monte Video, le treize décembre mil huit cent quatre-vingt-quatre ;

Sa Majesté ordonne, maintenant, par et de l'avis de son Conseil privé, et en vertu de l'autorité à elle conférée par les actes cités plus haut, et il est ordonné par les présentes qu'à compter du et après le vingt mars mil huit cent quatre-vingt-cinq, les dits actes s'appliqueront à l'égard de l'Uruguay et au sujet du dit traité avec la République orientale de l'Uruguay.

Pourvu toujours et il est de nouveau par les présentes ordonné que l'opération des dits actes sera suspendue dans la Puissance du Canada en autant qu'elle se rapporte à la République orientale de l'Uruguay et au dit traité, et aussi longtemps mais pas plus longtemps que les provisions des actes canadiens demeureront en force comme dit auparavant.

HOTEL DU GOUVERNEMENT, OTTAWA.

Lundi, 20 avril 1885.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNERAL EN CONSEIL.

A LA recommandation de l'honorable ministre de l'Intérieur, suivant le conseil de l'honorable ministre de la Justice, et sous les provisions de la sous-section 4 de la section 14 de l'acte passé durant la session du parlement du Canada tenue en la 47me année du règne de Sa Majesté, formant, le dit acte, le chapitre 6 du statut 47 Victoria, et intitulé : " Un Acte relatif au chemin de fer de l'Ile Vancouver, au bassin de carénage d'Esquimalt et à certaines régions de terre affectées à l'encouragement et la construction de chemins de fer dans la Colombie-Anglaise et concédées pour telles fins à la Puissance,"—

Il a plu à Son Excellence, par et de l'avis du Conseil privé de la Reine pour le Canada, d'ordonner, et il est ordonné par les présentes, que les règlements suivants soient et sont dès maintenant approuvés et adoptés quant à tout ce qui concerne l'arpentage, l'administration et le mode de disposer des terres de la Puissance qui font partie des régions de terrains affectés comme susdit à des fins de chemins de fer dans la Colombie-Britannique.

JOHN J. McGEE,
Greffier du Conseil privé.

RÈGLEMENTS

Quant au mode de disposer des terres de la Puissance qui font partie des régions de terrains affectées à des fins de chemins de fer dans la province de la Colombie-Britannique.

Préliminaire—Interprétation.

1. Ces règlements ne s'appliqueront qu'aux terres publiques de la Puissance renfermées dans le circuit qui est connu comme affecté à des fins de chemins de fer dans la province de la Colombie-Britannique, lesquelles terres seront qualifiées et appelées *Terres de la Puissance* ; et les expressions et termes des dits règlements auront la signification qui leur est assignée ci-après, à moins que telle signification ne répugne au sujet traité ou ne soit incompatible avec le contexte. Ainsi :

(2.) Le terme *Ministre de l'Intérieur* signifie le ministre de l'Intérieur du Canada ;

(3.) Le terme *arpenteur-général* désigne l'officier du département de l'Intérieur qui porte ce titre, ou le clerc-en-chef du même département au temps où il remplit les devoirs de cette charge ;

(4.) Le terme *agent* ou *officier* désigne toute personne ou officier employé à l'administration, la régie, la vente et la cession des terres de la Puissance ; et le terme *agent local* désigne l'agent des terres de la Puissance employé comme susdit en rapport avec les terres en question ; et le terme *bureau des terres* désigne le bureau de tout tel agent ;

(5.) Le terme *arpenteur des terres de la Puissance* désigne un arpenteur duement qualifié, sous les provisions de l'Acte des Terres de la Puissance, 1883, à arpenter les terres de la Puissance ;

(6.) Le terme *agent des bois de la Puissance* désigne l'officier local nommé pour collecter ce qui est dû et pour accomplir tous autres devoirs qui peuvent lui être assignés, quant aux bois et forêts des terres de la Puissance ;

(7.) Le terme *clause* signifie une section de ces règlements portant un numéro spécial ; et le terme *sous-clause* signifie une subdivision de toute clause portant un numéro spécial ou une lettre distinctive, en caractère plus petit ;

(8.) Le terme *Gazette du Canada* désigne la gazette officielle du gouvernement, publiée à Ottawa ;

(9.) Le terme *Gazette de la Colombie-Britannique* désigne la gazette officielle du gouvernement de la Colombie-Britannique, publiée à Victoria.

Département de l'Intérieur.

2. Le département du ministre de l'Intérieur aura charge de l'administration et de la régie des terres de la Puissance ;

(2.) Telle administration et telle régie seront sous le contrôle d'une branche du dit département qui sera connue et désignée comme " le bureau des terres de Puissance."

(3.) Le Gouverneur en conseil peut nommer un officier qui sera appelé " le commissaire des terres de la Puissance " et un autre qui portera le nom " l'inspecteur des agences des terres de la Puissance." Et tels officiers auront respectivement les pouvoirs, pourvu qu'ils ne soient pas incompatibles avec les provisions des présents règlements, et rempliront les devoirs qui leur pourront être conférés et assignés, de temps en temps par ordre du Gouverneur en conseil ; le Gouverneur en conseil peut aussi établir un "bureau des terres de la Puissance " pour examiner et régler toutes questions contestées ne tombant pas dans les attributions du commissaire des terres de la Puissance et de l'inspecteur des agences des terres de la Puissance, et toutes affaires relatives à l'administration du système des terres de la Puissance, dans la province de la Colombie-Britannique ; et tel bureau des terres de la Puissance sera composé de telles personnes, aura tels pouvoirs et telle autorité, pourvu qu'ils ne soient pas incompatibles avec les présents règlements, et remplira tels devoirs qui lui seront prescrits, de temps en temps, par ordre du Gouverneur en conseil ;

(4.) Les copies de tous dossiers, documents, plans, livres, ou papiers appartenant à ou déposés dans le bureau des terres de la Puissance, attestées véritables sous la signature du ministre de l'Intérieur ou de l'arpenteur-général, ou de tout clerc en chef ou officier autorisé à ce faire, et les copies des plans ou documents de tout bureau des terres de la Couronne ou d'arpentage dans la province de la Colombie-Britannique, attestées véritables sous la signature de l'agent ou de l'inspecteur des arpentages ou d'un autre officier en charge de tel bureau, seront une preuve valable dans toutes causes où l'original de tels dossiers, documents, plans, livres ou papiers ferait preuve ; et des copies lithographiées ou autres des cartes ou plans qui seront émises ou publiées par le " Bureau des terres de la Puissance " et qui porteront la signature lithographiée ou écrite du ministre de l'Intérieur ou de l'arpenteur-général, devront être acceptées dans toutes cours et procédures comme une preuve *primâ facie* des originaux et de leur contenu ;

(5.) Aucune personne employée dans le département de l'Intérieur ou sous son contrôle, y compris la branche d'explorations géologiques qui s'y trouve attachée, ne pourra acheter des terres de la Puissance ou autres ni prendre des sûretés sur icelles, à moins d'être autorisée à ce faire par un ordre du Gouverneur en conseil, et elle ne pourra non plus agir comme agent d'aucune autre personne ou de sa part ; toute telle personne employée comme susdit sera également tenue de ne faire connaître à qui que ce soit, si ce n'est à ses supérieurs, toute découverte faite par lui-même ou par un autre officier du département de l'Intérieur, non plus que toute autre information qu'il possèdera relativement aux terres de la Puissance, jusqu'à ce que telles découverte et information aient été transmises au ministre de l'Intérieur et qu'on ait obtenu de lui permission de les publier,

Terres de la Puissance—Townships.

3. Les terres de la Puissance, dans la Colombie-Britannique, seront partagées, en autant qu'il est possible, en townships quadrilatéraux, contenant chacun trente-six sections, égales à un mille carré, en autant et d'une manière aussi approximative que la convergence des méridiens le permet.

(2.) Les sections seront réunies et numérotées comme le fait voir le diagramme suivant :

N.

	31	32	33	34	35	36
	30	29	28	27	26	25
	19	20	21	22	23	24
O.	18	17	16	15	14	13	E.
	7	8	9	10	11	12
	6	5	4	3	2	1

S.

4. Les lignes de réunion des townships du côté est et du côté ouest seront les méridiens ; et celles du nord et du sud seront perpendiculaires aux parallèles de la latitude.

5. Chaque section sera divisée en quarts de sections de cent soixante acres, plus ou moins, conformément aux provisions qui suivent.

6. Dans l'arpentage d'un township, le déficit ou le surplus résultant de la convergence des méridiens sera placé dans la ligne des quarts de section touchant la frontière ouest du township, et l'erreur du nord ou du sud en fermant les lignes de correction dans l'une ou l'autre de ces directions sera portée à la limite des quarts de section attenante au nord ou au sud respectivement des dites lignes de correction : Pourvu que tel déficit ou surplus et telle erreur du nord ou du sud, ou encore les uns ou les autres puissent être répartis également entre tous les quarts de section qui s'en trouvent affectés.

7. Les dimensions et l'étendue des quarts de sections irréguliers seront rendues, dans tous les cas, à leurs bornes et à leur grandeur actuelles par l'arpenteur.

8. Pour rendre plus facile la description de moins d'un quart de section, dans les lettres patentes, chaque section sera censée divisée en quarts de quart de section, soit quarante acres, et telles sub divisions seront numérotées comme indiqué dans le diagramme suivant, qui est destiné à montrer telles subdivisions de sections qui seront appelées des subdivisions légales :

N.

	13	14	15	16	
	12	11	10	9	
O.	5	6	7	8	E.
	4	3	2	1	

S.

(2.) L'étendue de toute subdivision légale, comme indiquée plus haut, sera stipulée sans garantie de plus ou de moins, dans les lettres patentes, et sera, dans chaque cas, représentée par la quantité exacte telle qu'attribuée à telle subdivision dans l'arpentage original.

Vente ordinaire de terres.

9. Les terres de la Puissance, en autant que l'arpentage en est duement fait et confirmé, seront ouvertes, excepté dans les cas où il est autrement ci-après pourvu, pour y établir domicile et pour achat à tels prix, termes et conditions qui pourront être fixés, de temps en temps, par le Gouverneur en conseil ; Pourvu qu'aucun achat ne soit permis pour un prix moindre que deux piastres et cinquante centins l'acre ; Pourvu aussi, que, hors les cas spéciaux où il en est autrement ordonné par le Gouverneur en conseil, aucune vente à une seule personne n'excède une section ou six cent quarante acres ;

Et pourvu encore que, chaque fois qu'il en aura été ainsi ordonné par le ministre, telles terres inoccupées qu'il jugera convenable, de temps en temps, soient soustraites à la vente et à la cession ordinaires et vendues par encan public au plus haut enchérisseur—une mise à enchère étant d'abord fixée dans ce dernier cas ;

(2.) Pourvu en outre que toutessub divisions légales ou autres portions des terres de la Puissance qui seront jugées avoir une valeur spéciale par le ministre de l'Intérieur soient exemptées de la vente ordinaire et soient vendues de telle manière et à tels termes et conditions qui seront fixés par le Gouverneur en conseil, sur rapport du ministre de l'Intérieur.

Terrains de ville, etc.

10. Le ministre de l'Intérieur aura le pouvoir de soustraire à la vente ou à l'occupation de toute étendue ou toutes étendues de terre, et de les partager en lots de ville ou de villages ; les lots ainsi divisés devant être vendus soit par vente privée et pour tel prix jugé raisonnable, ou par encan public, et dans ce dernier cas une mise à enchère sera fixée.

11. Le Gouverneur en conseil peut mettre à part et désigner telles terres de la Puissance qu'il jugera convenable pour servir d'emplacements de marché, de prisons, de palais de justice, de lieux du culte public, de cimetières, d'écoles, d'institutions de bienfaisance, de parcs publics, et pour servir à d'autres fins publiques, et il pourra, en tout temps avant l'émission des lettres patentes à cet égard, changer ou révoquer telles appropriations suivant qu'il le croira bon ; il lui est aussi permis de donner gratuitement pour les fins susdites les terres ainsi appropriées, mais dans ce dernier cas la destination et l'usage qui leur sont assignés devront être spécifiés dans les lettres patentes.

12. Les provisions des clauses qui se trouvent entre la treizième et la vingt-quatrième de ces règlements, ces deux dernières clauses elles-mêmes étant incluses, ne s'appliqueront pas aux terres dont on aura disposé le premier juillet mil huit cent quatre-vingt-cinq.

Droits de homestead.

13. Toute personne, mâle ou femelle, qui est chef de famille, où tout individu du sexe masculin qui est âgé de dix-huit ans auront droit, en faisant application conformément à la formule A de la cédule attachée à ces règlements, d'obtenir un acte de homestead pour toute quantité de terre n'excédant pas un quart de section et se trouvant dans la catégorie des terres ouvertes à tels actes en vertu des provisions de ces règlements.

(2.) L'acte de homestead donnera droit au porteur de prendre, d'occuper et de cultiver la terre pour laquelle il aura été obtenu, et d'en garder la possession à l'exclusion de toutes autres personnes, et d'intenter et maintenir toute action pour entrée illégale sur la dite terre. Le titre de la terre restera aux mains de la Couronne jusqu'à l'émanation de la patente y relative, et la dite terre ne pourra pas être vendue par autorité de justice avant telle émission.

(3.) Le privilège de l'acte de homestead ne s'appliquera qu'aux terres arpentées et agricoles et personne n'aura droit à tel acte quant aux terres qui tirent leur valeur de leurs bois, du foin qu'elles poussent, ou quant à celles sur lesquelles se trouve une carrière de pierre, ou de marbre ou de charbon, ou encore d'autres minéraux ayant une valeur commerciale, ou sur lesquelles se trouve tout pouvoir d'eau susceptible de faire marcher des machines, ou quant aux terres qu'il serait de l'intérêt public de soustraire à tel acte, à raison de leur situation, si elles forment, par exemple, le rivage d'un port important, si elles occupent l'emplacement d'un pont ou d'un canal, ou si elles sont actuellement ou destinées à devenir terminus ou stations de chemins de fer.

14. Du moment que l'arpentage de tout township aura été finalement confirmé et que tel township se trouvera ouvert aux actes de homestead, toute personne qui s'est établie et qui de bonne foi a fait des améliorations sur un terrain, avant que l'arpentage des terres du dit township ne fût confirmé, aura un droit de priorité pour obtenir un acte de Homestead quant au terrain sur lequel elle s'est fixée, pourvu que tel droit soit exercé dans les trois mois après que les terres auront été ouvertes à l'établissement des colons ; et pourvu que tel terrain n'ait pas été réservé ou ne se trouve pas soustrait aux droits de l'acte en question, sous les provisions de ces règlements. Aucun acte de homestead ne sera accordé à aucune autre personne relativement à tel terrain, avant l'expiration d'un délai de trois mois à compter d'un avis par écrit qui sera adressé par l'agent local au colon de bonne foi, l'avertissant que le terrain en question est ouvert à l'occupation.

15. La personne, qui la première se sera établie et aura fait de bonne foi des améliorations comme susdit sur les terres de la Puissance avant que l'arpentage en ait été confirmé, peut indiquer la terre qu'elle a ainsi accaparée de la manière suivante: Elle devra former un carré et son étendue n'excèdera pas cent soixante acres. Ses frontières seront des lignes nord et sud, est et ouest. A chaque angle, un poteau d'au moins quatre pouces carrés et dépassant le sol de quatre pieds sera planté et marqué au moyen d'un crayon ou d'un couteau comme désignant l'angle du terrain réclamé et portera aussi le nom du réclamant marqué de la même manière. Entre les poteaux des angles, si le terrain est boisé, une ligne sera ouverte et indiquée. Il fournira aussi à l'agent local, avec son application accompagnée d'une somme de dix piastres, un plan intelligible indiquant la nature et la disposition du terrain réclamé, le bois, s'il s'en trouve, aussi tous les cours d'eau, les chemins, les prairies, les pouvoirs d'eau, les carrières, etc.; et, si l'on découvre dans la suite que le réclamant a caché quelqu'information dans son dit plan, ses droits se trouveront complètement annulés. Après que sa terre aura été délimitée comme susdit, le colon pourra, en sus du droit de priorité pour obtenir l'acte de homestead que lui accorde la dernière section, être admis à intenter telles actions pour entrées illégales sur son terrain et pour expulsion d'icelui: lesquelles actions qui lui seraient permises s'il était le propriétaire réel du fonds en question : Pourvu toujours que rien de ce qui est contenu dans ces règlements ne confère ou ne soit arrangé pour conférer à quelqu'un aucun droit quelconque contre la Couronne.

16. Pour obtenir un acte de homestead, il sera nécessaire que celui qui le demande fasse acte de présence et donne un affidavit devant l'agent local conformément à la formule B, C ou D de la cédule jointe à ces règlements. En filant tel affidavit aux mains de l'agent local, et en lui payant dix piastres comme honoraire d'office, l'appliquant recevra de l'agent local un reçu conforme à la formule F de la cédule de ces règlements, et tel reçu sera un certificat de l'acte de homestead, et autorisera son porteur à aller prendre possession du terrain y décrit ;

(2.) Pourvu que, au cas où il s'agirait d'immigrants ou d'autres personnes qui se proposent de s'établir ensemble, le ministre de l'Intérieur ou le bureau des terres puisse autoriser toute personne qui lui sera indiquée à obtenir des actes de homestead en leur nom, avant leur arrivée dans le territoire où se trouvent les terres qu'ils désirent occuper ;

(3.) La personne autorisée comme susdit fera application, pour obtenir tels actes en la forme G de la cédule de ces règlements, de la part de chacun de ceux qu'elle représente, et donnera un affidavit devant l'agent local conformément à la formule H, J, ou K, de la cédule de ces règlements, suivant que les circonstances le requerront; elle paiera aussi pour chaque acte sollicité l'honoraire d'office, dix piastres, tel que prescrit ci-dessus ;

(4.) Les personnes qui occupent un terrain pour l'avoir acheté peuvent obtenir des actes de homestead au sujet de tout autre terrain contigu ; mais, toute l'étendue de ces dits terrains réunis, y inclus celui primitivement acheté, ne doit pas excéder le quart d'une section ;

(5.) Toute personne faisant application pour obtenir un acte de homestead quant à un terrain contigu doit, en donnant son affidavit tel que prescrit pour l'obtention de tel acte, décrire aussi le terrain qu'elle possède déjà et où elle réside ; et sa résidence sur, ainsi que la culture de tout son terrain seront pour l'avenir réglées par les provisions de ces règlements relatives à un premier acte de homestead, avant qu'elle n'ait de droit à une patente pour la portion de terre ainsi tenue : Pourvu que telle résidence et telle culture se trouvent sur et au bénéfice de la première terre acquise ou de celle pour laquelle a été obtenu un acte de homestead, ou des deux en même temps.

17. Au cas où s'élève un différend entre personnes réclamant un acte de homestead pour un même terrain, l'agent local ou toute personne à ce autorisée par le ministre de l'Intérieur fera une enquête et obtiendra des preuves quant aux faits ; et son rapport à ce sujet ainsi que la preuve faite seront soumis pour décision au ministre de l'Intérieur ou au bureau des terres de la Puissance, au commissaire des terres de la Puissance, ou à telles personnes qui peuvent être nommées par le Gouverneur en conseil pour examiner et juger dans le cas de tels différends ;

(2.) Pourvu que, quand deux personnes ou plus ont fait des demandes et tente d'obtenir un acte de homestead pour un même terrain, celle qui s'est établie la première sur le dit terrain, qui a continué à y résider et à le cultiver ait droit à tel acte si le terrain réclamé est de la classe sujette aux actes de homestead ; et s'il n'est pas contraire à l'intérêt public, dans l'opinion du ministre de l'Intérieur, d'accorder une application au sujet de tel terrain ;

(3.) Pourvu en outre que dans le cas où les parties en litige ont fait des améliorations considérables sur le terrain disputé, le ministre de l'Intérieur, s'il accorde l'application qui lui est soumise pour l'obtention d'un acte de homestead, puisse ordonner une division du dit terrain de manière à accorder autant que possible à chacun la part d'améliorations à laquelle il a droit; et le ministre pourra aussi, à sa discrétion, décider que le déficit qui pourrait se trouver dans les parts faites à l'un et l'autre des réclamants soit comblé à même les terres vacantes contiguës s'il s'en trouve de la classe qui sont sujettes aux actes de homestead.

18. Toute personne qui a obtenu un acte de homestead aura un délai de six mois pour mettre tel acte en force en prenant personnellement possession de sa terre, et en commençant à y résider permanemment et à la culture ; et si l'entrée en possession n'a pas lieu dans ce délai, l'acte sera nul, et le terrain pourra être acquis par une autre personne ou il en peut être disposé autrement sous l'autorité de ces règlements par le ministre de l'Intérieur ;

(2) Pourvu encore qu'en faveur d'immigrants d'ailleurs que du continent de l'Amérique du Nord, le Gouverneur en conseil puisse étendre le délai de l'accomplissement de l'acte à douze mois de sa date.

19. Dans le cas où un certain nombre de colons de homestead, comprenant au moins vingt familles et ayant l'intention d'agrandir leur nombre par l'établissement d'écoles et d'églises, et d'obtenir d'autres avantages sociaux du même caractère, demandent qu'on leur permette de s'établir ensemble dans un hameau ou village, le ministre de l'Intérieur peut, à sa discrétion, modifier ou éliminer complètement les exigences quant à la résidence, mais non pas quant à la culture de chaque quart de section distinct entré comme homestead.

20. A l'expiration de trois ans de la date où il a mis en force son acte de homestead, le colon, ou en cas de sa mort, ses représentants légaux, en prouvant à la satisfaction de l'agent local qu'il, eux ou quelques-uns d'entre eux ont résidé sur la terre et l'ont cultivée durant le dit terme de trois ans, auront droit d'obtenir une patente pour la dite terre, à condition

que la preuve faite soit acceptée par le Commissaire des Terres de la Couronne ou le Bureau des Terres, et sur paiement d'une piastre par acre : pourvu aussi que telle patente ne soit pas émise en faveur d'une personne qui n'est pas par naissance ou naturalisation sujet de Sa Majesté au temps de telle émission.

(2.) Pourvu que, dans le cas où un colon aurait obtenu un acte de homestead pour une terre occupée par lui avant qu'elle ne fût arpentée, de la manière déjà mentionnée, le fait d'avoir résidé sur la dite terre et de l'avoir cultivée durant les trois ans qui précèdent l'application pour une patente soit considéré équivalent à ce qui est prescrit dans la clause précédente, si le fait de telle résidence et de telle culture est autrement conforme à ces règlements ;

(3) Toute personne qui prouvera qu'elle a résidé sur la terre pour laquelle elle possède un acte de homestead, durant douze mois à compter de la date de sa prise de possession, et qu'elle a mis en culture au moins trente acres de cette terre, pourra, avant l'expiration des trois années stipulées dans la sous-clause deux de cette clause, obtenir une patente, en payant deux piastres et cinquante centins par acre de terre ;

(4) En outre des cas ci-dessus mentionnés, toute personne réclamant une patente pour homestead y aura droit, en prouvant qu'elle a érigé sur son homestead une maison habitable, et qu'elle y a de bonne foi résidé pendant pas moins des trois mois qui ont précédé la date de son application pour sa patente ; que durant la période écoulée entre le temps pendant lequel, par la clause dix-huit de ces règlements, il est ordonné qu'un propriétaire de homestead devra s'emparer de sa terre, et le commencement de sa résidence de trois mois sur son homestead, il a *bonâ fide* résidé dans un rayon de deux milles du quart de section de son homestead ; que durant la première année de sa prise de possession de sa terre, il a cassé et préparé pour les ensemencer pas moins de dix acres du quart de section de son homestead ; que durant la seconde année il a ensemencé les dits dix acres et en a brisé et préparé pour les ensemencer pas moins de quinze acres additionnels—formant en tout pas moins de vingt-cinq acres ; et que durant la troisième année après la date de la mise en force de son acte de homestead, il a ensemencé les dits vingt-cinq acres et a brisé et préparé pour être ensemencés pas moins de quinze acres additionnels, faisant en tout pas moins de vingt-cinq acres ensemencés et quinze prêts à l'être, durant les trois ans à compter de la date à laquelle il a mis son acte de homestead en vigueur ; et la résidence indiquée dans cette sous-clause sera suffisamment prouvée si l'applicant n'a pas été absent plus de six mois chaque année.

(5.) La preuve de la résidence, de la construction d'une maison habitable et de la culture requises par cette clause se fera par l'affidavit du réclamant, sera corroborée par la déposition sous serment de deux témoins désintéressés, résidant dans le voisinage de la terre que leur témoignage concerne et acceptée comme suffisante par le commissaire des terres de la Puissance ou le bureau des terres ; tel affidavit sera assermenté et les témoignages rendus devant l'agent local ou quelqu'autre personne nommée à ces fins par le ministre de l'Intérieur.

21. Dans le cas où il est établi à la satisfaction du ministre de l'Intérieur qu'un colon n'a pas résidé sur son homestead et ne l'a pas cultivé, excepté comme il est pourvu ici, durant au moins six mois chaque année, son droit sera forfait et l'acte y relatif sera cancelé ; et le colon ayant ainsi forfait à son acte ne sera pas admis à en obtenir un nouveau si ce n'est dans certains cas spéciaux, à la discrétion du ministre de l'Intérieur ;

(2.) Pourvu que dans dans le cas de maladie, établi par une preuve suffisante, ou dans le cas d'immigrants qui sont obligés de retourner dans leur pays pour ramener leurs familles à leurs homesteads ou dans d'autres cas spéciaux, le ministre de l'Intérieur, puisse, à sa discrétion, accorder une extension du temps durant lequel un colon peut s'absenter de son homestead sans préjudice à ses droits ; mais le temps ainsi accordé ne comptera pas comme résidence.

22. Un homestead dont le titre a été cancelé peut, à la discrétion du ministre de l'Intérieur, être vendu à une autre personne, soit quant au terrain et aux améliorations, s'il en existe, soit quant aux améliorations seulement si le terrain est déjà occupé comme homestead.

23. Toute hypothèque ou tout transport d'un droit de homestead ou de partie d'icelui, et tout arrangement pour hypothéquer ou transporter un droit de homestead ou partie d'icelui après qu'une patente aura été obtenue, seront nuls et sans effet s'ils ont été conclus, faits et entrés avant l'émission de la patente ; et la personne hypothéquant ainsi ou transférant ou faisant des arrangements pour hypothéquer ou transférer son droit de homestead en sera forfaite et n'aura pas l'avantage de prendre un autre titre de homestead ; pourvu qu'une personne dont la patente aura été recommandée par l'agent local et qui aura reçu de tel agent un certificat à cet effet, conforme à la formule L de la cédule jointe à ces règlements et contresigné par le Commissaire des Terres de la Puissance, puisse légalement vendre, céder, hypothéquer, transférer son droit et son titre.

24. Si une ou plusieurs personnes, à ce autorisées par le ministre de l'Intérieur, placent des immigrants comme colons sur des terres à leurs propres frais, le Gouverneur en conseil peut ordonner que les dépenses encourues par cette ou ces personnes soit pour payer le passage des immigrants en les emmenant au pays ou pour leur subsistance ou pour les aider à construire une maison sur leur homestead ou pour leur fournir des chevaux, des bestiaux, des instruments de ferme ou du grain de semence, de viennent, si les parties y consentent, une charge sur le homestead de tel immigrant ; et, dans tel cas la réclamation pour dépenses encourues pour le bénéfice de tels immigrants, comme dit plus haut, avec aussi l'intérêt sur icelle doit être payée avant qu'une patente ou un certificat pour patente soit émané en faveur du terrain ainsi affecté ; Pourvu :—

(*a*) Que la somme ou les sommes chargées pour le prix de passage ou la subsistance de tel immigrant n'excèdent pas le coût actuel des mêmes choses, le tout établi à la satisfaction du ministre de l'Intérieur ;

(*b*) Qu'une reconnaissance par tel immigrant de la dette ainsi encourue ait été produite au bureau de l'agent local ;

(*c*) Que dans aucun cas la charge contre tel homestead pour argent avancé n'excède la somme de cinq cents piastres ;

(*d*) Qu'aucun taux d'intérêt plus élevé que 6 pour cent ne soit chargé sur la dette ainsi encourue par l'immigrant.

(2) Si un immigrant à qui une avance a été faite, comme il est dit dans cette clause et par qui ou pour qui un titre de homestead a été obtenu, forfait à ce titre en vertu des provisions de ces règlements, le ministre de l'Intérieur pourra, à sa discrétion, traiter la personne par qui telle avance a été faite ou ses représentants légaux comme s'ils avaient obtenu eux-mêmes tel titre, et comme si, jusqu'au temps de tel traitement, aucune forfaiture du titre en question n'était encore survenu ; et si, sous de semblables circonstances, l'émigrant qui a obtenu ou pour qui on a obtenu un titre de homestead a acquis le droit de recevoir une patente pour le terrain objet de tel titre après trois années de résidence, et ne fait pas application pour l'émanation de telle patente, la personne ou les personnes qui ont fait l'avance peuvent obtenir telle patente ou tel certificat pour patente au nom de la personne y ayant droit ou au nom de ses représentants légaux, et dès lors l'avance faite sera une hypothèque statutaire sur tel homestead.

Terres à pâturages.

25. Le Gouverneur en conseil peut, de temps en temps, louer des terres inoccupées de la Puissance pour des fins de pâturages à toute personne ou personnes, pour tel nombre d'années, à tel prix qu'il sera jugé convenable dans chaque cas ; et tout tel bail contiendra une condition par laquelle le Gouverneur en conseil puisse autoriser le ministre de

l'Intérieur, en tout temps durant la durée du bail, à donner au locataire avis de la cancellation du dit bail; et, à la fin des deux ans qui suivront la signification de tel avis le bail cessera d'exister.

Terrains miniers.

26. Les terres qui contiennent du charbon ou d'autres minéraux, soit dans les territoires arpentés ou dans ceux qui ne le sont pas, ne seront pas soumises à ces règlements relativement à la vente ou au titre de homestead, mais elles seront concédées de telle manière, à tels termes et conditions qui pourront être fixés de temps en temps, par le Gouverneur en conseil dans les règlements à être faits à cet égard.

27. Il est par le présent déclaré que toutes cessions de terres gratuites ou rémunérées par la couronne n'aura pas pour effet de transporter aux cessionnaires les minéraux qui peuvent se trouver dans telles terres, à moins que telle condition ne se trouve formellement exprimée.

Eau.

28. Toute personne légalement autorisée à posséder des terres sous ces règlements, les occupant et les cultivant légalement et *bonâ fide*, peut détourner et retenir autant et pas plus d'eau coulant librement dans tout ruisseau, tout lac ou toute rivière de la Puissance qui traverse telles terres, qu'il n'est raisonnablement nécessaire pour des fins agricoles, minières ou autres, en obtenant une autorisation écrite d'en agir ainsi de la part de l'agent local du district, et un mémoire de ce procédé sera dressé avec lui, après avis dûment donné, comme il est ici stipulé, spécifiant le nom de l'applicant, la quantité d'eau qu'il veut détourner, l'endroit où aura lieu ce détournement, les fins pour lesquelles cette eau va être détournée, et toutes autres particularités que pourra exiger l'agent local. Pour chaque tel mémoire l'agent local touchera un honoraire de deux piastres; et aucune telle personne n'aura un droit exclusif à l'usage de telle eau jusqu'à ce que tel mémoire ait été fait et tel honoraire payé.

29. Un mois avant d'obtenir l'autorisation susdite, l'appliquant affichera dans un endroit apparent, sur le terrain de chaque personne qu'affecte ce détournement de tout ruisseau, lac ou rivière, et dans le palais de justice du district, des avis écrits annonçant l'intention où il est de demander une autorisation pour prendre, rassembler et détourner telle eau (suivant le cas) spécifiant toutes particularités y relative, déclarant la direction, la quantité, les fins et les termes.

30. Le propriétaire de tout privilège d'eau acquis par contrat sous les présents règlements n'aura aucun droit exclusif sur l'eau soumise à son privilège jusqu'à ce qu'il ait fait construire une digue, un canal d'écluse ou un autre conduit pour mener l'eau où il veut l'utiliser; et dans le cas où tel conduit ne serait pas d'une capacité suffisante, pour charroyer la quantité d'eau stipulée, alors le droit exclusif de tel propriétaire sera limité, indépendamment du contrat, à la quantité que tel conduit est capable de contenir jusqu'à ce qu'il l'ait fait agrandir de manière à ce qu'il reçoive toute la quantité voulue.

31. La priorité de droit quant à ce qui regarde tout privilège d'eau dépendra, en cas de différend, de la priorité du contrat.

32. Le droit d'entrer sur et à travers les terres acquises par d'autres, en vertu de ces règlements, dans le but d'y faire passer l'eau pour fins légales, peut être réclamé et exercé par le propriétaire de tout privilège sous l'autorité de ces règlements, en payant ou assurant le paiement de compensations pour les troubles ou les dommages ainsi occasionnés à la personne dont le terrain aura été troublé ou endommagé par telle entrée ou telle conduite d'eau.

33. Dans le cas de différend, telles compensations ou toutes autres questions se reliant à tel privilège d'eau, l'entrée ou la conduite de l'eau, peuvent être examinées et jugées d'une manière sommaire par l'agent local du district ou par une autre personne nommée par le ministre de l'Intérieur pour cette fin.

34. Les privilèges d'eau pour des fins minières ou autres, qui ne sont pas autrement accordés d'une manière légale, peuvent être réclamés et la dite eau peut être amenée sur, sous ou à travers toutes terres de la Puissance ou terres sur lesquelles tel droit est conféré en vertu de ces règlements, en obtenant une permission ou une licence de l'agent local du district; et avant d'user de ce droit en payant une compensation raisonnable pour troubles ou dommage à la personne dont la terre est troublée ou endommagée par tel privilège d'eau, et au cas de désaccord quant au montant de la compensation, il sera fixé tel que stipulé dans la dernière section.

35. Dans l'un et l'autre des cas auquel les deux dernières sections réfèrent, l'agent local ou une personne nommée par le ministre de l'Intérieur pour cette fin, aura tous les pouvoirs d'un juge de la cour de comté dans la province de la Colombie-Britannique, adjugeant même sur les frais; et le certificat de l'agent ou d'une autre personne nommée comme susdit quant au mandat de la compensation évaluée et fixée en vertu des deux sections précédentes et des frais adjugés, aura l'effet d'un jugement et pourra devenir une ordonnance de la cour suprême de la Colombie-Britannique, et en avoir l'autorité.

36. Tout propriétaire de toute digue, écluse, ou autre conduit, ou privilège d'eau acquis par contrat ou autrement, sous l'autorité de ces règlements, qui, volontairement, gaspillera toute quantité d'eau, en en détournant de son cours naturel, par le moyen de sa digue ou autrement, plus qu'il n'est besoin pour l'irrigation de sa propriété ou toute autre fin, sera condamné à une amende n'excédant pas cent piastres pour chaque offense; laquelle amende sera recouvrée, d'une manière sommaire, devant un juge de paix, un magistrat stipendiaire, l'agent local ou une autre personne nommée par le ministre de l'Intérieur à cette fin, et à défaut de paiement, il y aura saisie ou emprisonnement pour une période de pas plus de six mois; et aucun propriétaire de privilège d'eau n'aura droit de nuire ou d'empêcher la construction de toutes dammes, brise-lames ou autres améliorations, ayant pour but de ménager et économiser l'eau de tout bassin, lac ou cours d'eau de quelque genre que ce soit; pourvu que la construction ou l'usage de telles dammes ou brise-lames, ne détourne pas telle eau de son canal propre, à l'endroit ou la place où tel propriétaire prend l'eau dont il se sert dans sa digue ou son canal: Pourvu aussi que la construction et l'usage de telle damme ou brise-lames ne cause pas de dommages à la source où telle eau est prise ou à la propriété de toute partie ou parties, en refoulant l'eau, causant des inondations ou autrement: Pourvu aussi que tous différends s'élevant au sujet de toutes matières ou choses relativement à cette clause, seront décidés d'une manière sommaire, devant tout juge de paix, magistrat stipendiaire, agent local ou autre personne nommée par le ministre de l'Intérieur pour ces fins, qui aura plein pouvoir de rendre telle décision qui lui paraîtra juste et équitable.

37. Les propriétaires ou occupants de toutes terres sujettes à l'irrigation peuvent, avec le consentement écrit de l'agent local ou d'une autre personne nommée par le ministre de l'Intérieur à cette fin, au moyen de canaux, de digues, de drainages, ou d'autres conduits, faire écouler à travers les terres de la Puissance ou tout terrain au sujet duquel tel droit existe en vertu de ces règlements le surplus de leur eau dans toute baie, golfe ou canal: Pourvu que, quand tel pouvoir est exercé par l'un ou l'autre des officiers ci-dessus, tous commissaires ou autres officiers agissant en vertu des Actes de la Colombie-Britannique, en force, relatifs au drainage, à l'endiguement et à l'irrigation ne soient pas libres d'entraver le pouvoir ainsi exercé. Les provisions de cette clause seront sujettes, excepté quant aux terres qui seront alors terres de la Puissance, aux provisions de loi en force relativement à la compensa-

tion pour entrée sur les terres occupées dans le but de conduire l'eau à travers ces terres.

38. Pour la mesure de l'eau dans toute digue ou écluse on observera les règles suivantes : L'eau prise dans toute digue ou écluse sera mesurée à la tête de la digue ou de l'écluse ; on ne prendra pas d'eau dans une digue ou écluse si ce n'est à un endroit parfaitement horizontal avec celui où l'eau s'y introduit ; un pouce d'eau désignera la moitié de la quantité qui peut passer par un orifice de deux pouces de hauteur par un de largeur, avec une tête d'eau constante de sept pouces au-dessus de la partie supérieure de l'orifice.

Licences de bois.

39. Les décrets et provisions contenus dans les vingt-six clauses suivantes seront limités dans leur application aux terres de la Puissance qui se trouvent dans le réseau des terres affectées aux chemins de fer dans la Colombie-Britannique et situées à l'ouest de Greenwich ; et quant à ce qui concerne celles de ces terres qui sont boisées, situées à l'est du dit 120ème degré de longitude à l'ouest de Greenwich, les provisions de l'Acte des terres de la Puissance, 1883, et les règlements faits de temps en temps par le Gouverneur en conseil s'y appliqueront.

(*a*) Le mot " bois " désignera toute espèce de bois et les produits qu'on en tire.

40. Il sera illégal à toute personne, sans être munie d'une licence à cet égard, qui sera accordée comme ci-après stipulé, de couper, d'abattre ou de charroyer tous arbres ou bois sur ou de toutes terres de la Puissance ; à moins que telles terres ne soient régulièrement possédées par titre de homestead, sous les provisions de ces règlements.

41. Toute personne qui violera les provisions de la section précédente sera susceptible, pour chaque offense, d'une amende n'étant pas moindre que vingt-cinq piastres et n'excédant pas cinq cents piastres ; laquelle amende sera recouvrable d'une manière sommaire, sur dénonciation de toute personne, devant un magistrat stipendiaire, ou deux juges de paix, et à défaut du paiement, il y aura emprisonnement pour pas plus de soixante jours.

42. Toute personne voulant couper ou abattre et charroyer des arbres ou du bois des terres de la Puissance, peut obtenir une licence à cet effet en se conformant aux provisions suivantes :

(*a*) Elle devra demander par écrit telle licence au ministre de l'Intérieur, et devra aussi, si le terrain que sa licence embrasse ne se trouve pas renfermé dans un township arpenté, jalonner tel terrain en plaçant à chaque angle ou coin un jalon ou un poteau d'au moins quatre pouces carrés et ne dépassant pas le sol de plus de quatre pieds ; et, sur chaque poteau, elle devra inscrire son nom et l'angle représenté de la manière suivante : " A. B's, N. E. coin " (signifiant coin nord-est,) ou suivant que les circonstances et la disposition des lieux l'exigeront ; si tels poteaux sont plantés avant que l'avis exigé dans la sous-section suivante ait été donné, tous les procédés de l'appliquant seront nuls ; avec son application, il devra envoyer au ministre de l'Intérieur, une carte ou un plan du terrain ainsi jalonné, spécifiant l'étendue et les limites et donnant les meilleures informations possibles relativement au dit terrain ; mais, si le terrain a déjà été arpenté, alors le numéro officiel de la section ou des sections ou de partie d'icelles que l'on mentionne sera seulement envoyé.

(*b*) Après avoir fait application pour une licence l'appliquant publiera, durant trente jours, dans la *Gazette de la Colombie-Britannique* et dans tout autre journal ayant de la circulation dans le district où se trouvent situées les terres en question, avis de son application pour une licence de bois et donnera dans tel avis la meilleure description possible du terrain dont il sollicite l'usage, spécifiant l'étendue et les limites et toutes autres particularités, s'il y en a, qui peuvent être exigées par le ministre de l'Intérieur.

43. Si aucune réclamation adverse est filée entre les mains du ministre de l'Intérieur, il peut la prendre en considération et en décider.

44. Une licence de bois sera accordée pour telle étendue de terre et tel intervalle de temps qui seront déterminés de temps en temps par le Gouverneur en conseil ; personne n'aura le droit à plus d'une licence en même temps ; le porteur de licence paiera au ministre de l'Intérieur, pour l'usage de Sa Majesté, une somme annuelle de cinquante piastres durant tout le temps que sa licence sera en force ; le premier paiement devant être fait dès l'émission de sa licence et les paiements suivants annuellement ensuite à une date fixée dans la licence, et à défaut de paiement de toute telle somme dans les trente jours après échéance, la licence deviendra nulle.

45. Aucune licence de bois ne sera accordée sur les terres faisant portion de tout établissement ou de toute réserve appartenant aux indiens, et le ministre de l'Intérieur peut refuser d'accorder toute licence quand il le juge favorable à l'intérêt public.

46. La licence doit être conforme à la formule M qui se trouve dans la cédule annexée à ces règlements.

47. Tout porteur de licence tiendra un compte écrit du nombre d'arbres qu'il aura abattus sur le terrain qu'embrasse sa licence, et à l'expiration de chaque trois mois, tant que durera sa licence, il préparera et fournira au ministre de l'Intérieur un état écrit, vérifié par une déclaration reçue devant un juge de paix, montrant le nombre d'arbres abattus, et il paiera alors à l'agent forestier de la couronne, pour l'usage de Sa Majesté, une somme de trente centins pour chaque arbre abattu, excepté pour tels arbres qui sont ci-après spécifiés.

48. Le porteur de licence produira, s'il en est requis, à l'agent forestier de la couronne, le compte original des arbres et du bois coupé, abattus ou charroyés sur ou du terrain que couvre sa licence.

49. Si le porteur de licence ne tient pas un compte écrit du nombre d'arbres abattus sous sa licence, ou s'il ne livre pas à l'agent forestier de la couronne l'état par écrit susdit, ou s'il présente volontairement un faux état, il sera susceptible d'une pénalité de deux cent cinquante piastres qui sera recouvrable comme susdit, et à défaut de paiement, il sera condamné à un emprisonnement n'excédant pas soixante jours, et au cas de conviction sa licence sera cancellée par le ministre de l'Intérieur.

50. La section précédente de ces règlements ne sera pas interprétée de manière à infliger une pénalité aux mineurs, employés à des recherches ou au travail des mines, ou aux voyageurs, ou aux personnes qui ne sont engagées que dans des explorations scientifiques, ou aux fermiers qui coupent du bois pour l'usage de leurs fermes, ou aux personnes qui coupent du bois de corde pour chauffage pour leur usage personnel ou pour des fins scholaires.

51. En marquant le nombre d'arbres abattus, on ne devra pas inclure le petit bois employé comme levier et pour d'autres usages du genre et on ne paiera pas de droits sur tel bois.

52. Si une personne, sans autorisation ou à moins que ce ne soit expressément permis par ces règlements, coupe ou emploie, ou induit toute autre personne à couper ou aider à couper du bois sur toutes terres de la Puissance, ou enlève ou charroie tout bois propre au commerce ainsi coupé, elle n'acquerra aucun droit sur le bois ainsi coupé et n'aura aucune réclamation pour avoir coupé le dit bois, l'avoir préparé pour le marché ou l'y avoir transporté ; et tout bois ainsi coupé peut être saisi par l'agent forestier de la couronne ou un autre officier ou agent du ministre de l'Intérieur, et sera vendu au bénéfice de la couronne ; et tous chevaux, bœufs, mules, et animaux ou quelques-uns d'entre eux, et les machines et tout le matériel trouvés sur aucune des terres de la Puissance où du bois a été coupé sans autorité légale, seront susceptibles de forfaiture et pourront être sai-

sis par l'officier sus-nommé et vendus aux bénéfices de la couronne.

(*a*) Si une personne enlève ou fait enlever du bois des terres de la couronne, elle paiera, à part la perte de son travail, trois piastres pour chaque arbre (le petit bois sus-mentionné excepté) qu'elle aura enlevé ou fait enlever de telles terres ; laquelle somme sera recouvrée avec les frais au nom du ministre de l'Intérieur, devant toute cour ayant juridiction en matières civiles au montant de la pénalité ;

(*b*) Dans toutes procédures sous l'autorité de cette section, il appartiendra à la partie accusée de prouver qu'elle était autorisée à couper du bois.

53. Quand du bois a été coupé sans autorisation, ou permission, comme il est mentionné ci-dessus, sur les terres de la Puissance et a été mêlé avec d'autre bois pour former un crible, une damme ou un radeau, ou a été mêlé de toute autre manière avec d'autre bois, tout le bois ainsi mélangé sera retenu comme ayant été pris sans autorisation sur les terres publiques et sera susceptible de saisie et de forfaiture par l'agent forestier de la couronne, ou un autre officier ou agent du ministre de l'Intérieur agissant pour la couronne.

54. L'officier faisant la saisie peut, au nom de la couronne, requérir l'assistance nécessaire pour mettre en sûreté et protéger le bois saisi.

55. Tout bois, animaux ou choses saisis sous l'autorité de ces règlements seront considérés abandonnés, à moins que la personne sur qui ils ont été saisis ou le propriétaire ne donne avis par écrit, dans le délai d'un mois après la saisie, au plus proche agent forestier de la couronne, qu'il réclame ou a l'intention de réclamer les effets saisis ; à défaut de tel avis l'agent sus-mentionné fera rapport au ministre de l'Intérieur qui peut ordonner la vente du dit bois par le dit agent à telle date et de telle manière qu'il le jugera convenable.

56. Dans tous les cas où le dit avis a été donné, tout juge de la Cour Suprême peut sommairement, sur requête, juger telles saisies, et peut ordonner de livrer le bois à son propriétaire présumée sur garantie par ce dernier de payer le double de la valeur au cas de condamnation, laquelle garantie devra être soutenue par deux cautionnements bons et suffisants :

(*a*) Telle garantie sera prise au nom du ministre de l'Intérieur pour le bénéfice de Sa Majesté et sera livrée et gardée par le dit ministre de l'Intérieur ;

(*b*) Si tout bois, animal ou chose pour lesquels une garantie a été donnée sont adjugés contre le réclamant, la valeur en devra être payée au ministre de l'Intérieur et la garantie sera cancellée, autrement la pénalité prendra force et sera collectée.

57. Toute personne se prévalant d'un faux état ou d'un faux serment pour échapper au paiement de tout argent dû en vertu de ces règlements perdra le bois à l'occasion duquel elle essaie de s'exempter de payer tels argents.

58. Le ministre de l'Intérieur pourra, en tout temps, définir les limites de districts de coupes de bois et nommer un agent des bois de la couronne pour chacun de ces districts.

59. Nuls billots coupés en vertu d'un permis accordé sous l'autorité des dispositions des présents règlements, ne seront sciés ni autrement convertis en bois de service ou autres matériaux, tant que ces billots n'auront pas été compassés et mesurés par l'agent des bois de la couronne pour le district, et que les sommes et droits prescrits par ces règlements n'auront pas été acquittés.

60. Tous les billlots seront compassés et mesurés par l'agent des bois de la Couronne ou la personne nommée à cette fin, par le ministre de l'Intérieur, pour le district dans lequel ces billots auront été coupés

61. Lors du compassement et mesurage des billots, la personne qui le fera, dressera une note indiquant le nombre de billots, le nombre de pieds de bois—mesure de planche—contenu dans ces billots, et le nom du propriétaire ; et l'agent des bois de la Couronne transcrira dans les livres de son bureau une copie de cette note. Une autre copie de la note sera dressée et remise au propriétaire ou à son agent, avec un certificat y annexé, établissant que cette note est exacte—laquelle note ainsi attestée sera, à l'effet de constater le montant de droits de coupe de bois à être payé à l'égard de ces billots, une preuve fondée sur des présomptions des faits y contenus, ainsi que de l'exactitude du dit compassement ou mesurage.

62. L'échelle et la règle au moyen desquelles on déterminera la quantité de billots sera la règle établie et prescrite dans le *Scribner's Lumber and Log Book* tel qu'enregistré en 1882 par George W. Fisher, de Rochester, New-York,

63. Le porteur du permis devra payer et paiera au ministre de l'Intérieur, pour l'usage de Sa Majesté, la somme de soixante et quinze cents, pour chaque et tout mille pieds de bois—mesure de planche—contenu dans ces billots, et jusqu'à ce que cette somme soit payée, les billots ne devront pas être enlevés du terrain où ils auront été coupés, et un privilège pour ces droits grèvera ces billots jusqu'à ce que les dits droits aient été acquittés ; et aussitôt que les billots seront compassés et mesurés, et jusqu'à ce que les droits soient payés, l'agent des bois de la Couronne pourra prendre et garder possession des dits billots.

64. Lorsque les billots seront compassés ou mesurés, il sera alloué pour les billots creux, croches ou autrement défectueux, suffisamment pour qu'ils équivalent à des billots sains, droits et marchands.

65. Le ministre de l'Intérieur pourra annuler tout permis de coupe de bois accordé sous l'autorité des dispositions des présents règlements, si, selon lui, le porteur du permis ne doit pas, dans le temps prescrit par son permis, procéder sans interruption à couper et fabriquer le bois dans les limites du dit permis.

Glissoires, etc.

66. Nulle vente ou concession d'aucunes terres fédérales ne donnera ni ne conférera aucun droit ni titre à aucune glissoire, digue, pile ou estacade, ni à aucun autre ouvrage précédemment construit sur ce terrain, ou sur un cours d'eau le traversant ou le longeant, dans le but de faciliter le flottage du bois de construction ou des billots, à moins qu'il ne soit expressément mentionné dans les lettres patentes ou autres documents constatant cette vente ou concession, que l'intention est que cette glissoire, digue, pile ou estacade, ou autre ouvrage, soit par là vendu ou cédé ;

(2.) Le libre usage des glissoires, digues, piles, estacades ou autres ouvrages construits sur des cours d'eau, pour faciliter le flottage du bois de construction ou des billots, ainsi que le droit d'accès à ces travaux dans le but de s'en servir et de les entretenir, ne seront en aucune manière enlevés ni empêchés par l'effet ni en vertu d'aucune vente ou concession de terres fédérales faite subséquemment à la construction de ces ouvrages.

67. Le libre usage—pour le flottage des billots et autres bois—de tous les cours d'eau et lacs qui pourront être nécessaires pour enlever ce bois des terres fédérales, ainsi que le droit d'accès à ces cours d'eau et lacs, et celui de passer et repasser sur ou le long du terrain de chaque côté, et partout où il le faudra pour l'usage susdit, ainsi que sur tous chemins de portage, existants ou nécessaires, pour éviter des rapides ou chutes, ou reliant ces cours d'eau ou lacs, ou sur les chemins qui, à cause d'obstacles naturels, pourront être nécessaires pour enlever du bois des terres fédérales, et aussi le droit de construire des glissoires partout où il en faudra, dureront sans interruption, et ne seront pas affectés ni empêchés par l'effet ni en vertu d'aucune vente ou concession de ces terres.

Lettres patentes.

68. Le Gouverneur général pourra nommer un Lieutenant-Gouverneur qui, en l'absence du dit Gouverneur général ou en conformité de ses instructions, aura le pouvoir de signer des lettres patentes de terres fédérales; et la signature de ce Lieutenant-Gouverneur, apposée à ces lettres patentes, aura la même vigueur et le même effet que si les dites lettres patentes avaient été signées par le Gouverneur général lui-même.

(2.) Toutes lettres patentes de terrain devront être préparées dans le département de l'Intérieur, et seront signées par le ministre de l'Intérieur ou son adjoint, ou par quelque autre personne à ce spécialement autorisée par arrêté du Gouverneur général rendu en conseil, et lorsque ces lettres seront ainsi signées elles devront être enregistrées par un fonctionnaire spécialement nommé à cette fin par le régistraire général, et ensuite transmises au secrétaire d'Etat du Canada pour être contresignées par lui ou par le sous-secrétaire d'Etat, et l'un ou l'autre de ces derniers y fera apposer le grand sceau du Canada ; mais toute lettre patente de terrain devra être signée par le Gouverneur ou son adjoint, ainsi que ci-dessus prescrit.

69. Lorsque, par suite d'erreur dans l'arpentage ou dans les livres ou plans d'un bureau des terres fédérales, il manquera quelque chose à une concession de terre, le ministre de l'Intérieur pourra ordonner une concession gratuite d'une valeur égale—à l'époque de la concession ou de la vente du terrain—à l'insuffisance constatée ; ou bien il pourra ordonner que le prix d'achat d'autant de terrain qu'il en manquera, avec l'intérêt au taux de six pour cent par année, à compter de l'époque de l'achat du dit terrain, soit remboursé à l'acquéreur ; mais nulle réclamation relative à aucune telle insuffisance ne sera reçue à moins qu'elle ne soit présentée dans les cinq ans à compter de la date de la lettre patente, ni à moins que l'insuffisance en question n'égale un dixième de l'étendue entière décrite dans la dite lettre patente comme étant contenue dans le lot ou morceau de terre concédé.

70. Lorsqu'une lettre patente aura été délivrée par erreur à une personne ou au nom de cette personne, ou contiendra une erreur de copiste, ou une erreur de nom, ou une description erronée ou défectueuse du terrain qu'elle aura l'intention de concéder, ou bien lorsqu'il y aura dans une telle lettre patente une omission des conditions, le ministre de l'Intérieur pourra (s'il n'y a pas de prétention contradictoire) ordonner que la lettre patente défectueuse soit annulée et qu'une lettre patente exacte soit délivrée en son lieu et place—laquelle lettre patente corrigée renverra à la date de celle ainsi annulée et aura le même effet que si elle eût été délivrée à la date de la lettre patente annulée.

71. Dans tous les cas où, par suite d'erreur, il aura été délivré, pour le même terrain, des titres de concession ou des lettres patentes incompatibles les uns avec les autres, et dans tous les cas de ventes ou d'appropriations du même terrain incompatibles les unes avec les autres, le ministre de l'Intérieur pourra ordonner qu'il soit donné à la personne par là dépossédée une nouvelle concession de terre d'une valeur égale à celle que la concession première avait à l'époque de sa date ; ou bien, il pourra, dans le cas de vente, faire rembourser le prix d'achat avec intérêt, ou lorsque le terrain aura été cédé par le premier acquéreur ou aura été amélioré avant la découverte de l'erreur, ou lorsque la concession première, sera une concession gratuite, le ministre de l'Intérieur pourra concéder du terrain, ou accorder, pour l'achat de terres fédérales, tel certificat qui lui paraîtra juste et raisonnable dans les circonstances ; mais nulle réclamation faite sous l'autorité du présent article ne sera reçue à moins qu'elle ne soit présentée dans l'année après la découverte de l'erreur.

72. Dans tous les cas où des lettres patentes, baux ou autres actes concernant des terrains auront été délivrés par fraude, erreur ou imprévoyance, tout tribunal de juridiction compétente dans les causes se rattachant à la propriété foncière, dans la province ou l'endroit où ces terrains seront situés, pourra, sur poursuite, requête ou plainte au sujet du dit terrain, et après avoir entendu les parties intéressées, ou sur défaut des dites parties, après que tel avis de procéder que le dit tribunal ordonnera, annuler les dites lettres patentes, baux ou autres actes ; et après l'enregistrement de ce décret dans le bureau du registraire général du Canada, les dites lettres patentes, baux ou autres actes seront nuls.

73. Lorsqu'un colon, acheteur ou autre personne refusera ou négligera d'abandonner la possession d'un terrain après sa confiscation sous l'autorité des dispositions des présents règlements, ou lorsqu'une personne sera injustement en possession d'un terrain de l'Etat, ou refusera d'en laisser ou abandonner la possession, le ministre de l'Intérieur pourra demander à un juge d'une cour ayant juridiction compétente dans les causes se rattachant à la propriété foncière dans la province ou l'endroit où le terrain sera situé, un ordre sous la forme d'un bref d'éviction ou d'*habere facias possessionem* ; et le dit juge, sur preuve faite à sa satisfaction que le dit terrain était ainsi confisqué et devrait retourner à la Couronne, ou est injustement en la possession de la dite personne, accordera contre le colon ou la personne ou les personnes en possession, un ordre enjoignant de remettre le dit terrain au ministre de l'Intérieur ou à la personne par lui autorisée à en recevoir la possession ; et le dit ordre aura le même effet qu'un bref d'*habere facias possessionem*, et le shérif devra l'exécuter comme il exécuterait le dit bref dans une poursuite en éviction ou dans une action pétitoire.

Cessions.

74. Le ministre devra faire tenir dans son département des livres pour enregistrer, au choix des parties intéressées, les cessions de tout droit aux terrains de l'Etat qui sont transférables sous l'autorité des présents règlements, sur preuve faite à sa satisfaction que la dite cession est en conformité de ces règlements ; et toute cession ainsi enregistrée sera valide à l'encontre de toute autre cession non enregistrée ou enregistrée subséquemment ; mais toute cession à être enregistrée devra être inconditionnelle, et toutes les conditions auxquelles le droit est soumis devront avoir été remplies ou mises de côté par le ministre de l'Intérieur avant l'enregistrement de la cession.

75. Sur la demande d'une lettre patente faite par le représentant légal d'une personne décédée y ayant droit, ou qui s'était fait inscrire, et qui, si elle avait vécu aurait eu droit à la dite lettre patente, le ministre de l'Intérieur pourra recevoir la preuve des faits de telle manière qu'il jugera à propos de l'exiger, et quand il sera convaincu que la réclamation est bien établie, il pourra l'accorder et ordonner en conséquence qu'une lettre patente soit délivrée.

Plans des townships et liste des lettres patentes.

76. Le ministre de l'Intérieur devra transmettre au régistraire général de la Colombie Anglaise ou à son ou ses adjoints aussitôt que possible, chaque année, un exemplaire certifié de la carte géographique de chaque township dans le comté, district ou division qui aura été arpenté pendant l'année précédente, aussi qu'une liste certifiée des terrains dans ce comté, district ou division, pour lesquels des lettres patentes auront été délivrées pendant la dite année.

Dispositions générales.

77. Les pouvoirs suivants sont par les présentes délégués au Gouverneur en conseil qui pourra les exercer, en tout temps, par des arrêtés spéciaux, sur la recommandation du ministre de l'Intérieur, savoir :—

(*a*) Soustraire à l'opération des présents règlements, sauf les droits existants tels que définis ou créés par ces règlements, les terrains qui ont été ou qui pourraient être mis en réserve pour les sauvages ;

(*b*) Encourager les travaux entrepris dans le but d'assécher et de mettre en valeur les terrains maré

cageux, en accordant aux promoteurs de ces travaux une rémunération sous la forme d'une concession gratuite des terrains ainsi mis en valeur, ou de toute partie de ces terrains ou de tout autre terrain dont la concession pourra être jugée juste et raisonnable ;

(*c*) Décréter de temps à autre les ordres qui pourront être jugés nécessaires pour mettre à effet les dispositions des présents règlements, suivant leur véritable intention, ou pour faire face à tous les cas pouvant se présenter et auxquels les présents règlements ne pourvoient pas ; en outre, faire et promulguer tous règlements qui pourront être jugés nécessaires pour donner pleine force et effet aux dispositions contenues dans le présent article ; et, en tout temps, modifier ou abroger tout ordre ou tous ordres, ou tous règlements faits à l'égard des dites dispositions, et en décréter d'autres pour les remplacer ;

(2) Tout ordre rendu ou règlement fait par le Gouverneur en conseil, sous l'autorité des dispositions du présent article, ou de tout autre article des présents règlements, n'aura—à moins qu'il ne soit autrement prescrit dans les présents règlements—vigueur et effet qu'après avoir été publié, pendant quatre semaines consécutives, dans la *Gazette du Canada*, et la *British Columbia Gazette;* et tous tels ordres ou règlements devront être soumis aux deux Chambres du parlement dans les premiers quinze jours de la session qui suivra leur date.

78. Sauf tel qu'autrement prescrit dans les présents règlements, tous les affidavits, serments, déclarations ou affirmations solennelles que ces règlements ordonnent de recevoir ou de faire, pourront être reçus devant un régistraire de la cour Suprême de la Colombie Anglaise, ou le juge ou régistraire de toute cour de comté, ou tout juge de paix, ou tout commissaire pour recevoir les affidavits, ou notaire public, ou tout agent ou officier des terres fédérales, ou toute personne spécialement autorisée par les présents règlements ou le ministre de l'Intérieur à recevoir ces affidavits.

79. Le bureau des terres fédérales, le commissaire des terres fédérales, l'inspecteur des agences des terres fédérales, ainsi que tout agent local et toute personne spécialement autorisée à cet effet par le Gouverneur en conseil, pourra assigner toute personne à comparaître devant lui, au moyen d'un subpœna, aux fins d'examiner cette personne sous serment et de contraindre à la production de papiers et écrits devant lui ; et ce subpœna pourra être conçu dans les termes de la formule N contenue dans l'annexe des présents règlements ; et—si une personne régulièrement assignée néglige ou refuse de comparaître à l'époque et aux lieu désignés dans le subpœna qui lui aura été signifié, ou refuse de rendre témoignage ou de produire les papiers ou écrits qu'on lui demande —il pourra, au moyen d'un bref revêtu de sa signature, faire arrêter la personne qui néglige ou refuse ainsi, et la faire incarcérer dans la prison commune la plus rapprochée, comme pour mépris de cour, pendant une période n'excédant pas quatorze jours.

80. Dans tous les cas où les présents règlements exigent un affidavit ou un serment, une affirmation solennelle pourra être faite au lieu d'un serment, par toute personne à laquelle la loi permet, dans les causes civiles, de faire une affirmation au lieu de prêter serment.

81. Tout reçu ou certificat d'inscription ou de vente délivré par un agent des terres fédérales, à moins que cette inscription ou vente n'ait été révoquée ou annulée par le ministre de l'Intérieur, donne à la personne à laquelle il a été accordé, le droit de maintenir des poursuites en droit ou en équité contre toute personne causant du dommage ou empiétant sur le terrain auquel se rapporte ce reçu ou certificat, aussi efficacement qu'il pourrait le faire en vertu d'une lettre patente délivrée par la couronne pour ce terrain.

Quelles personnes pourront arpenter les terres fédérales.

82. Le ministre de l'Intérieur pourra, à sa discrétion, nommer, en tout temps, pour exercer les fonctions d'arpenteurs des terres fédérales dans la province de la Colombie-Britannique, telles personnes ayant les qualités voulues qu'il jugera à propos ou nécessaire ; lorsqu'il le jugera à propos, le Gouverneur général pourra, par arrêté rendu en conseil, décréter que les articles 87 à 124, inclusivement, de l'Acte des terres fédérales, 1883, ou aucun d'entre eux, s'étendront à la province de la Colombie-Britannique et y deviendront exécutoires, à une date qui sera fixée dans et par cet ordre ; et à compter de la date ainsi fixée, les dits articles 87 à 124, inclusivement, ou aucun d'entre eux, auront la même vigueur et le même effet que s'ils avaient été incorporés dans les présents règlements et en avaient fait partie.

Tarif d'honoraires.

83. Le Gouverneur en conseil pourra établir un tarif d'honoraires à être exigés par le ministre de l'Intérieur pour tous exemplaires ou toutes copies de cartes, plans de townships, notes d'arpentage et autres, ainsi que pour l'enregistrement des cessions, et tous les honoraires reçus en vertu de ce tarif feront partie du revenu des terres fédérales.

DEMANDES AU PARLEMENT

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit :

Dans les provinces de Québec et de Manitoba :

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y parait pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces :

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y parait pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où i s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes

—

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

" Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y parait pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

These judicial documents shall be accompanied, if possible, by a description of the person claimed, and by any other information or intelligence which may serve to identify such person.

These documents shall be communicated by the Minister of Foreign Relations to the Superior Tribunal of Justice, which, in its turn, shall transmit them to the Stipendiary Magistrate (Juez Letrado del Crimen). This functionary shall have power, authority, and jurisdiction, in virtue of the claim preferred, to issue the formal order of arrest of the person so claimed, in order that he may be brought before him, and that, in his presence, and after hearing his defence, the proofs of his criminality may be taken into consideration; and if the result of this audience be that the said proofs are sufficient to sustain the charge, he shall be obliged to issue the formal order of delivery, giving notice thereof, by the medium of the Superior Tribunal of Justice, to the Minister of Foreign Relations, who shall dictate the necessary measures for placing the fugitive at the disposal of the British Agents charged to receive him.

In case the documents furnished by Her Britannic Majesty's Government for the identification of the person claimed, or the information obtained for the same and by the authorities of the Oriental Republic of the Uruguay, be held to be insufficient, notice shall immediately be given of the fact to the Diplomatic Representative or Consular Agent of Great Britain, the person under arrest remaining in custody until the British Government shall have furnished new proofs to establish the identity of such person, or evidence to clear up other difficulties relating to the examination of, and decision upon the matter.

The arrest above referred to of the person proceeded against for any of the crimes or offences specified in this Treaty shall not be prolonged more than three months. At the expiration of that period, if the Government making the claim shall not have fulfilled the conditions above stated, the prisoner shall be released, and shall not be liable to be re-arrested on the same charge.

Art. VII.—In the dominions of Her Britannic Majesty, other than the Colonies or foreign Possessions of Her Majesty, the manner of proceeding, in order to demand and obtain extradition, shall be as follows:—

(*a*) In the case of a person accused—The requisition for the surrender shall be made to Her Britannic Majesty's Principal Secretary of State for Foreign Affairs by the Diplomatic Representative or Consul General of the Oriental Republic of the Uruguay. The said demand shall be accompanied by a warrant

of arrest or other equivalent judicial document, issued by a Judge or Magistrate duly authorized to take cognizance of the acts charged against the accused in that Republic and duly authenticated depositions or statements taken on oath before such Judge or Magistrate, clearly setting forth the said acts, and containing a description of the person claimed, and any particulars which may serve to identify him.

The said Principal Secretary of State shall transmit such documents to Her Britannic Majesty's Principal Secretary of State for the Home Department, who shall then, by order under his hand and seal, signify to some Police Magistrate in London that such requisition has been made, and require him, if there be due cause, to issue his warrant for the apprehension of the fugitive. On the receipt of such order from the Secretary of State, and on the production of such evidence as would, in the opinion of the Magistrate, justify the issue of the warrant if the crime had been committed in the United Kingdom, he shall issue his warrant accordingly.

When the person claimed shall have been apprehended, he shall be brought before the Magistrate who issued the warrant, or some other Police Magistrate in London. If the evidence to be then produced shall be such as to justify, according to the law of England, the committal for trial of the prisoner, if the crime of which he is accused had been committed in the United Kingdom, the Police Magistrate shall commit him to prison to await the warrant of the Secretary of State for his surrender, sending immediately to the Secretary of State a certificate of the committal and a report upon the case.

After the expiration of a period from the committal of the prisoner, which shall never be less than fifteen days, the Secretary of State shall, by order under his hand and seal, order the fugitive criminal to be surrendered to such person as may be duly authorized to receive him on the part of the Oriental Republic of the Uruguay.

(*b.*) In the case of a person convicted—The course of proceeding shall be the same as above indicated except that the warrant to be transmitted by the Diplomatic Representative or Consul General of the Oriental Republic of the Uruguay in support of his requisition shall clearly set forth the crime or offence of which the person claimed has been convicted, and state the place and date of his conviction.

The evidence to be produced before the police magistrate shall be such as would, according to the law of England, prove that the prisoner was convicted of the crime charged.

(*c.*) Persons convicted by judgment in default or *arrêt de contumace* shall be, in the matter of extradition, considered as persons accused, and, as such, be surrendered.

(*d.*) After the police magistrate shall have committed the accused or convicted person to prison to await the order of a Secretary of State for his surrender, such person shall have the right to apply for a writ of *habeas corpus*; if he should so apply, his surrender must be deferred until after the decision of the court upon the return to the writ, and even then can only take place if the decision is adverse to the applicant. In the latter case the court may at once order his delivery to the person authorized to receive him, without the order of a Secretary of State for his surrender, or commit him to prison to await such order.

Art. VIII. Warrants, depositions, or statements on oath, issued or taken in the Dominions of either of the two High Contracting Parties, and copies thereof and certificates of or judicial documents stating the facts of conviction, shall be received in evidence in proceedings in the dominions of the other, if purporting to be signed or certified by a judge, Magistrate, or officer of the country where they were issued or taken, provided such warrants, depositions, statements, copies, certificates, and judicial documents are authenticated by the oath of some witness, or by being sealed with the official seal of the Minister of Justice or some other Minister of State.

Art. IX.—A fugitive criminal may be apprehended under a warrant issued by any Police Magistrate, Justice of the Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings as would, in the opinion of the authority issuing the warrant, justify the issue of a warrant if the crime had been committed or the person convicted in that part of the dominions of the two contracting parties in which the Magistrate, Justice of the Peace, or other competent authority exercises jurisdiction: Provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a Police Magistrate in London. He shall in accordance with this Article be discharged, as well in the United Kingdom as in the Oriental Republic of the Uruguay, if within the term of thirty days a requisition for extradition shall not have been made by the Diplomatic or Consular Agent of his country in accordance with the stipulations of this Treaty.

The same rule shall apply to the cases of persons accused or convicted of any of the crimes or offences specified in this Treaty, and committed on the high seas on board any vessel of either country which may come into a port of the other.

Art. X.—The stipulations of the present Treaty shall be applicable to the Colonies and foreign Possessions of Her Britannic Majesty.

The requisition for the surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign Possessions shall be made to the Governor or chief authority of such Colony or Possession by the Chief Consular Officer of the Oriental Republic of the Uruguay in such Colony or Possession.

Such requisition may be disposed of, subject always, as nearly as may be, to the provisions of this Treaty, by the said Governor or chief authority, who, however, shall be at liberty either to grant the surrender or to refer the matter to his Government.

Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign Possessions for the surrender of Uruguayan criminals who may take refuge within such Colonies and foreign Possessions, on the basis, as nearly as may be, of the provisions of the present Treaty.

Art. XI.—The claim for extradition shall not be complied with if the individual claimed has been already tried for the same offence in the country whence the extradition is demanded, or if, since the commission of the acts is charged, the accusation or the conviction, exemption from prosecution or punishment, has been acquired by lapse of time, according to the laws of that country.

Art. XII.—If the individual claimed by one of the two High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers, on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to that State whose demand is earliest in date.

Art. XIII.—If the individual claimed should be under prosecution, or have been condemned for a crime or offence committed in the country where he may have taken refuge, his surrender may be deferred until he shall have been discharged in due course of law.

In case he should be proceeded against or detained in such country, on account of obligations contracted towards private individuals, the extradition shall nevertheless take place.

Art. XIV.—Every article found in the possession of the individual claimed at the time of his arrest, shall, if the competent authority so decide, be delivered up with his person at the time when the extradition takes place. Such delivery shall not be limited to the property or articles obtained by stealing or by fraudulent bankruptcy, but shall extend to every thing that may serve as proof of the crime or offence, and shall take place even when the extradition, after having been granted, cannot be carried out by reason of the escape or death of the individual claimed.

The rights of third parties with regard to the said property or articles are nevertheless reserved.

Art. XV.—The High Contracting Parties renounce any claim for the reimbursement of the expenses

incurred by them in the arrest and maintenance of the person to be surrendered, and his conveyance as far as the frontier; they reciprocally agree to bear such expenses themselves.

Art. XVI—The present Treaty shall be ratified, and the ratifications shall be exchanged at Monte Video as soon as possible.

It shall come into operation ten days after its publication, in conformity with the laws of the respective countries, and each of the Contracting Parties may at any time terminate the Treaty on giving to the other six months' notice of its intention to do so.

In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seals of their arms.

Done at Monte Video, the twenty-sixth day of March, in the year of Our Lord, one thousand eight hundred and eighty-four.

(L.S.) EDMUND MONSON.
(L.S.) MANL. HERRA. Y OBES.

And whereas the ratifications of the said Treaty were exchanged at Monte Video on the thirteenth day of December, one thousand eight hundred and eighty four;

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, and in virtue of the authority committed to Her by the said recited Acts, doth order, and it is hereby ordered, that from and after the twentieth day of March, one thousand eight hundred and eighty-five, the said Acts shall apply in the case of Uruguay, and of the said Treaty with the Oriental Republic of the Uruguay.

Provided always, and it is hereby further ordered that the operation of the said Acts shall be suspended within the Dominion of Canada, so far as relates to the Oriental Republic of the Uruguay and to the said Treaty, and so long as the provisions of the Canadian Acts aforesaid continue in force, and no longer.

A la Cour de Windsor, le 5 mars 1885.

PRÉSENTS :

Sa Très Excellente Majesté la REINE.
Le lord Président,
Le lord Garde du Sceau Privé,
Lord Steward,
M. Trevelyan.

ATTENDU qu'en vertu des "Actes d'Extradition, 1870 et 1873," il était stipulé entr'autres choses que, chaque fois qu'un arrangement a été conclu avec un Etat étranger au sujet de la tradition à tel Etat de tous criminels fugitifs, il est loisible à Sa Majesté d'ordonner par ordre en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; qu'il est également loisible à Sa Majesté, dans le même ou dans un ordre subséquent, de restreindre l'opération du dit ordre et de limiter son application aux fugitifs criminels qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans tel ordre et d'en soumettre l'action à telles conditions, exceptions et qualifications qui peuvent être jugées convenables ; que si, par quelque loi adoptée après la passation de l'Acte de 1870 par la législature de toute possession britannique, il est pourvu aux moyens d'exécuter la tradition des criminels fugitifs qui se trouvent ou sont soupçonnés se trouver dans telle possession britannique, Sa Majesté pourra, par un ordre en conseil, appliquer les dits actes à l'égard de tout Etat étranger, ou par tout ordre subséquent suspendre la mise en opération, dans toute telle possession britannique, des dits actes ou de toute partie d'iceux, en autant qu'ils se rapportent à telle puissance étrangère, et aussi longtemps que telles lois continuent à y être en force, mais pas plus longtemps ;

Et attendu que conformément à la section 18 de "l'Acte d'Extradition de 1870" la législature de la Puissance du Canada a, par des lois passées dans les années 1877 et 1882 et appelées respectivement "l'Acte d'Extradition de 1877" et "Un acte pour amender l'Acte d'Extradition de 1877," pourvu à la mise à effet dans la Puissance, la tradition des criminels fugitifs qui se trouvent, ou sont soupçonnés se trouver dans la Puissance ;

Et attendu qu'un traité a été conclu le vingt-sixième jour de mars mil huit cent quatre-vingt-quatre, entre Sa Majesté et la République orientale de l'Uruguay, pour l'Extradition mutuelle des criminels fugitifs, lequel traité est rédigé comme suit :

Sa Majesté la reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, et Son Excellence le Président de la République orientale de l'Uruguay, ayant jugé convenable, en vue de la meilleure administration de la justice et pour la répression du crime, que les personnes accusées ou convaincues coupables des offenses criminelles ci-après mentionnées et cherchant à échapper à la justice, soient, sous certaines circonstances, livrées réciproquement, ont résolu de conclure le présent traité et ont nommé comme leurs plénipotentiaires, les personnes suivantes, savoir :—

Sa Majesté la Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, l'honorable Edmund John Monson, compagnon du très-honorable ordre du Bain, le ministre résident de Sa Majesté et le consul genéral de la République orientale de l'Uruguay ; et

Son Excellence le Président de la République orientale de l'Uruguay, Dr. Don Manuel Herrera y Obes, son ministre secrétaire d'Etat pour le département des Affaires Etrangères ;

19. Le commerce des esclaves exercé de manière à se rendre coupable d'offense contre les lois des deux pays. L'extradition aura aussi lieu pour la participation à chacun des crimes mentionnés ci-dessus comme accessoire avant ou après le fait, pourvu que telle participation soit punissable par les lois des deux parties contractantes.

Art. III.—Les provisions du présent traité ne seront pas applicables aux offenses commises avant la date de sa passation.

Art. IV.—Aucune personne arrêtée ne sera détenue ni jugée pour aucun crime ou offense commis dans l'autre pays avant l'extradition, autre que le crime ou l'offense pour lesquels sa tradition a été accordée.

Art. V.—Aucune personne ne sera livrée si l'offense pour laquelle sa tradition est demandée est d'un caractère politique ou si elle prouve à la satisfaction de l'autorité compétente de l'Etat dans lequel elle se trouve que la demande de sa tradition a été faite effectivement dans le but de lui faire un procès ou de la punir pour une offense d'un caractère politique.

Art. VI.—Dans la République orientale de l'Uruguay, les procédures à suivre pour demander et obtenir l'extradition seront comme suit :—

Le représentant diplomatique ou le consul-général de la Grande-Bretagne adressera au ministre secrétaire d'Etat dans le département des Affaires étrangères, avec la demande d'extradition une copie authentique et légalisée de la sentence ou du mandat d'arrestation émané par l'autorité compétente, ou d'autres documents ayant la même force légale contre la personne accusée, relatant clairement le crime ou l'offense, pour lesquels sont pris les procédés contre le fugitif

Ces documents judiciaires seront accompagnés, si possible, du signalement de la personne réclamée et de toute autre information ou note pouvant servir à identifier telle personne.

Ces documents seront communiqués par le ministre des affaires étrangères au tribunal supérieur de la justice, lequel, à son tour les transmettra au magistrat stipendiaire (Juez Letrado del Crimen). Ce fonctionnaire aura pouvoir, autorité et juridiction, en vertu de la réclamation à lui soumise, d'émaner un ordre formel d'arrestation contre la personne que l'on réclame, de telle sorte qu'elle soit amenée devant lui et que, en sa présence, et après avoir entendu sa défense, les preuves de son crime soient prises en considération ; et, si le résultat de cet examen lui démontre que les dites preuves sont suffisantes pour maintenir l'accusation, il sera obligé d'émaner l'ordre formel de tradition, en donnant avis, par l'intermédiaire du tribunal supérieur de la justice, au ministre des affaires étrangères, qui ordonnera l'adoption des mesures nécessaires pour placer le fugitif à la disposition des agents anglais chargés de le recevoir.

Au cas où les documents fournis par le gouvernement de Sa Majesté britannique pour l'identification de la personne réclamée ou les informations recueillies dans le même but par les autorités de la République orientale de l'Uruguay seront considérés insuffisants, avis du fait sera immédiatement donné au représentant diplomatique ou à l'agent consulaire de la Grande-Bretagne ; la personne sous arrestation demeurant prisonnière jusqu'à ce que le gouvernement britannique ait fourni de nouvelles preuves pour établir l'identité de telles personnes ou ait fait disparaître les difficultés relatives à l'examen de l'affaire et à la décision qui en doit découler.

L'arrestation susdite de la personne contre laquelle on procède pour tout crime ou toute offense spécifiés dans ce traité ne devra pas se prolonger plus de trois mois. A l'expiration de cette période, si le gouvernement qui a fait la réclamation n'a pas rempli les conditions ci-dessus déclarées, le prisonnier sera relâché et ne sera pas susceptible d'être arrêté de nouveau sur le même chef d'accusation.

Art. VII.—Dans les territoires de Sa Majesté britannique, autres que ses colonies ou ses possessions étrangères, la manière de procéder pour demander et obtenir l'extradition sera comme suit :—

(*a*) Dans le cas d'une personne accusée—

La demande de tradition sera faite au principal secrétaire d'Etat de Sa Majesté britannique pour les affaires étrangères par le représentant diplomatique ou le consul général de la République orientale de l'Uruguay. Telle demande sera accompagnée d'un mandat d'arrestation ou d'un autre document judiciaire ayant autorité équivalente, émané par un juge ou un magistrat dûment autorisé à prendre connaissance des actes portés à la charge de l'accusé dans cette République, et des dispositions dûment authentiquées ou déclarations reçues sous serment devant tel juge ou magistrat, énonçant clairement les dits actes et contenant une description de la personne réclamée, ainsi que tous les renseignements qui peuvent servir à l'identifier.

Le dit principal secrétaire d'Etat transmettra tels documents au principal secrétaire d'Etat de Sa Majesté britannique ayant charge du département de l'Intérieur qui signifiera alors, par un ordre de sa main et marqué de son sceau, à un magistrat de police de Londres que telle demande a été faite, lui enjoignant, si cause il y a, d'émaner un mandat pour l'appréhension du fugitif. Sur réception de tel ordre du secrétaire d'Etat et sur production de telle preuve qui, dans l'opinion du magistrat, justifierait l'émanation du mandat, si le crime a été commis dans le Royaume-Uni, il émanera conséquemment tel mandat.

Quand la personne réclamée aura été appréhendée, elle sera amenée devant le magistrat qui a émané le mandat ou quelqu'autre magistrat de police de Londres. Si la preuve qui doit alors être faite est de telle nature qu'elle justifie, selon la loi d'Angleterre, de condamner le prisonnier à subir un procès, si le crime dont on l'accuse a été commis dans le Royaume-Uni, le magistrat de police le condamnera à la prison ponr attendre le mandat du secrétaire d'Etat ordonnant sa tradition, et il enverra immédiatement au secrétaire d'Etat un certificat de la condamnation et un rapport de la cause.

A l'expiration d'une période qui ne devra jamais durer plus de quinze jours après la condamnation, le secrétaire d'Etat ordonnera, par ordre de sa main et sous son sceau de livrer le criminel fugitif à telle personne dûment autorisée à le recevoir de la part de la République orientale de l'Uruguay.

(*b*) Dans le cas d'une personne condamnée—

Le cours des procédures sera le même qu'indiqué plus haut, excepté que le mandat à être transmis par le représentant diplomatique ou le consul-général de République orientale de l'Uruguay à l'appui de sa demande, énoncera clairement le crime ou l'offense dont a été convaincue la personne que l'on réclame, et mentionnera le lieu et la date de sa condamnation.

La preuve à faire devant le magistrat de police sera de nature à prouver, conformément à la loi d'Angleterre, que le prisonnier a été trouvé coupable du crime dont il était accusé.

(*c*) Les personnes condamnées par jugement sur défaut de comparaître ou par arrêt de contumace seront considérées, en cas d'extradition, comme des personnes accusées et en telles qualité seront livrées.

(*d*) Après que le magistrat de police aura condamné la personne accusée ou trouvée coupable à être emprisonnée en attendant l'ordre d'un secrétaire d'Etat pour sa tradition, telle personne aura droit de demander un writ d'*habeas corpus* et si elle fait telle demande, sa tradition sera remise jusqu'à ce que la cour en ait décidé, et même alors, la tradition ne pourra avoir lieu que si la demande est rejetée. Dans le dernier cas, la cour peut de suite ordonner la tradition du prisonnier à la personne autorisée à la recevoir, sans l'ordre du secrétaire d'Etat à cet effet ou elle peut le condamner à la prison en attendant tel ordre.

Art. VIII.—Les mandats, les dépositions ou les déclarations sous serment, émanés ou reçus dans les territoires de l'une ou l'autre des deux hautes parties contractantes et toutes copies d'iceux, les certificats de documents judiciaires constatant le fait de la condamnation ou ces documents eux-mêmes seront

admis comme preuve dans les procédures intentées chez l'autre partie, s'ils paraissent avoir été signés ou certifiés par un juge, magistrat, ou officier du pays où ils ont été émanés et reçus, pourvu que tels mandats, dépositions, déclarations, copies, certificats et documents judiciaires soient authentiqués par le serment de quelque témoin ou par le sceau officiel du ministre de la justice ou de quelqu'autre ministre de l'Etat.

Art. IX.—Un criminel fugitif peut être appréhendé en vertu d'un mandat émané par tout magistrat de police, juge de paix ou autre autorité compétente de l'un ou l'autre pays, sur information ou plainte, preuve, ou après des procédures telles que, dans l'opinion de celui qui émane le mandat, elles justifient l'émission du dit mandat, si le crime a été commis ou la personne condamnée dans la partie des territoires des deux parties contractantes où le magistrat, le juge de paix ou une autre autorité compétente a droit de juridiction: Pourvu, néanmoins, que dans le Royaume-Uni l'accusé soit envoyé, en tel cas, d'une manière aussi expéditive que possible devant le magistrat de police de Londres. Il sera remis en liberté, conformément à cet article, aussi bien dans le Royaume-Uni que dans la République orientale, de l'Uruguay, si dans un délai de trente jours une demande d'extradition n'a pas été faite par l'agent diplomatique ou consulaire de son pays suivant la teneur et les stipulations de ce traité.

La même règle s'appliquera au cas de personnes accusées ou convaincues de tout crime ou de toute offense spécifiés dans ce traité et condamnées sur la haute mer à bord de tout vaisseau de l'un des deux pays qui peut arriver dans un port de l'autre.

Art. X.—Les stipulations du présent traité s'appliqueront aux colonies et aux possessions étrangères de Sa Majesté Britannique.

La demande pour la tradition d'un criminel fugitif qui s'est réfugié dans aucune des dites colonies ou possessions étrangères, sera adressée au Gouverneur ou à l'autorité en chef de telle colonie ou possession par l'officier consulaire en chef de la République orientale de l'Uruguay dans telle colonie ou possession.

Le dit gouverneur ou l'autorité en chef disposera de telle demande en s'assujétissant autant que possible aux provisions de ce traité ; mais, il lui sera loisible d'accorder la tradition ou de référer l'affaire à son gouvernement.

Sa Majesté britannique sera libre, néanmoins, de conclure des arrangements spéciaux dans les colonies britanniques et les possessions étrangères pour la tradition des criminels de l'Uruguay qui pourraient avoir cherché refuge dans ces colonies et possessions étrangères, toujours en se conformant autant que faire se pourra aux provisions du présent traité.

Art. XI.—La demande en extradition ne sera pas poursuivie si l'individu réclamé a déjà subi un procès pour la même offense dans le pays dont on veut l'extrader, ou si, depuis que les actes dont on l'accuse ont été commis, depuis l'accusation ou la condamnation, le droit de le poursuivre en justice et de le punir est devenu prescrit en vertu des lois de ce pays.

Art. XII.—Si l'individu réclamé par l'une des deux hautes parties contractantes sous l'autorité du présent traité, se trouve aussi réclamé par un ou plusieurs autres pouvoirs pour d'autres crimes ou offenses commis dans leurs territoires respectifs, son extradition sera accordée à l'Etat qui l'aura demandée le premier.

Art. XIII.—Si l'individu réclamé est sous accusation ou a été condamné pour un crime ou une offense commis dans le pays où il a cherché refuge, sa tradition sera différée jusqu'à ce qu'il ait été déchargé par le cours régulier de la loi.

Dans le cas où il serait accusé ou détenu dans tel pays pour des obligations contractées envers des particuliers l'extradition n'en aura pas moins lieu.

Art. XIV.—Tout effet trouvé en la possession de l'individu réclamé au temps de son arrestation sera livré, si l'autorité compétente en décide ainsi, en même temps que lui-même lors de l'extradition. Telle délivrance ne sera pas limitée aux biens ou aux effets obtenus par vol ou par banqueroute frauduleuse, mais s'étendra à toute chose pouvant servir comme preuve du crime ou de l'offense, et aura lieu même quand l'extradition, après avoir été accordée, ne peut être accomplie par suite de l'évasion de l'individu réclamé ou de sa mort.

Les droits des tierces-parties dans ces biens ou effets seront cependant sauvegardés.

Art. XV.—Les hautes parties contractantes renoncent à toute réclamation en remboursement des dépenses encourues par elles pour l'arrestation et la garde de la personne dont la tradition est demandée et pour son transport jusqu'à la frontière ; elles conviennent réciproquement de supporter elles-mêmes telles dépenses.

Art. XVI.—Le présent traité sera ratifié et les ratifications s'échangeront Monte Video aussitôt que faire se pourra.

Il viendra en opération dix jours après sa publication, conformément aux lois des pays respectifs, et chacune des parties contractantes pourra en tout temps mettre fin au traité en donnant à l'autre un avis de six mois de l'intention d'agir de la sorte.

Pour faire foi de ce que dessus les plénipotentiaires respectifs ont signé le dit traité et y ont opposé le sceau de leurs armes.

Fait à Monte Video, le vingt-sixième jour de mars dans l'année de Notre-Seigneur mil huit cent quatre-vingt-quatre.

(L.S.) EDMUND MONSON,
(L.S.) MANL. HERRA. Y OBES.

Et attendu que les ratifications du dit traité ont été échangées à Monte Video, le treize décembre mil huit cent quatre-vingt-quatre ;

Sa Majesté ordonne, maintenant, par et de l'avis de son Conseil privé, et en vertu de l'autorité à elle conférée par les actes cités plus haut, et il est ordonné par les présentes qu'à compter du et après le vingt mars mil huit cent quatre-vingt-cinq, les dits actes s'appliqueront à l'égard de l'Uruguay et au sujet du dit traité avec la République orientale de l'Uruguay.

Pourvu toujours et il est de nouveau par les présentes ordonné que l'opération des dits actes sera suspendue dans la Puissance du Canada en autant qu'elle se rapporte à la République orientale de l'Uruguay et au dit traité, et aussi longtemps mais pas plus longtemps que les provisions des actes canadiens demeureront en force comme dit auparavant.

Département de l'Intérieur.

2. Le département du ministre de l'Intérieur aura charge de l'administration et de la régie des terres de la Puissance ;

(2.) Telle administration et telle régie seront sous le contrôle d'une branche du dit département qui sera connue et désignée comme " le bureau des terres de Puissance."

(3.) Le Gouverneur en conseil peut nommer un officier qui sera appelé " le commissaire des terres de la Puissance " et un autre qui portera le nom " l'inspecteur des agences des terres de la Puissance." Et tels officiers auront respectivement les pouvoirs, pourvu qu'ils ne soient pas incompatibles avec les provisions des présents règlements, et rempliront les devoirs qui leur pourront être conférés et assignés, de temps en temps par ordre du Gouverneur en conseil ; le Gouverneur en conseil peut aussi établir un "bureau des terres de la Puissance " pour examiner et régler toutes questions contestées ne tombant pas dans les attributions du commissaire des terres de la Puissance et de l'inspecteur des agences des terres de la Puissance, et toutes affaires relatives à l'administration du système des terres de la Puissance, dans la province de la Colombie-Britannique ; et tel bureau des terres de la Puissance sera composé de telles personnes, aura tels pouvoirs et telle autorité, pourvu qu'ils ne soient pas incompatibles avec les présents règlements, et remplira tels devoirs qui lui seront prescrits, de temps en temps, par ordre du Gouverneur en conseil ;

(4.) Les copies de tous dossiers, documents, plans, livres, ou papiers appartenant à ou déposés dans le bureau des terres de la Puissance, attestées véritables sous la signature du ministre de l'Intérieur ou de l'arpenteur-général, ou de tout clerc en chef ou officier autorisé à ce faire, et les copies des plans ou documents de tout bureau des terres de la Couronne ou d'arpentage dans la province de la Colombie-Britannique, attestées véritables sous la signature de l'agent ou de l'inspecteur des arpentages ou d'un autre officier en charge de tel bureau, seront une preuve valable dans toutes causes où l'original de tels dossiers, documents, plans, livres ou papiers ferait preuve ; et des copies lithographiées ou autres des cartes ou plans qui seront émises ou publiées par le " Bureau des terres de la Puissance " et qui porteront la signature lithographiée ou écrite du ministre de l'Intérieur ou de l'arpenteur-général, devront être acceptées dans toutes cours et procédures comme une preuve *primâ facie* des originaux et de leur contenu ;

(5.) Aucune personne employée dans le département de l'Intérieur ou sous son contrôle, y compris la branche d'explorations géologiques qui s'y trouve attachée, ne pourra acheter des terres de la Puissance ou autres ni prendre des sûretés sur icelles, à moins d'être autorisée à ce faire par un ordre du Gouverneur en conseil, et elle ne pourra non plus agir comme agent d'aucune autre personne ou de sa part ; toute telle personne employée comme susdit sera également tenue de ne faire connaître à qui que ce soit, si ce n'est à ses supérieurs, toute découverte faite par lui-même ou par un autre officier du département de l'Intérieur, non plus que toute autre information qu'il possèdera relativement aux terres de la Puissance, jusqu'à ce que telles découverte et information aient été transmises au ministre de l'Intérieur et qu'on ait obtenu de lui permission de les publier.

Terres de la Puissance—Townships.

3. Les terres de la Puissance, dans la Colombie-Britannique, seront partagées, en autant qu'il est possible, en townships quadrilatéraux, contenant chacun trente-six sections, égales à un mille carré, en autant et d'une manière aussi approximative que la convergence des méridiens le permet.

(2.) Les sections seront réunies et numérotées comme le fait voir le diagramme suivant :

4. Les lignes de réunion des townships du côté est et du côté ouest seront les méridiens ; et celles du nord et du sud seront perpendiculaires aux parallèles de la latitude.

5. Chaque section sera divisée en quarts de sections de cent soixante acres, plus ou moins, conformément aux provisions qui suivent.

6. Dans l'arpentage d'un township, le déficit ou le surplus résultant de la convergence des méridiens sera placé dans la ligne des quarts de section touchant la frontière ouest du township, et l'erreur du nord ou du sud en fermant les lignes de correction dans l'une ou l'autre de ces directions sera portée à la limite des quarts de section attenante au nord ou au sud respectivement des dites lignes de correction : Pourvu que tel déficit ou surplus et telle erreur du nord ou du sud, ou encore les uns ou les autres puissent être répartis également entre tous les quarts de section qui s'en trouvent affectés.

7. Les dimensions et l'étendue des quarts de sections irréguliers seront rendues, dans tous les cas, à leurs bornes et à leur grandeur actuelles par l'arpenteur.

8. Pour rendre plus facile la description de moins d'un quart de section, dans les lettres patentes, chaque section sera censée divisée en quarts de quart de section, soit quarante acres, et telles subdivisions seront numérotées comme indiqué dans le diagramme suivant, qui est destiné à montrer telles subdivisions de sections qui seront appelées des subdivisions légales :

	13	14	15	16
	12	11	10	9
O.	5	6	7	8	E.

(2.) L'étendue de toute subdivision légale, comme indiquée plus haut, sera stipulée sans garantie de plus ou de moins, dans les lettres patentes, et sera, dans chaque cas, représentée par la quantité exacte telle qu'attribuée à telle subdivision dans l'arpentage original.

Vente ordinaire de terres.

9. Les terres de la Puissance, en autant que l'arpentage en est duement fait et confirmé, seront ouvertes, excepté dans les cas où il est autrement ci-après pourvu, pour y établir domicile et pour achat à tels prix, termes et conditions qui pourront être fixés, de temps en temps, par le Gouverneur en conseil ; Pourvu qu'aucun achat ne soit permis pour un prix moindre que deux piastres et cinquante centins l'acre ; Pourvu aussi, que, hors les cas spéciaux où il en est autrement ordonné par le Gouverneur en conseil, aucune vente à une seule personne n'excède une section ou six cent quarante acres ;

Et pourvu encore que, chaque fois qu'il en aura été ainsi ordonné par le ministre, telles terres inoccupées qu'il jugera convenable, de temps en temps, soient soustraites à la vente et à la cession ordinaires et vendues par encan public au plus haut enchérisseur—une mise à enchère étant d'abord fixée dans ce dernier cas ;

(2.) Pourvu en outre que toutessub divisions légales ou autres portions des terres de la Puissance qui seront jugées avoir une valeur spéciale par le ministre de l'Intérieur soient exemptées de la vente ordinaire et soient vendues de telle manière et à tels termes et conditions qui seront fixés par le Gouverneur en conseil, sur rapport du ministre de l'Intérieur.

Terrains de ville, etc.

10. Le ministre de l'Intérieur aura le pouvoir de soustraire à la vente ou à l'occupation de toute étendue ou toutes étendues de terre, et de les partager en lots de ville ou de villages ; les lots ainsi divisés devant être vendus soit par vente privée et pour tel prix jugé raisonnable, ou par encan public, et dans ce dernier cas une mise à enchère sera fixée.

11. Le Gouverneur en conseil peut mettre à part et désigner telles terres de la Puissance qu'il jugera convenable pour servir d'emplacements de marché, de prisons, de palais de justice, de lieux du culte public, de cimetières, d'écoles, d'institutions de bienfaisance, de parcs publics, et pour servir à d'autres fins publiques, et il pourra, en tout temps avant l'émission des lettres patentes à cet égard, changer ou révoquer telles appropriations suivant qu'il le croira bon ; il lui est aussi permis de donner gratuitement pour les fins susdites les terres ainsi appropriées, mais dans ce dernier cas la destination et l'usage qui leur sont assignés devront être spécifiés dans les lettres patentes.

12. Les provisions des clauses qui se trouvent entre la treizième et la vingt-quatrième de ces règlements, ces deux dernières clauses elles-mêmes étant incluses, ne s'appliqueront pas aux terres dont on aura disposé le premier juillet mil huit cent quatre-vingt-cinq.

Droits de homestead.

13. Toute personne, mâle ou femelle, qui est chef de famille, ou tout individu du sexe masculin qui est âgé de dix-huit ans auront droit, en faisant application conformément à la formule A de la cédule attachée à ces règlements, d'obtenir un acte de homestead pour toute quantité de terre n'excédant pas un quart de section et se trouvant dans la catégorie des terres ouvertes à tels actes en vertu des provisions de ces règlements.

(2.) L'acte de homestead donnera droit au porteur de prendre, d'occuper et de cultiver la terre pour laquelle il aura été obtenu, et d'en garder la possession à l'exclusion de toutes autres personnes, et d'intenter et maintenir toute action pour entrée illégale sur la dite terre. Le titre de la terre restera aux mains de la Couronne jusqu'à l'émanation de la patente y relative, et la dite terre ne pourra pas être vendue par autorité de justice avant telle émission.

(3.) Le privilège de l'acte de homestead ne s'appliquera qu'aux terres arpentées et agricoles et personne n'aura droit à tel acte quant aux terres qui tirent leur valeur de leurs bois, du foin qu'elles poussent, ou quant à celles sur lesquelles se trouve une carrière de pierre, ou de marbre ou de charbon, ou encore d'autres minéraux ayant une valeur commerciale, ou sur lesquelles se trouve tout pouvoir d'eau susceptible de faire marcher des machines, ou quant aux terres qu'il serait de l'intérêt public de soustraire à tel acte, à raison de leur situation, si elles forment, par exemple, le rivage d'un port important, si elles occupent l'emplacement d'un pont ou d'un canal, ou si elles sont actuellement ou destinées à devenir terminus ou stations de chemins de fer.

14. Du moment que l'arpentage de tout township aura été finalement confirmé et que tel township se trouvera ouvert aux actes de homestead, toute personne qui s'est établie et qui de bonne foi a fait des améliorations sur un terrain, avant que l'arpentage des terres du dit township ne fût confirmé, aura un droit de priorité pour obtenir un acte de Homestead quant au terrain sur lequel elle s'est fixée, pourvu que tel droit soit exercé dans les trois mois après que les terres auront été ouvertes à l'établissement des colons ; et pourvu que tel terrain n'ait pas été réservé ou ne se trouve pas soustrait aux droits de l'acte en question, sous les provisions de ces règlements. Aucun acte de homestead ne sera accordé à aucune autre personne relativement à tel terrain, avant l'expiration d'un délai de trois mois à compter d'un avis par écrit qui sera adressé par l'agent local au colon de bonne foi, l'avertissant que le terrain en question est ouvert à l'occupation.

15. La personne, qui la première se sera établie et aura fait de bonne foi des améliorations comme susdit sur les terres de la Puissance avant que l'arpentage en ait été confirmé, peut indiquer la terre qu'elle a ainsi accaparée de la manière suivante: Elle devra former un carré et son étendue n'excèdera pas cent soixante acres. Ses frontières seront des lignes nord et sud, est et ouest. A chaque angle, un poteau d'au moins quatre pouces carrés et dépassant le sol de quatre pieds sera planté et marqué au moyen d'un crayon ou d'un couteau comme désignant l'angle du terrain réclamé et portera aussi le nom du réclamant marqué de la même manière. Entre les poteaux des angles, si le terrain est boisé, une ligne sera ouverte et indiquée. Il fournira aussi à l'agent local, avec son application accompagnée d'une somme de dix piastres, un plan intelligible indiquant la nature et la disposition du terrain réclamé, le bois, s'il s'en trouve, aussi tous les cours d'eau, les chemins, les prairies, les pouvoirs d'eau, les carrières, etc.; et, si l'on découvre dans la suite que le réclamant a caché quelqu'information dans son dit plan, ses droits se trouveront complètement annulés. Après que sa terre aura été délimitée comme susdit, le colon pourra, en sus du droit de priorité pour obtenir l'acte de homestead que lui accorde la dernière section, être admis à intenter telles actions pour entrées illégales sur son terrain et pour expulsion d'icelui: lesquelles actions qui lui seraient permises s'il était le propriétaire réel du fonds en question : Pourvu toujours que rien de ce qui est contenu dans ces règlements ne confère ou ne soit arrangé pour conférer à quelqu'un aucun droit quelconque contre la Couronne.

16. Pour obtenir un acte de homestead, il sera nécessaire que celui qui le demande fasse acte de présence et donne un affidavit devant l'agent local conformément à la formule B, C ou D de la cédule jointe à ces règlements. En filant tel affidavit aux mains de l'agent local, et en lui payant dix piastres comme honoraire d'office, l'appliquant recevra de l'agent local un reçu conforme à la formule F de la cédule de ces règlements, et tel reçu sera un certificat de l'acte de homestead, et autorisera son porteur à aller prendre possession du terrain y décrit ;

(2.) Pourvu que, au cas où il s'agirait d'immigrants ou d'autres personnes qui se proposent de s'établir ensemble, le ministre de l'Intérieur ou le bureau des terres puisse autoriser toute personne qui lui sera indiquée à obtenir des actes de homestead en leur nom, avant leur arrivée dans le territoire où se trouvent les terres qu'ils désirent occuper ;

(3.) La personne autorisée comme susdit fera application, pour obtenir tels actes en la forme G de la cédule de ces règlements, de la part de chacun de ceux qu'elle représente, et donnera un affidavit devant l'agent local conformément à la formule H, J, ou K, de la cédule de ces règlements, suivant que les circonstances le requerront; elle paiera aussi pour chaque acte sollicité l'honoraire d'office, dix piastres, tel que prescrit ci-dessus ;

(4.) Les personnes qui occupent un terrain pour l'avoir acheté peuvent obtenir des actes de homestead au sujet de tout autre terrain contigu ; mais, toute l'étendue de ces dits terrains réunis, y inclus celui primitivement acheté, ne doit pas excéder le quart d'une section ;

(5.) Toute personne faisant application pour obtenir un acte de homestead quant à un terrain contigu doit, en donnant son affidavit tel que prescrit pour l'obtention de tel acte, décrire aussi le terrain qu'elle possède déjà et où elle réside ; et sa résidence sur, ainsi que la culture de tout son terrain seront pour l'avenir réglées par les provisions de ces règlements relatives à un premier acte de homestead, avant qu'elle n'ait de droit à une patente pour la portion de terre ainsi tenue : Pourvu que telle résidence et telle culture se trouvent sur et au bénéfice de la première terre acquise ou de celle pour laquelle a été obtenu un acte de homestead, ou des deux en même temps.

17. Au cas où s'élève un différend entre personnes réclamant un acte de homestead pour un même terrain, l'agent local ou toute personne à ce autorisée par le ministre de l'Intérieur fera une enquête et obtiendra des preuves quant aux faits ; et son rapport à ce sujet ainsi que la preuve faite seront soumis pour décision au ministre de l'Intérieur ou au bureau des terres de la Puissance, au commissaire des terres de la Puissance, ou à telles personnes qui peuvent être nommées par le Gouverneur en conseil pour examiner et juger dans le cas de tels différends ;

(2.) Pourvu que, quand deux personnes ou plus ont fait des demandes et tente d'obtenir un acte de homestead pour un même terrain, celle qui s'est établie la première sur le dit terrain, qui a continué à y résider et à le cultiver ait droit à tel acte si le terrain réclamé est de la classe sujette aux actes de homestead ; et s'il n'est pas contraire à l'intérêt public, dans l'opinion du ministre de l'Intérieur, d'accorder une application au sujet de tel terrain ;

(3.) Pourvu en outre que dans le cas où les parties en litige ont fait des améliorations considérables sur le terrain disputé, le ministre de l'Intérieur, s'il accorde l'application qui lui est soumise pour l'obtention d'un acte de homestead, puisse ordonner une division du dit terrain de manière à accorder autant que possible à chacun la part d'améliorations à laquelle il a droit ; et le ministre pourra aussi, à sa discrétion, décider que le déficit qui pourrait se trouver dans les parts faites à l'un et l'autre des réclamants soit comblé à même les terres vacantes contiguës s'il s'en trouve de la classe qui sont sujettes aux actes de homestead.

18. Toute personne qui a obtenu un acte de homestead aura un délai de six mois pour mettre tel acte en force en prenant personnellement possession de sa terre, et en commençant à y résider permanemment et à la culture ; et si l'entrée en possession n'a pas lieu dans ce délai, l'acte sera nul, et le terrain pourra être acquis par une autre personne ou il en peut être disposé autrement sous l'autorité de ces règlements par le ministre de l'Intérieur ;

(2) Pourvu encore qu'en faveur d'immigrants d'ailleurs que du continent de l'Amérique du Nord, le Gouverneur en conseil puisse étendre le délai de l'accomplissement de l'acte à douze mois de sa date.

19. Dans le cas où un certain nombre de colons de homestead, comprenant au moins vingt familles et ayant l'intention d'agrandir leur nombre par l'établissement d'écoles et d'églises, et d'obtenir d'autres avantages sociaux du même caractère, demandent qu'on leur permette de s'établir ensemble dans un hameau ou village, le ministre de l'Intérieur peut, à sa discrétion, modifier ou éliminer complètement les exigences quant à la résidence, mais non pas quant à la culture de chaque quart de section distinct entré comme homestead.

20. A l'expiration de trois ans de la date où il a mis en force son acte de homestead, le colon, ou en cas de sa mort, ses représentants légaux, en prouvant à la satisfaction de l'agent local qu'il, eux ou quelques-uns d'entre eux ont résidé sur la terre et l'ont cultivée durant le dit terme de trois ans, auront droit d'obtenir une patente pour la dite terre, à condition

que la preuve faite soit acceptée par le Commissaire des Terres de la Couronne ou le Bureau des Terres, et sur paiement d'une piastre par acre : pourvu aussi que telle patente ne soit pas émise en faveur d'une personne qui n'est pas par naissance ou naturalisation sujet de Sa Majesté au temps de telle émission.

(2.) Pourvu que, dans le cas où un colon aurait obtenu un acte de homestead pour une terre occupée par lui avant qu'elle ne fût arpentée, de la manière déjà mentionnée, le fait d'avoir résidé sur la dite terre et de l'avoir cultivée durant les trois ans qui précèdent l'application pour une patente soit considéré équivalent à ce qui est prescrit dans la clause précédente, si le fait de telle résidence et de telle culture est autrement conforme à ces règlements ;

(3) Toute personne qui prouvera qu'elle a résidé sur la terre pour laquelle elle possède un acte de homestead, durant douze mois à compter de la date de sa prise de possession, et qu'elle a mis en culture au moins trente acres de cette terre, pourra, avant l'expiration des trois années stipulées dans la sous-clause deux de cette clause, obtenir une patente, en payant deux piastres et cinquante centins par acre de terre ;

(4) En outre des cas ci-dessus mentionnés, toute personne réclamant une patente pour homestead y aura droit, en prouvant qu'elle a érigé sur son homestead une maison habitable, et qu'elle y a de bonne foi résidé pendant pas moins des trois mois qui ont précédé la date de son application pour sa patente ; que durant la période écoulée entre le temps pendant lequel, par la clause dix-huit de ces règlements, il est ordonné qu'un propriétaire de homestead devra s'emparer de sa terre, et le commencement de sa résidence de trois mois sur son homestead, il a *bonâ fide* résidé dans un rayon de deux milles du quart de section de son homestead ; que durant la première année de sa prise de possession de sa terre, il a cassé et préparé pour les ensemencer pas moins de dix acres du quart de section de son homestead ; que durant la seconde année il a ensemencé les dits dix acres et en a brisé et préparé pour les ensemencer pas moins de quinze acres additionnels—formant en tout pas moins de vingt-cinq acres ; et que durant la troisième année après la date de la mise en force de son acte de homestead, il a ensemencé les dits vingt-cinq acres et a brisé et préparé pour être ensemencés pas moins de quinze acres additionnels, faisant en tout pas moins de vingt-cinq acres ensemencés et quinze prêts à l'être, durant les trois ans à compter de la date à laquelle il a mis son acte de homestead en vigueur ; et la résidence indiquée dans cette sous-clause sera suffisamment prouvée si l'applicant n'a pas été absent plus de six mois chaque année.

(5.) La preuve de la résidence, de la construction d'une maison habitable et de la culture requises par cette clause se fera par l'affidavit du réclamant, sera corroborée par la déposition sous serment de deux témoins désintéressés, résidant dans le voisinage de la terre que leur témoignage concerne et acceptée comme suffisante par le commissaire des terres de la Puissance ou le bureau des terres ; tel affidavit sera assermenté et les témoignages rendus devant l'agent local ou quelqu'autre personne nommée à ces fins par le ministre de l'Intérieur.

21. Dans le cas où il est établi à la satisfaction du ministre de l'Intérieur qu'un colon n'a pas résidé sur son homestead et ne l'a pas cultivé, excepté comme il est pourvu ici, durant au moins six mois chaque année, son droit sera forfait et l'acte y relatif sera cancelé ; et le colon ayant ainsi forfait à son acte ne sera pas admis à en obtenir un nouveau si ce n'est dans certains cas spéciaux, à la discrétion du ministre de l'Intérieur ;

(2.) Pourvu que dans dans le cas de maladie, établi par une preuve suffisante, ou dans le cas d'immigrants qui sont obligés de retourner dans leur pays pour ramener leurs familles à leurs homesteads ou dans d'autres cas spéciaux, le ministre de l'Intérieur, puisse, à sa discrétion, accorder une extension du temps durant lequel un colon peut s'absenter de son homestead sans préjudice à ses droits ; mais le temps ainsi accordé ne comptera pas comme résidence.

22. Un homestead dont le titre a été cancelé peut, à la discrétion du ministre de l'Intérieur, être vendu à une autre personne, soit quant au terrain et aux améliorations, s'il en existe, soit quant aux améliorations seulement si le terrain est déjà occupé comme homestead.

23. Toute hypothèque ou tout transport d'un droit de homestead ou de partie d'icelui, et tout arrangement pour hypothéquer ou transporter un droit de homestead ou partie d'icelui après qu'une patente aura été obtenue, seront nuls et sans effet s'ils ont été conclus, faits et entrés avant l'émission de la patente ; et la personne hypothéquant ainsi ou transférant ou faisant des arrangements pour hypothéquer ou transférer son droit de homestead en sera forfaite et n'aura pas l'avantage de prendre un autre titre de homestead ; pourvu qu'une personne dont la patente aura été recommandée par l'agent local et qui aura reçu de tel agent un certificat à cet effet, conforme à la formule L de la cédule jointe à ces règlements et contresigné par le Commissaire des Terres de la Puissance, puisse légalement vendre, céder, hypothéquer, transférer son droit et son titre.

24. Si une ou plusieurs personnes, à ce autorisées par le ministre de l'Intérieur, placent des immigrants comme colons sur des terres à leurs propres frais, le Gouverneur en conseil peut ordonner que les dépenses encourues par cette ou ces personnes soit pour payer le passage des immigrants en les emmenant au pays ou pour leur subsistance ou pour les aider à construire une maison sur leur homestead ou pour leur fournir des chevaux, des bestiaux, des instruments de ferme ou du grain de semence, de viennent, si les parties y consentent, une charge sur le homestead de tel immigrant ; et, dans tel cas la réclamation pour dépenses encourues pour le bénéfice de tels immigrants, comme dit plus haut, avec aussi l'intérêt sur icelle doit être payée avant qu'une patente ou un certificat pour patente soit émané en faveur du terrain ainsi affecté ; Pourvu : —

(*a*) Que la somme ou les sommes chargées pour le prix de passage ou la subsistance de tel immigrant n'excèdent pas le coût actuel des mêmes choses, le tout établi à la satisfaction du ministre de l'Intérieur ;

(*b*) Qu'une reconnaissance par tel immigrant de la dette ainsi encourue ait été produite au bureau de l'agent local ;

(*c*) Que dans aucun cas la charge contre tel homestead pour argent avancé n'excède la somme de cinq cents piastres ;

(*d*) Qu'aucun taux d'intérêt plus élevé que 6 pour cent ne soit chargé sur la dette ainsi encourue par l'immigrant.

(2) Si un immigrant à qui une avance a été faite, comme il est dit dans cette clause et par qui ou pour qui un titre de homestead a été obtenu, forfait à ce titre en vertu des provisions de ces règlements, le ministre de l'Intérieur pourra, à sa discrétion, traiter la personne par qui telle avance a été faite ou ses représentants légaux comme s'ils avaient obtenu eux-mêmes tel titre, et comme si, jusqu'au temps de tel traitement, aucune forfaiture du titre en question n'était encore survenu ; et si, sous de semblables circonstances, l'émigrant qui a obtenu ou pour qui on a obtenu un titre de homestead a acquis le droit de recevoir une patente pour le terrain objet de tel titre après trois années de résidence, et ne fait pas application pour l'émanation de telle patente, la personne ou les personnes qui ont fait l'avance peuvent obtenir telle patente ou tel certificat pour patente au nom de la personne y ayant droit ou au nom de ses représentants légaux, et dès lors l'avance faite sera une hypothèque statutaire sur tel homestead.

Terres à pâturages.

25. Le Gouverneur en conseil peut, de temps en temps, louer des terres inoccupées de la Puissance pour des fins de pâturages à toute personne ou personnes, pour tel nombre d'années, à tel prix qu'il sera jugé convenable dans chaque cas ; et tout tel bail contiendra une condition par laquelle le Gouverneur en conseil puisse autoriser le ministre de

l'Intérieur, en tout temps durant la durée du bail, à donner au locataire avis de la cancellation du dit bail; et, à la fin des deux ans qui suivront la signification de tel avis le bail cessera d'exister.

Terrains miniers.

26. Les terres qui contiennent du charbon ou d'autres minéraux, soit dans les territoires arpentés ou dans ceux qui ne le sont pas, ne seront pas soumises à ces règlements relativement à la vente ou au titre de homestead, mais elles seront concédées de telle manière, à tels termes et conditions qui pourront être fixés de temps en temps, par le Gouverneur en conseil dans les règlements à être faits à cet égard.

27. Il est par le présent déclaré que toutes cessions de terres gratuites ou rémunérées par la couronne n'aura pas pour effet de transporter aux cessionnaires les minéraux qui peuvent se trouver dans telles terres, à moins que telle condition ne se trouve formellement exprimée.

Eau.

28. Toute personne légalement autorisée à posséder des terres sous ces règlements, les occupant et les cultivant légalement et *bonâ fide*, peut détourner et retenir autant et pas plus d'eau coulant librement dans tout ruisseau, tout lac ou toute rivière de la Puissance qui traverse telles terres, qu'il n'est raisonnablement nécessaire pour des fins agricoles, minières ou autres, en obtenant une autorisation écrite d'en agir ainsi de la part de l'agent local du district, et un mémoire de ce procédé sera dressé avec lui, après avis dûment donné, comme il est ici stipulé, spécifiant le nom de l'applicant, la quantité d'eau qu'il veut détourner, l'endroit où aura lieu ce détournement, les fins pour lesquelles cette eau va être détournée, et toutes autres particularités que pourra exiger l'agent local. Pour chaque tel mémoire l'agent local touchera un honoraire de deux piastres; et aucune telle personne n'aura un droit exclusif à l'usage de telle eau jusqu'à ce que tel mémoire ait été fait et tel honoraire payé.

29. Un mois avant d'obtenir l'autorisation susdite, l'appliquant affichera dans un endroit apparent, sur le terrain de chaque personne qu'affecte ce détournement de tout ruisseau, lac ou rivière, et dans le palais de justice du district, des avis écrits annonçant l'intention où il est de demander une autorisation pour prendre, rassembler et détourner telle eau (suivant le cas) spécifiant toutes particularités y relative, déclarant la direction, la quantité, les fins et les termes.

30. Le propriétaire de tout privilège d'eau acquis par contrat sous les présents règlements n'aura aucun droit exclusif sur l'eau soumise à son privilège jusqu'à ce qu'il ait fait construire une digue, un canal d'écluse ou un autre conduit pour mener l'eau où il veut l'utiliser; et dans le cas où tel conduit ne serait pas d'une capacité suffisante, pour charroyer la quantité d'eau stipulée, alors le droit exclusif de tel propriétaire sera limité, indépendamment du contrat, à la quantité que tel conduit est capable de contenir jusqu'à ce qu'il l'ait fait agrandir de manière à ce qu'il reçoive toute la quantité voulue.

31. La priorité de droit quant à ce qui regarde tout privilège d'eau dépendra, en cas de différend, de la priorité du contrat.

32. Le droit d'entrer sur et à travers les terres acquises par d'autres, en vertu de ces règlements, dans le but d'y faire passer l'eau pour fins légales, peut être réclamé et exercé par le propriétaire de tout privilège sous l'autorité de ces règlements, en payant ou assurant le paiement de compensations pour les troubles ou les dommages ainsi occasionnés à la personne dont le terrain aura été troublé ou endommagé par telle entrée ou telle conduite d'eau.

33. Dans le cas de différend, telles compensations ou toutes autres questions se reliant à tel privilège d'eau, l'entrée ou la conduite de l'eau, peuvent être examinées et jugées d'une manière sommaire par l'agent local du district ou par une autre personne nommée par le ministre de l'Intérieur pour cette fin.

34. Les privilèges d'eau pour des fins minières ou autres, qui ne sont pas autrement accordés d'une manière légale, peuvent être réclamés et la dite eau peut être amenée sur, sous ou à travers toutes terres de la Puissance ou terres sur lesquelles tel droit est conféré en vertu de ces règlements, en obtenant une permission ou une licence de l'agent local du district; et avant d'user de ce droit en payant une compensation raisonnable pour troubles ou dommage à la personne dont la terre est troublée ou endommagée par tel privilège d'eau, et au cas de désaccord quant au montant de la compensation, il sera fixé tel que stipulé dans la dernière section.

35. Dans l'un et l'autre des cas auquel les deux dernières sections réfèrent, l'agent local ou une personne nommée par le ministre de l'Intérieur pour cette fin, aura tous les pouvoirs d'un juge de la cour de comté dans la province de la Colombie-Britannique, adjugeant même sur les frais; et le certificat de l'agent ou d'une autre personne nommée comme susdit quant au mandat de la compensation évaluée et fixée en vertu des deux sections précédentes et des frais adjugés, aura l'effet d'un jugement et pourra devenir une ordonnance de la cour suprême de la Colombie-Britannique, et en avoir l'autorité.

36. Tout propriétaire de toute digue, écluse, ou autre conduit, ou privilège d'eau acquis par contrat ou autrement, sous l'autorité de ces règlements, qui, volontairement, gaspillera toute quantité d'eau, en en détournant de son cours naturel, par le moyen de sa digue ou autrement, plus qu'il n'est besoin pour l'irrigation de sa propriété ou toute autre fin, sera condamné à une amende n'excédant pas cent piastres pour chaque offense; laquelle amende sera recouvrée, d'une manière sommaire, devant un juge de paix, un magistrat stipendiaire, l'agent local ou une autre personne nommée par le ministre de l'Intérieur à cette fin, et à défaut de paiement, il y aura saisie ou emprisonnement pour une période de pas plus de six mois; et aucun propriétaire de privilège d'eau n'aura droit de nuire ou d'empêcher la construction de toutes dammes, brise-lames ou autres améliorations, ayant pour but de ménager et économiser l'eau de tout bassin, lac ou cours d'eau de quelque genre que ce soit; pourvu que la construction ou l'usage de telles dammes ou brise-lames, ne détourne pas telle eau de son canal propre, à l'endroit ou la place où tel propriétaire prend l'eau dont il se sert dans sa digue ou son canal: Pourvu aussi que la construction et l'usage de telle damme ou brise-lames ne cause pas de dommages à la source où telle eau est prise ou à la propriété de toute partie ou parties, en refoulant l'eau, causant des inondations ou autrement: Pourvu aussi que tous différends s'élevant au sujet de toutes matières ou choses relativement à cette clause, seront décidés d'une manière sommaire, devant tout juge de paix, magistrat stipendiaire, agent local ou autre personne nommée par le ministre de l'Intérieur pour ces fins, qui aura plein pouvoir de rendre telle décision qui lui paraîtra juste et équitable.

37. Les propriétaires ou occupants de toutes terres sujettes à l'irrigation peuvent, avec le consentement écrit de l'agent local ou d'une autre personne nommée par le ministre de l'Intérieur à cette fin, au moyen de canaux, de digues, de drainages, ou d'autres conduits, faire écouler à travers les terres de la Puissance ou tout terrain au sujet duquel tel droit existe en vertu de ces règlements le surplus de leur eau dans toute baie, golfe ou canal: Pourvu que, quand tel pouvoir est exercé par l'un ou l'autre des officiers ci-dessus, tous commissaires ou autres officiers agissant en vertu des Actes de la Colombie-Britannique, en force, relatifs au drainage, à l'endiguement et à l'irrigation ne soient pas libres d'entraver le pouvoir ainsi exercé. Les provisions de cette clause seront sujettes, excepté quant aux terres qui seront alors terres de la Puissance, aux provisions de loi en force relativement à la compensa-

tion pour entrée sur les terres occupées dans le but de conduire l'eau à travers ces terres.

38. Pour la mesure de l'eau dans toute digue ou écluse on observera les règles suivantes : L'eau prise dans toute digue ou écluse sera mesurée à la tête de la digue ou de l'écluse ; on ne prendra pas d'eau dans une digue ou écluse si ce n'est à un endroit parfaitement horizontal avec celui où l'eau s'y introduit ; un pouce d'eau désignera la moitié de la quantité qui peut passer par un orifice de deux pouces de hauteur par un de largeur, avec une tête d'eau constante de sept pouces au-dessus de la partie supérieure de l'orifice.

Licences de bois.

39. Les décrets et provisions contenus dans les vingt-six clauses suivantes seront limités dans leur application aux terres de la Puissance qui se trouvent dans le réseau des terres affectées aux chemins de fer dans la Colombie-Britannique et situées à l'ouest de Greenwich ; et quant à ce qui concerne celles de ces terres qui sont boisées, situées à l'est du dit 120ème degré de longitude à l'ouest de Greenwich, les provisions de l'Acte des terres de la Puissance, 1883, et les règlements faits de temps en temps par le Gouverneur en conseil s'y appliqueront.

(*a*) Le mot " bois " désignera toute espèce de bois et les produits qu'on en tire.

40. Il sera illégal à toute personne, sans être munie d'une licence à cet égard, qui sera accordée comme ci-après stipulé, de couper, d'abattre ou de charroyer tous arbres ou bois sur ou de toutes terres de la Puissance ; à moins que telles terres ne soient régulièrement possédées par titre de homestead, sous les provisions de ces règlements.

41. Toute personne qui violera les provisions de la section précédente sera susceptible, pour chaque offense, d'une amende n'étant pas moindre que vingt-cinq piastres et n'excédant pas cinq cents piastres ; laquelle amende sera recouvrable d'une manière sommaire, sur dénonciation de toute personne, devant un magistrat stipendiaire, ou deux juges de paix, et à défaut du paiement, il y aura emprisonnement pour pas plus de soixante jours.

42. Toute personne voulant couper ou abattre et charroyer des arbres ou du bois des terres de la Puissance, peut obtenir une licence à cet effet en se conformant aux provisions suivantes :

(*a*) Elle devra demander par écrit telle licence au ministre de l'Intérieur, et devra aussi, si le terrain que sa licence embrasse ne se trouve pas renfermé dans un township arpenté, jalonner tel terrain en plaçant à chaque angle ou coin un jalon ou un poteau d'au moins quatre pouces carrés et ne dépassant pas le sol de plus de quatre pieds ; et, sur chaque poteau, elle devra inscrire son nom et l'angle représenté de la manière suivante : " A. B's, N. E. coin " (signifiant coin nord-est,) ou suivant que les circonstances et la disposition des lieux l'exigeront ; si tels poteaux sont plantés avant que l'avis exigé dans la sous-section suivante ait été donné, tous les procédés de l'appliquant seront nuls ; avec son application, il devra envoyer au ministre de l'Intérieur, une carte ou un plan du terrain ainsi jalonné, spécifiant l'étendue et les limites et donnant les meilleures informations possibles relativement au dit terrain ; mais, si le terrain a déjà été arpenté, alors le numéro officiel de la section ou des sections ou de partie d'icelles que l'on mentionne sera seulement envoyé.

(*b*) Après avoir fait application pour une licence l'appliquant publiera, durant trente jours, dans la *Gazette de la Colombie-Britannique* et dans tout autre journal ayant de la circulation dans le district où se trouvent situées les terres en question, avis de son application pour une licence de bois et donnera dans tel avis la meilleure description possible du terrain dont il sollicite l'usage, spécifiant l'étendue et les limites et toutes autres particularités, s'il y en a, qui peuvent être exigées par le ministre de l'Intérieur.

43. Si aucune réclamation adverse est filée entre les mains du ministre de l'Intérieur, il peut la prendre en considération et en décider.

44. Une licence de bois sera accordée pour telle étendue de terre et tel intervalle de temps qui seront déterminés de temps en temps par le Gouverneur en conseil ; personne n'aura le droit à plus d'une licence en même temps ; le porteur de licence paiera au ministre de l'Intérieur, pour l'usage de Sa Majesté, une somme annuelle de cinquante piastres durant tout le temps que sa licence sera en force ; le premier paiement devant être fait dès l'émission de sa licence et les paiements suivants annuellement ensuite à une date fixée dans la licence, et à défaut de paiement de toute telle somme dans les trente jours après échéance, la licence deviendra nulle.

45. Aucune licence de bois ne sera accordée sur les terres faisant portion de tout établissement ou de toute réserve appartenant aux indiens, et le ministre de l'Intérieur peut refuser d'accorder toute licence quand il le juge favorable à l'intérêt public.

46. La licence doit être conforme à la formule M qui se trouve dans la cédule annexée à ces règlements.

47. Tout porteur de licence tiendra un compte écrit du nombre d'arbres qu'il aura abattus sur le terrain qu'embrasse sa licence, et à l'expiration de chaque trois mois, tant que durera sa licence, il préparera et fournira au ministre de l'Intérieur un état écrit, vérifié par une déclaration reçue devant un juge de paix, montrant le nombre d'arbres abattus, et il paiera alors à l'agent forestier de la couronne, pour l'usage de Sa Majesté, une somme de trente centins pour chaque arbre abattu, excepté pour tels arbres qui sont ci-après spécifiés.

48. Le porteur de licence produira, s'il en est requis, à l'agent forestier de la couronne, le compte original des arbres et du bois coupé, abattus ou charroyés sur ou du terrain que couvre sa licence.

49. Si le porteur de licence ne tient pas un compte écrit du nombre d'arbres abattus sous sa licence, ou s'il ne livre pas à l'agent forestier de la couronne l'état par écrit susdit, ou s'il présente volontairement un faux état, il sera susceptible d'une pénalité de deux cent cinquante piastres qui sera recouvrable comme susdit, et à défaut de paiement, il sera condamné à un emprisonnement n'excédant pas soixante jours, et au cas de conviction sa licence sera cancellée par le ministre de l'Intérieur.

50. La section précédente de ces règlements ne sera pas interprétée de manière à infliger une pénalité aux mineurs, employés à des recherches ou au travail des mines, ou aux voyageurs, ou aux personnes qui ne sont engagées que dans des explorations scientifiques, ou aux fermiers qui coupent du bois pour l'usage de leurs fermes, ou aux personnes qui coupent du bois de corde pour chauffage pour leur usage personnel ou pour des fins scholaires.

51. En marquant le nombre d'arbres abattus, on ne devra pas inclure le petit bois employé comme levier et pour d'autres usages du genre et on ne paiera pas de droits sur tel bois.

52. Si une personne, sans autorisation ou à moins que ce ne soit expressément permis par ces règlements, coupe ou emploie, ou induit toute autre personne à couper ou aider à couper du bois sur toutes terres de la Puissance, ou enlève ou charroie tout bois propre au commerce ainsi coupé, elle n'acquerra aucun droit sur le bois ainsi coupé et n'aura aucune réclamation pour avoir coupé le dit bois, l'avoir préparé pour le marché ou l'y avoir transporté ; et tout bois ainsi coupé peut être saisi par l'agent forestier de la couronne ou un autre officier ou agent du ministre de l'Intérieur, et sera vendu au bénéfice de la couronne ; et tous chevaux, bœufs, mules, et animaux ou quelques-uns d'entre eux, et les machines et tout le matériel trouvés sur aucune des terres de la Puissance où du bois a été coupé sans autorité légale, seront susceptibles de forfaiture et pourront être sai-

sis par l'officier sus-nommé et vendus aux bénéfices de la couronne.

(*a*) Si une personne enlève ou fait enlever du bois des terres de la couronne, elle paiera, à part la perte de son travail, trois piastres pour chaque arbre (le petit bois sus-mentionné excepté) qu'elle aura enlevé ou fait enlever de telles terres; laquelle somme sera recouvrée avec les frais au nom du ministre de l'Intérieur, devant toute cour ayant juridiction en matières civiles au montant de la pénalité;

(*b*) Dans toutes procédures sous l'autorité de cette section, il appartiendra à la partie accusée de prouver qu'elle était autorisée à couper du bois.

53. Quand du bois a été coupé sans autorisation, ou permission, comme il est mentionné ci-dessus, sur les terres de la Puissance et a été mêlé avec d'autre bois pour former un crible, une damme ou un radeau, ou a été mêlé de toute autre manière avec d'autre bois, tout le bois ainsi mélangé sera retenu comme ayant été pris sans autorisation sur les terres publiques et sera susceptible de saisie et de forfaiture par l'agent forestier de la couronne, ou un autre officier ou agent du ministre de l'Intérieur agissant pour la couronne.

54. L'officier faisant la saisie peut, au nom de la couronne, requérir l'assistance nécessaire pour mettre en sûreté et protéger le bois saisi.

55. Tout bois, animaux ou choses saisis sous l'autorité de ces règlements seront considérés abandonnés, à moins que la personne sur qui ils ont été saisis ou le propriétaire ne donne avis par écrit, dans le délai d'un mois après la saisie, au plus proche agent forestier de la couronne, qu'il réclame ou a l'intention de réclamer les effets saisis; à défaut de tel avis l'agent sus-mentionné fera rapport au ministre de l'Intérieur qui peut ordonner la vente du dit bois par le dit agent à telle date et de telle manière qu'il le jugera convenable.

56. Dans tous les cas où le dit avis a été donné, tout juge de la Cour Suprême peut sommairement, sur requête, juger telles saisies, et peut ordonner de livrer le bois à son propriétaire présumée sur garantie par ce dernier de payer le double de la valeur au cas de condamnation, laquelle garantie devra être soutenue par deux cautionnements bons et suffisants:

(*a*) Telle garantie sera prise au nom du ministre de l'Intérieur pour le bénéfice de Sa Majesté et sera livrée et gardée par le dit ministre de l'Intérieur;

(*b*) Si tout bois, animal ou chose pour lesquels une garantie a été donnée sont adjugés contre le réclamant, la valeur en devra être payée au ministre de l'Intérieur et la garantie sera cancellée, autrement la pénalité prendra force et sera collectée.

57. Toute personne se prévalant d'un faux état ou d'un faux serment pour échapper au paiement de tout argent dû en vertu de ces règlements perdra le bois à l'occasion duquel elle essaie de s'exempter de payer tels argents.

58. Le ministre de l'Intérieur pourra, en tout temps, définir les limites de districts de coupes de bois et nommer un agent des bois de la couronne pour chacun de ces districts.

59. Nuls billots coupés en vertu d'un permis accordé sous l'autorité des dispositions des présents règlements, ne seront sciés ni autrement convertis en bois de service ou autres matériaux, tant que ces billots n'auront pas été compassés et mesurés par l'agent des bois de la couronne pour le district, et que les sommes et droits prescrits par ces règlements n'auront pas été acquittés.

60. Tous les billlots seront compassés et mesurés par l'agent des bois de la Couronne ou la personne nommée à cette fin, par le ministre de l'Intérieur, pour le district dans lequel ces billots auront été coupés

61. Lors du compassement et mesurage des billots, la personne qui le fera, dressera une note indiquant le nombre de billots, le nombre de pieds de bois—mesure de planche—contenu dans ces billots, et le nom du propriétaire; et l'agent des bois de la Couronne transcrira dans les livres de son bureau une copie de cette note. Une autre copie de la note sera dressée et remise au propriétaire ou à son agent, avec un certificat y annexé, établissant que cette note est exacte—laquelle note ainsi attestée sera, à l'effet de constater le montant de droits de coupe de bois à être payé à l'égard de ces billots, une preuve fondée sur des présomptions des faits y contenus, ainsi que de l'exactitude du dit compassement ou mesurage.

62. L'échelle et la règle au moyen desquelles on déterminera la quantité de billots sera la règle établie et prescrite dans le *Scribner's Lumber and Log Book* tel qu'enregistré en 1882 par George W. Fisher, de Rochester, New-York,

63. Le porteur du permis devra payer et paiera au ministre de l'Intérieur, pour l'usage de Sa Majesté, la somme de soixante et quinze cents, pour chaque et tout mille pieds de bois—mesure de planche—contenu dans ces billots, et jusqu'à ce que cette somme soit payée, les billots ne devront pas être enlevés du terrain où ils auront été coupés, et un privilège pour ces droits grèvera ces billots jusqu'à ce que les dits droits aient été acquittés; et aussitôt que les billots seront compassés et mesurés, et jusqu'à ce que les droits soient payés, l'agent des bois de la Couronne pourra prendre et garder possession des dits billots.

64. Lorsque les billots seront compassés ou mesurés, il sera alloué pour les billots creux, croches ou autrement défectueux, suffisamment pour qu'ils équivalent à des billots sains, droits et marchands.

65. Le ministre de l'Intérieur pourra annuler tout permis de coupe de bois accordé sous l'autorité des dispositions des présents règlements, si, selon lui, le porteur du permis ne doit pas, dans le temps prescrit par son permis, procéder sans interruption à couper et fabriquer le bois dans les limites du dit permis.

Glissoires, etc.

66. Nulle vente ou concession d'aucunes terres fédérales ne donnera ni ne conférera aucun droit ni titre à aucune glissoire, digue, pile ou estacade, ni à aucun autre ouvrage précédemment construit sur ce terrain, ou sur un cours d'eau le traversant ou le longeant, dans le but de faciliter le flottage du bois de construction ou des billots, à moins qu'il ne soit expressément mentionné dans les lettres patentes ou autres documents constatant cette vente ou concession, que l'intention est que cette glissoire, digue, pile ou estacade, ou autre ouvrage, soit par là vendu ou cédé;

(2.) Le libre usage des glissoires, digues, piles, estacades ou autres ouvrages construits sur des cours d'eau, pour faciliter le flottage du bois de construction ou des billots, ainsi que le droit d'accès à ces travaux dans le but de s'en servir et de les entretenir, ne seront en aucune manière enlevés ni empêchés par l'effet ni en vertu d'aucune vente ou concession de terres fédérales faite subséquemment à la construction de ces ouvrages.

67. Le libre usage—pour le flottage des billots et autres bois—de tous les cours d'eau et lacs qui pourront être nécessaires pour enlever ce bois des terres fédérales, ainsi que le droit d'accès à ces cours d'eau et lacs, et celui de passer et repasser sur ou le long du terrain de chaque côté, et partout où il le faudra pour l'usage susdit, ainsi que sur tous chemins de portage, existants ou nécessaires, pour éviter des rapides ou chutes, ou reliant ces cours d'eau ou lacs, ou sur les chemins qui, à cause d'obstacles naturels, pourront être nécessaires pour enlever du bois des terres fédérales, et aussi le droit de construire des glissoires partout où il en faudra, dureront sans interruption, et ne seront pas affectés ni empêchés par l'effet ni en vertu d'aucune vente ou concession de ces terres.

Lettres patentes.

68. Le Gouverneur général pourra nommer un Lieutenant-Gouverneur qui, en l'absence du dit Gouverneur général ou en conformité de ses instructions, aura le pouvoir de signer des lettres patentes de terres fédérales; et la signature de ce Lieutenant-Gouverneur, apposée à ces lettres patentes, aura la même vigueur et le même effet que si les dites lettres patentes avaient été signées par le Gouverneur général lui-même.

(2.) Toutes lettres patentes de terrain devront être préparées dans le département de l'Intérieur, et seront signées par le ministre de l'Intérieur ou son adjoint, ou par quelque autre personne à ce spécialement autorisée par arrêté du Gouverneur général rendu en conseil, et lorsque ces lettres seront ainsi signées elles devront être enregistrées par un fonctionnaire spécialement nommé à cette fin par le régistraire général, et ensuite transmises au secrétaire d'Etat du Canada pour être contresignées par lui ou par le sous-secrétaire d'Etat, et l'un ou l'autre de ces derniers y fera apposer le grand sceau du Canada ; mais toute lettre patente de terrain devra être signée par le Gouverneur ou son adjoint, ainsi que ci-dessus prescrit.

69. Lorsque, par suite d'erreur dans l'arpentage ou dans les livres ou plans d'un bureau des terres fédérales, il manquera quelque chose à une concession de terre, le ministre de l'Intérieur pourra ordonner une concession gratuite d'une valeur égale—à l'époque de la concession ou de la vente du terrain—à l'insuffisance constatée ; ou bien il pourra ordonner que le prix d'achat d'autant de terrain qu'il en manquera, avec l'intérêt au taux de six pour cent par année, à compter de l'époque de l'achat du dit terrain, soit remboursé à l'acquéreur ; mais nulle réclamation relative à aucune telle insuffisance ne sera reçue à moins qu'elle ne soit présentée dans les cinq ans à compter de la date de la lettre patente, ni à moins que l'insuffisance en question n'égale un dixième de l'étendue entière décrite dans la dite lettre patente comme étant contenue dans le lot ou morceau de terre concédé.

70. Lorsqu'une lettre patente aura été délivrée par erreur à une personne ou au nom de cette personne, ou contiendra une erreur de copiste, ou une erreur de nom, ou une description erronée ou défectueuse du terrain qu'elle aura l'intention de concéder, ou bien lorsqu'il y aura dans une telle lettre patente une omission des conditions, le ministre de l'Intérieur pourra (s'il n'y a pas de prétention contradictoire) ordonner que la lettre patente défectueuse soit annulée et qu'une lettre patente exacte soit délivrée en son lieu et place—laquelle lettre patente corrigée renverra à la date de celle ainsi annulée et aura le même effet que si elle eût été délivrée à la date de la lettre patente annulée.

71. Dans tous les cas où, par suite d'erreur, il aura été délivré, pour le même terrain, des titres de concession ou des lettres patentes incompatibles les uns avec les autres, et dans tous les cas de ventes ou d'appropriations du même terrain incompatibles les unes avec les autres, le ministre de l'Intérieur pourra ordonner qu'il soit donné à la personne par là dépossédée une nouvelle concession de terre d'une valeur égale à celle que la concession première avait à l'époque de sa date ; ou bien, il pourra, dans le cas de vente, faire rembourser le prix d'achat avec intérêt, ou lorsque le terrain aura été cédé par le premier acquéreur ou aura été amélioré avant la découverte de l'erreur, ou lorsque la concession première, sera une concession gratuite, le ministre de l'Intérieur pourra concéder du terrain, ou accorder, pour l'achat de terres fédérales, tel certificat qui lui paraîtra juste et raisonnable dans les circonstances ; mais nulle réclamation faite sous l'autorité du présent article ne sera reçue à moins qu'elle ne soit présentée dans l'année après la découverte de l'erreur.

72. Dans tous les cas où des lettres patentes, baux ou autres actes concernant des terrains auront été délivrés par fraude, erreur ou imprévoyance, tout tribunal de juridiction compétente dans les causes se rattachant à la propriété foncière, dans la province ou l'endroit où ces terrains seront situés, pourra, sur poursuite, requête ou plainte au sujet du dit terrain, et après avoir entendu les parties intéressées, ou sur défaut des dites parties, après que tel avis de procéder que le dit tribunal ordonnera, annuler les dites lettres patentes, baux ou autres actes ; et après l'enregistrement de ce décret dans le bureau du registraire général du Canada, les dites lettres patentes, baux ou autres actes seront nuls.

73. Lorsqu'un colon, acheteur ou autre personne refusera ou négligera d'abandonner la possession d'un terrain après sa confiscation sous l'autorité des dispositions des présents règlements, ou lorsqu'une personne sera injustement en possession d'un terrain de l'Etat, ou refusera d'en laisser ou abandonner la possession, le ministre de l'Intérieur pourra demander à un juge d'une cour ayant juridiction compétente dans les causes se rattachant à la propriété foncière dans la province ou l'endroit où le terrain sera situé, un ordre sous la forme d'un bref d'éviction ou d'*habere facias possessionem* ; et le dit juge, sur preuve faite à sa satisfaction que le dit terrain était ainsi confisqué et devrait retourner à la Couronne, ou est injustement en la possession de la dite personne, accordera contre le colon ou la personne ou les personnes en possession, un ordre enjoignant de remettre le dit terrain au ministre de l'Intérieur ou à la personne par lui autorisée à en recevoir la possession ; et le dit ordre aura le même effet qu'un bref d'*habere facias possessionem*, et le shérif devra l'exécuter comme il exécuterait le dit bref dans une poursuite en éviction ou dans une action pétitoire.

Cessions.

74. Le ministre devra faire tenir dans son département des livres pour enregistrer, au choix des parties intéressées, les cessions de tout droit aux terrains de l'Etat qui sont transférables sous l'autorité des présents règlements, sur preuve faite à sa satisfaction que la dite cession est en conformité de ces règlements ; et toute cession ainsi enregistrée sera valide à l'encontre de toute autre cession non enregistrée ou enregistrée subséquemment ; mais toute cession à être enregistrée devra être inconditionnelle, et toutes les conditions auxquelles le droit est soumis devront avoir été remplies ou mises de côté par le ministre de l'Intérieur avant l'enregistrement de la cession.

75. Sur la demande d'une lettre patente faite par le représentant légal d'une personne décédée y ayant droit, ou qui s'était fait inscrire, et qui, si elle avait vécu aurait eu droit à la dite lettre patente, le ministre de l'Intérieur pourra recevoir la preuve des faits de telle manière qu'il jugera à propos de l'exiger, et quand il sera convaincu que la réclamation est bien établie, il pourra l'accorder et ordonner en conséquence qu'une lettre patente soit délivrée.

Plans des townships et liste des lettres patentes.

76. Le ministre de l'Intérieur devra transmettre au régistraire général de la Colombie Anglaise ou à son ou ses adjoints aussitôt que possible, chaque année, un exemplaire certifié de la carte géographique de chaque township dans le comté, district ou division qui aura été arpenté pendant l'année précédente, aussi qu'une liste certifiée des terrains dans ce comté, district ou division, pour lesquels des lettres patentes auront été délivrées pendant la dite année.

Dispositions générales.

77. Les pouvoirs suivants sont par les présentes délégués au Gouverneur en conseil qui pourra les exercer, en tout temps, par des arrêtés spéciaux, sur la recommandation du ministre de l'Intérieur, savoir :—

(*a*) Soustraire à l'opération des présents règlements, sauf les droits existants tels que définis ou créés par ces règlements, les terrains qui ont été ou qui pourraient être mis en réserve pour les sauvages ;

(*b*) Encourager les travaux entrepris dans le but d'assécher et de mettre en valeur les terrains maré

cageux, en accordant aux promoteurs de ces travaux une rémunération sous la forme d'une concession gratuite des terrains ainsi mis en valeur, ou de toute partie de ces terrains ou de tout autre terrain dont la concession pourra être jugée juste et raisonnable ;

(c) Décréter de temps à autre les ordres qui pourront être jugés nécessaires pour mettre à effet les dispositions des présents règlements, suivant leur véritable intention, ou pour faire face à tous les cas pouvant se présenter et auxquels les présents règlements ne pourvoient pas ; en outre, faire et promulguer tous règlements qui pourront être jugés nécessaires pour donner pleine force et effet aux dispositions contenues dans le présent article ; et, en tout temps, modifier ou abroger tout ordre ou tous ordres, ou tous règlements faits à l'égard des dites dispositions, et en décréter d'autres pour les remplacer ;

(2) Tout ordre rendu ou règlement fait par le Gouverneur en conseil, sous l'autorité des dispositions du présent article, ou de tout autre article des présents règlements, n'aura—à moins qu'il ne soit autrement prescrit dans les présents règlements—vigueur et effet qu'après avoir été publié, pendant quatre semaines consécutives, dans la *Gazette du Canada*, et la *British Columbia Gazette*; et tous tels ordres ou règlements devront être soumis aux deux Chambres du parlement dans les premiers quinze jours de la session qui suivra leur date.

78. Sauf tel qu'autrement prescrit dans les présents règlements, tous les affidavits, serments, déclarations ou affirmations solennelles que ces règlements ordonnent de recevoir ou de faire, pourront être reçus devant un régistraire de la cour Suprême de la Colombie Anglaise, ou le juge ou régistraire de toute cour de comté, ou tout juge de paix, ou tout commissaire pour recevoir les affidavits, ou notaire public, ou tout agent ou officier des terres fédérales, ou toute personne spécialement autorisée par les présents règlements ou le ministre de l'Intérieur à recevoir ces affidavits.

79. Le bureau des terres fédérales, le commissaire des terres fédérales, l'inspecteur des agences des terres fédérales, ainsi que tout agent local et toute personne spécialement autorisée à cet effet par le Gouverneur en conseil, pourra assigner toute personne à comparaître devant lui, au moyen d'un subpœna, aux fins d'examiner cette personne sous serment et de contraindre à la production de papiers et écrits devant lui ; et ce subpœna pourra être conçu dans les termes de la formule N contenue dans l'annexe des présents règlements ; et—si une personne régulièrement assignée néglige ou refuse de comparaître à l'époque et aux lieu désignés dans le subpœna qui lui aura été signifié, ou refuse de rendre témoignage ou de produire les papiers ou écrits qu'on lui demande—il pourra, au moyen d'un bref revêtu de sa signature, faire arrêter la personne qui néglige ou refuse ainsi, et la faire incarcérer dans la prison commune la plus rapprochée, comme pour mépris de cour, pendant une période n'excédant pas quatorze jours.

80. Dans tous les cas où les présents règlements exigent un affidavit ou un serment, une affirmation solennelle pourra être faite au lieu d'un serment, par toute personne à laquelle la loi permet, dans les causes civiles, de faire une affirmation au lieu de prêter serment.

81. Tout reçu ou certificat d'inscription ou de vente délivré par un agent des terres fédérales, à moins que cette inscription ou vente n'ait été révoquée ou annulée par le ministre de l'Intérieur, donne à la personne à laquelle il a été accordé, le droit de maintenir des poursuites en droit ou en équité contre toute personne causant du dommage ou empiétant sur le terrain auquel se rapporte ce reçu ou certificat, aussi efficacement qu'il pourrait le faire en vertu d'une lettre patente délivrée par la couronne pour ce terrain.

Arpentages et Arpenteurs.

Quelles personnes pourront arpenter les terres fédérales.

82. Le ministre de l'Intérieur pourra, à sa discrétion, nommer, en tout temps, pour exercer les fonctions d'arpenteurs des terres fédérales dans la province de la Colombie-Britannique, telles personnes ayant les qualités voulues qu'il jugera à propos ou nécessaire ; lorsqu'il le jugera à propos, le Gouverneur général pourra, par arrêté rendu en conseil, décréter que les articles 87 à 124, inclusivement, de l'Acte des terres fédérales, 1883, ou aucun d'entre eux, s'étendront à la province de la Colombie-Britannique et y deviendront exécutoires, à une date qui sera fixée dans et par cet ordre ; et à compter de la date ainsi fixée, les dits articles 87 à 124, inclusivement, ou aucun d'entre eux, auront la même vigueur et le même effet que s'ils avaient été incorporés dans les présents règlements et en avaient fait partie.

Tarif d'honoraires.

83. Le Gouverneur en conseil pourra établir un tarif d'honoraires à être exigés par le ministre de l'Intérieur pour tous exemplaires ou toutes copies de cartes, plans de townships, notes d'arpentage et autres, ainsi que pour l'enregistrement des cessions, et tous les honoraires reçus en vertu de ce tarif feront partie du revenu des terres fédérales.

Je, de , demande par les présentes une inscription d'établissement gratuit, sous l'autorité des dispositions des règlements à l'effet de disposer des terres fédérales dans la zone de chemin de fer, dans la province de la Colombie-Britannique, tels qu'approuvés par arrêté rendu en conseil le 20 avril 1885, pour le quart de section de la section numéro du township , dans le rang du méridien.

—

Formule B.

Affidavit à l'appui d'une demande d'inscription d'établissement gratuit, par une personne qui, de bonne foi, s'est établie et a fait des améliorations sur un terrain avant l'arpentage.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où il s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Communes

—

Et de plus, en conformité d'une Résolution adoptée par la Chambre des communes, le 20 avril 1883, il est ordonné que—

"Tous les bills privés demandant des actes constitutifs devront être rédigés de manière à y incorporer, en les spécifiant, les *clauses* des Actes généraux concernant les détails qui font l'objet de ces bills; des raisons spéciales seront données chaque fois que l'on aura l'intention de se départir de ce principe, ou que l'on voudra y introduire d'autres dispositions touchant ces détails; et une note sera annexée au bill indiquant les dispositions au sujet desquelles l'on entend s'écarter de l'Acte général; les bills qui ne seront pas rédigés conformément à cette Règle, devront être remodelés par les auteurs et ré-imprimés à leurs frais, avant qu'aucun comité en examine les clauses.

J. G. BOURINOT,
Greffier des Communes.

Règles du Sénat relatives aux avis de bills de divorce

72. Quiconque a l'intention de demander un bill de divorce, doit donner avis de son intention, et spécifier d'avec qui et pour quelle cause il veut divorcer. L'avis doit être inséré pendant six mois, à la *Gazette du Canada*, et dans deux journaux du district (si c'est dans les provinces de Québec et de Manitoba.) ou du comté ou des comtés-unis, (si c'est dans les autres provinces,) où le pétitionnaire résidait ordinairement lors de la séparation; et si le nombre voulu de journaux n'y paraît pas, alors la publication de l'avis devra se faire dans le district, le comté ou les comtés-unis voisins.

Un exemplaire en manuscrit de l'avis devra être signifié, à l'instance du pétitionnaire, à la personne d'avec laquelle il veut divorcer, si le lieu de la résidence de cette dernière peut être connu; et la preuve de cette signification ou de la diligence faite pour l'effectuer, doit être produite sous serment devant le Sénat et à sa satisfaction, lors de la lecture de la pétition.

The QUEEN'S Most Excellent Majesty.
Lord President.
Lord Privy Seal.
Lord Steward.
Mr. Trevelyan.

WHEREAS by the "Extradition Acts, 1870 and 1873," it was amongst other things enacted that, where an arrangement has been made with any foreign State with respect to the surrender to such State of any fugitive criminals, Her Majesty may, by

Order in Council, direct that the said Acts shall apply in the case of such foreign State; and that Her Majesty may, by the same or any subsequent Order, limit the operation of the Order, and restrict the same to fugitive criminals who are in or suspected of being in the part of Her Majesty's dominions specified in the Order, and render the operation thereof subject to such conditions, exceptions, and qualifications as may be deemed expedient; and that if by any law made after the passing of the Act of 1870 by the Legislature of any British possession, provision is made for carrying into effect within such possession the surrender of fugitive criminals who are in or suspected of being in such British possession, Her Majesty may by the Order in Council applying the said Acts in the case of any foreign State, or by any subsequent Order suspend the operation within any such British possession of the said Acts or of any part thereof, so far as it relates to such foreign State, and so long as such law continues in force there and no longer:

And whereas in accordance with section 18 of the "Extradition Act, 1870," the Legislature of the Dominion of Canada has, by laws passed in the years 1877 and 1882, and respectively styled "The Extradition Act, 1877," and "An Act to amend the Extradition Act, 1877," made provision for carrying into effect within the Dominion the surrender of fugitive criminals who are in, or are suspected of being in, the Dominion:

And whereas a Treaty was concluded on the twenty-sixth day of March, one thousand eight hundred and eighty-four, between Her Majesty and the Oriental Republic of the Uruguay, for the Mutual Extradition of fugitive criminals, which Treaty is in the terms following:—

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, and His Excellency the President of the Oriental Republic of the Uruguay, having judged it expedient, with a view to the better administration of justice and the prevention of crime, that persons charged with or convicted of the crimes hereinafter enumerated, and being fugitives from justice, should, under certain circumstances, be reciprocally delivered up, have resolved to conclude the present Treaty, and have appointed as their Plenipotentiaries, namely:

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, the Honourable Edmund John Monson, a Companion of the Most Honourable Order of the Bath, Her Majesty's Minister Resident and Consul-General to the Oriental Republic of the Uruguay; and

The extradition is also to take place for participation in any of the aforesaid crimes as an accessory before or after the fact, provided such participation be punishable by the laws of both Contracting Parties.

Art. III.—The provisions of the present Treaty shall not be applicable to offences committed before the date of its conclusion.

Art. IV.—A person surrendered shall not be detained or tried for any crime or offence committed in the other country before the extradition other than the crime or offence for which his surrender has been granted.

Art. V.—No person shall be surrendered if the offence in respect of which his surrender is demanded is one of a political character, or if he prove to the satisfaction of the competent authority of the State in which he is that the requisition for his surrender has in fact been made with a view to try or punish him for an offence of a political character.

Art. VI.—In the Oriental Republic of the Uruguay the proceedings for the demand and obtaining extradition shall be as follows:—

The Diplomatic Representative or Consul-General of Great Britain shall address to the Minister Secretary of State in the Department of Foreign Relations, with the demand of extradition, an authentic and legalized copy of the sentence or mandate of arrest issued by competent autho ity, or other documents of the same legal force, against the accused person, setting forth clearly the crime or offence on account of which proceedings are being taken against the fugitive. These judicial documents shall be accompanied, if possible, by a description of the person claimed, and by any other information or intelligence which may serve to identify such person.

These documents shall be communicated by the Minister of Foreign Relations to the Superior Tribunal of Justice, which, in its turn, shall transmit them to the Stipendiary Magistrate (Juez Letrado del Crimen). This functionary shall have power, authority, and jurisdiction, in virtue of the claim preferred,

to issue the formal order of arrest of the person so claimed, in order that he may be brought before him, and that, in his presence, and after hearing his defence, the proofs of his criminality may be taken into consideration; and if the result of this audience be that the said proofs are sufficient to sustain the charge, he shall be obliged to issue the formal order of delivery, giving notice thereof, by the medium of the Superior Tribunal of Justice, to the Minister of Foreign Relations, who shall dictate the necessary measures for placing the fugitive at the disposal of the British Agents charged to receive him.

In case the documents furnished by Her Britannic Majesty's Government for the identification of the person claimed, or the information obtained for the same and by the authorities of the Oriental Republic of the Uruguay, be held to be insufficient, notice shall immediately be given of the fact to the Diplomatic Representative or Consular Agent of Great Britain, the person under arrest remaining in custody until the British Government shall have furnished new proofs to establish the identity of such person, or evidence to clear up other difficulties relating to the examination of, and decision upon the matter.

The arrest above referred to of the person proceeded against for any of the crimes or offences specified in this Treaty shall not be prolonged more than three months. At the expiration of that period, if the Government making the claim shall not have fulfilled the conditions above stated, the prisoner shall be released, and shall not be liable to be re-arrested on the same charge.

Art. VII.—In the dominions of Her Britannic Majesty, other than the Colonies or foreign Possessions of Her Majesty, the manner of proceeding, in order to demand and obtain extradition, shall be as follows:—

(*a.*) In the case of a person accused—The requisition for the surrender shall be made to Her Britannic Majesty's Principal Secretary of State for Foreign Affairs by the Diplomatic Representative or Consul General of the Oriental Republic of the Uruguay. The said demand shall be accompanied by a warrant of arrest or other equivalent judicial document, issued by a Judge or Magistrate duly authorized to take cognizance of the acts charged against the accused in that Republic and duly authenticated depositions or statements taken on oath before such Judge or Magistrate, clearly setting forth the said acts, and containing a description of the person claimed, and any particulars which may serve to identify him.

The said Principal Secretary of State shall transmit such documents to Her Britannic Majesty's Principal Secretary of State for the Home Department, who shall then, by order under his hand and seal, signify to some Police Magistrate in London that such requisition has been made, and require him, if there be due cause, to issue his warrant for the apprehension of the fugitive. On the receipt of such order from the Secretary of State, and on the production of such evidence as would, in the opinion of the Magistrate, justify the issue of the warrant if the crime had been committed in the United Kingdom, he shall issue his warrant accordingly.

When the person claimed shall have been apprehended, he shall be brought before the Magistrate who issued the warrant, or some other Police Magistrate in London. If the evidence to be then produced shall be such as to justify, according to the law of England, the committal for trial of the prisoner, if the crime of which he is accused had been committed in the United Kingdom, the Police Magistrate shall commit him to prison to await the warrant of the Secretary of State for his surrender, sending immediately to the Secretary of State a certificate of the committal and a report upon the case.

After the expiration of a period from the commit tal of the prisoner, which shall never be less than fifteen days, the Secretary of State shall, by order under his hand and seal, order the fugitive criminal to be surrendered to such person as may be duly authorized to receive him on the part of the Oriental Republic of the Uruguay.

(*b.*) In the case of a person convicted—The course of proceeding shall be the same as above indicated except that the warrant to be transmitted by the Diplomatic Representative or Consul General of the Oriental Republic of the Uruguay in support of his requisition shall clearly set forth the crime or offence of which the person claimed has been convicted, and state the place and date of his conviction.

The evidence to be produced before the police magistrate shall be such as would, according to the law of England, prove that the prisoner was convicted of the crime charged.

(*c.*) Persons convicted by judgment in default or *arrêt de contumace* shall be, in the matter of extradition, considered as persons accused, and, as such, be surrendered.

(*d.*) After the police magistrate shall have committed the accused or convicted person to prison to await the order of a Secretary of State for his surrender, such person shall have the right to apply for a writ of *habeas corpus*; if he should so apply, his surrender must be deferred until after the decision of the court upon the return to the writ, and even then can only take place if the decision is adverse to the applicant. In the latter case the court may at once order his delivery to the person authorized to receive him, without the order of a Secretary of State for his surrender, or commit him to prison to await such order.

Art. VIII.—Warrants, depositions, or statements on oath, issued or taken in the Dominions of either of the two High Contracting Parties, and copies thereof and certificates of or judicial documents stating the facts of conviction, shall be received in evidence in proceedings in the dominions of the other, if purporting to be signed or certified by a judge, Magistrate, or officer of the country where they were issued or taken, provided such warrants, depositions, statements, copies, certificates, and judicial documents are authenticated by the oath of some witness, or by being sealed with the official seal of the Minister of Justice or some other Minister of State.

Art. IX.—A fugitive criminal may be apprehended under a warrant issued by any Police Magistrate, Justice of the Peace, or other competent authority in either country, on such information or complaint, and such evidence, or after such proceedings as would, in the opinion of the authority issuing the warrant, justify the issue of a warrant if the crime had been committed or the person convicted in that part of the dominions of the two contracting parties in which the Magistrate, Justice of the Peace, or other competent authority exercises jurisdiction: Provided, however, that in the United Kingdom the accused shall, in such case, be sent as speedily as possible before a Police Magistrate in London. He shall in accordance with this Article be discharged, as well in the United Kingdom as in the Oriental Republic of the Uruguay, if within the term of thirty days a requisition for extradition shall not have been made by the Diplomatic or Consular Agent of his country in accordance with the stipulations of this Treaty.

The same rule shall apply to the cases of persons accused or convicted of any of the crimes or offences specified in this Treaty, and committed on the high seas on board any vessel of either country which may come into a port of the other.

Art. X.—The stipulations of the present Treaty shall be applicable to the Colonies and foreign Possessions of Her Britannic Majesty.

The requisition for the surrender of a fugitive criminal who has taken refuge in any of such Colonies or foreign Possessions shall be made to the Governor or chief authority of such Colony or Possession by the Chief Consular Officer of the Oriental Republic of the Uruguay in such Colony or Possession.

Such requisition may be disposed of, subject always, as nearly as may be, to the provisions of this Treaty, by the said Governor or chief authority, who, however, shall be at liberty either to grant the surrender or to refer the matter to his Government.

Her Britannic Majesty shall, however, be at liberty to make special arrangements in the British Colonies and foreign Possessions for the surrender of

Uruguayan criminals who may take refuge within such Colonies and foreign Possessions, on the basis, as nearly as may be, of the provisions of the present Treaty.

Art. XI.—The claim for extradition shall not be complied with if the individual claimed has been already tried for the same offence in the country whence the extradition is demanded, or if, since the commission of the acts is charged, the accusation or the conviction, exemption from prosecution or punishment, has been acquired by lapse of time, according to the laws of that country.

Art. XII.—If the individual claimed by one of the two High Contracting Parties in pursuance of the present Treaty should be also claimed by one or several other Powers, on account of other crimes or offences committed upon their respective territories, his extradition shall be granted to that State whose demand is earliest in date.

Art. XIII.—If the individual claimed should be under prosecution, or have been condemned for a crime or offence committed in the country where he may have taken refuge, his surrender may be deferred until he shall have been discharged in due course of law.

In case he should be proceeded against or detained in such country, on account of obligations contracted towards private individuals, the extradition shall nevertheless take place.

Art. XIV.—Every article found in the possession of the individual claimed at the time of his arrest, shall, if the competent authority so decide, be delivered up with his person at the time when the extradition takes place. Such delivery shall not be limited to the property or articles obtained by stealing or by fraudulent bankruptcy, but shall extend to every thing that may serve as proof of the crime or offence, and shall take place even when the extradition, after having been granted, cannot be carried out by reason of the escape or death of the individual claimed.

The rights of third parties with regard to the said property or articles are nevertheless reserved.

Art. XV.—The High Contracting Parties renounce any claim for the reimbursement of the expenses incurred by them in the arrest and maintenance of the person to be surrendered, and his conveyance as far as the frontier; they reciprocally agree to bear such expenses themselves.

Art. XVI.—The present Treaty shall be ratified, and the ratifications shall be exchanged at Monte Video as soon as possible.

It shall come into operation ten days after its publication, in conformity with the laws of the respective countries, and each of the Contracting Parties may at any time terminate the Treaty on giving to the other six months' notice of its intention to do so.

In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seals of their arms.

Done at Monte Video, the twenty-sixth day of March, in the year of Our Lord, one thousand eight hundred and eighty-four.

(L.S.) EDMUND MONSON.
(L.S.) MANL. HERRA. Y OBES.

And whereas the ratifications of the said Treaty were exchanged at Monte Video on the thirteenth day of December, one thousand eight hundred and eighty-four;

Now, therefore, Her Majesty, by and with the advice of Her Privy Council, and in virtue of the authority committed to Her by the said recited Acts, doth order, and it is hereby ordered, that from and after the twentieth day of March, one thousand eight hundred and eighty-five, the said Acts shall apply in the case of Uruguay, and of the said Treaty with the Oriental Republic of the Uruguay.

Provided always, and it is hereby further ordered that the operation of the said Acts shall be suspended within the Dominion of Canada, so far as relates to the Oriental Republic of the Uruguay and to the said Treaty, and so long as the provisions of the Canadian Acts aforesaid continue in force, and no longer.

Que l'officier-rapporteur nommera des personnes pour être présentes aux bureaux de votation et assister à l'opération finale du recensement des votes, de la part des personnes intéressées, concourant ou s'opposant respectivement à l'adoption de la pétition, à l'Hôtel-de-Ville, en la ville de Cayuga, dans le dit comté, lundi, le treizième jour de juillet prochain, à dix heures de l'avant-midi.

Que les votes des électeurs seront comptés, et le résultat du scrutin annoncé par l'officier-rapporteur à l'Hôtel-de-Ville, en la dite ville de Cayuga, lundi, le vingtième jour de juillet prochain, à dix heures de l'avant-midi, et que, dans le cas d'adoption de la pétition par les électeurs, le Gouverneur général en conseil pourra, en tout temps après l'expiration de soixante jours depuis la date de l'adoption de la dite pétition, par ordre en conseil publié dans la *Gazette du Canada*, déclarer que la deuxième partie du dit acte sera en vigueur dans tel comté à dater du jour de l'expiration des licences annuelles ou semi-annuelles alors en force dans tel comté pour la vente de liqueurs spiritueuses, pourvu que ce jour soit au moins quatre-vingt-dix jours après la date de tel ordre en conseil, sinon, à dater de cette même époque l'année suivante ; et s'il n'y a pas de licences en force dans le dit comté, alors que la deuxième partie du dit acte deviendra en force et prendra effet dans le dit comté à l'expiration de trente jours à dater de tel ordre en conseil.

DÉPÊCHES, ETC.

Extrait de la *Gazette* de Londres du mardi, le 10 mars 1885.

—

A la Cour de Windsor, le 5 mars 1885.

PRÉSENTS :

Sa Très Excellente Majesté la REINE.
Le lord Président,
Le lord Garde du Sceau Privé,
Lord Steward,
M. Trevelyan.

ATTENDU qu'en vertu des " Actes d'Extradition, 1870 et 1873," il était stipulé entr'autres choses que, chaque fois qu'un arrangement a été conclu avec un Etat étranger au sujet de la tradition à tel Etat de tous criminels fugitifs, il est loisible à Sa Majesté d'ordonner par ordre en conseil que les dits actes s'appliqueront à l'égard de l'Etat étranger en question ; qu'il est également loisible à Sa Majesté, dans le même ou dans un ordre subséquent, de restreindre l'opération du dit ordre et de limiter son application aux fugitifs criminels qui se trouvent ou sont supposés se trouver dans la partie des possessions de Sa Majesté spécifiées dans tel ordre et d'en soumettre l'action à telles conditions, exceptions et qualifications qui peuvent être jugées convenables ; que si, par quelque loi adoptée après la passation de l'Acte de 1870 par la législature de toute possession britannique, il est pourvu aux moyens d'exécuter la tradition des criminels fugitifs qui se trouvent ou sont soupçonnés se trouver dans telle possession britannique, Sa Majesté pourra, par un ordre en conseil, appliquer les dits actes à l'égard de tout Etat étranger, ou par tout ordre subséquent suspendre la mise en opération, dans toute telle possession britannique, des dits actes ou de toute partie d'iceux, en autant qu'ils se rapportent à telle puissance étrangère, et aussi longtemps que telles lois continuent à y être en force, mais pas plus longtemps ;

Et attendu que conformément à la section 18 de "l'Acte d'Extradition de 1870" la législature de la Puissance du Canada a, par des lois passées dans les années 1877 et 1882 et appelées respectivement " l'Acte d'Extradition de 1877 " et " Un acte pour amender l'Acte d'Extradition de 1877," pourvu à la mise à effet dans la Puissance, la tradition des criminels fugitifs qui se trouvent, ou sont soupçonnés se trouver dans la Puissance ;

Et attendu qu'un traité a été conclu le vingt-sixième jour de mars mil huit cent quatre-vingt-quatre, entre Sa Majesté et la République orientale de l'Uruguay, pour l'Extradition mutuelle des criminels fugitifs, lequel traité est rédigé comme suit :

Sa Majesté la reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, et Son Excellence le Président de la République orientale de l'Uruguay, ayant jugé convenable, en vue de la meilleure administration de la justice et pour la répression du crime, que les personnes accusées ou convaincues coupables des offenses criminelles ci-après mentionnées et cherchant à échapper à la justice, soient, sous certaines circonstances, livrées réciproquement, ont résolu de

conclure le présent traité et ont nommé comme leurs plénipotentiaires, les personnes suivantes, savoir :—

L'extradition aura aussi lieu pour la participation à chacun des crimes mentionnés ci-dessus comme accessoire avant ou après le fait, pourvu que telle participation soit punissable par les lois des deux parties contractantes.

Art. III.—Les provisions du présent traité ne seront pas applicables aux offenses commises avant la date de sa passation.

Art. IV.—Aucune personne arrêtée ne sera détenue ni jugée pour aucun crime ou offense commis dans l'autre pays avant l'extradition, autre que le crime ou l'offense pour lesquels sa tradition a été accordée.

Art. V.—Aucune personne ne sera livrée si l'offense pour laquelle sa tradition est demandée est d'un caractère politique ou si elle prouve à la satisfaction de l'autorité compétente de l'Etat dans lequel elle se trouve que la demande de sa tradition a été faite effectivement dans le but de lui faire un procès ou de la punir pour une offense d'un caractère politique.

Art. VI.—Dans la République orientale de l'Uruguay, les procédures à suivre pour demander et obtenir l'extradition seront comme suit :—

Le représentant diplomatique ou le consul-général de la Grande-Bretagne adressera au ministre secrétaire d'Etat dans le département des Affaires étrangères, avec la demande d'extradition une copie authentique et légalisée de la sentence ou du mandat d'arrestation émané par l'autorité compétente, ou d'autres documents ayant la même force légale contre la personne accusée, relatant clairement le crime ou l'offense, pour lesquels sont pris les procédés contre le fugitif

Ces documents judiciaires seront accompagnés, si possible, du signalement de la personne réclamée et de toute autre information ou note pouvant servir à identifier telle personne.

Ces documents seront communiqués par le ministre des affaires étrangères au tribunal supérieur de la justice, lequel, à son tour les transmettra au magistrat stipendiaire (Juez Letrado del Crimen). Ce fonctionnaire aura pouvoir, autorité et juridiction, en vertu de la réclamation à lui soumise, d'émaner un ordre formel d'arrestation contre la personne que l'on réclame, de telle sorte qu'elle soit amenée devant lui et que, en sa présence, et après avoir entendu sa défense, les preuves de son crime soient prises en considération ; et, si le résultat de cet examen lui démontre que les dites preuves sont suffisantes pour maintenir l'accusation, il sera obligé d'émaner l'ordre formel de tradition, en donnant avis, par l'intermédiaire du tribunal supérieur de la justice, au ministre des affaires étrangères, qui ordonnera l'adoption des mesures nécessaires pour placer le fugitif à la disposition des agents anglais chargés de le recevoir.

Au cas où les documents fournis par le gouvernement de Sa Majesté britannique pour l'identification de la personne réclamée ou les informations recueillies dans le même but par les autorités de la République orientale de l'Uruguay seront considérés insuffisants, avis du fait sera immédiatement donné au représentant diplomatique ou à l'agent consulaire de la Grande-Bretagne ; la personne sous arrestation demeurant prisonnière jusqu'à ce que le gouvernement britannique ait fourni de nouvelles preuves pour établir l'identité de telles personnes ou ait fait disparaître les difficultés relatives à l'examen de l'affaire et à la décision qui en doit découler.

L'arrestation susdite de la personne contre laquelle on procède pour tout crime ou toute offense spécifiés dans ce traité ne devra pas se prolonger plus de trois mois. A l'expiration de cette période, si le gouvernement qui a fait la réclamation n'a pas rempli les conditions ci-dessus déclarées, le prisonnier sera relâché et ne sera pas susceptible d'être arrêté de nouveau sur le même chef d'accusation.

Art. VII.—Dans les territoires de Sa Majesté britannique, autres que ses colonies ou ses possessions étrangères, la manière de procéder pour demander et obtenir l'extradition sera comme suit :—

(*a*) Dans le cas d'une personne accusée—

La demande de tradition sera faite au principal secrétaire d'Etat de Sa Majesté britannique pour les affaires étrangères par le représentant diplomatique ou le consul général de la République orien-

tale de l'Uruguay. Telle demande sera accompagnée d'un mandat d'arrestation ou d'un autre document judiciaire ayant autorité équivalente, émané par un juge ou un magistrat dûment autorisé à prendre connaissance des actes portés à la charge de l'accusé dans cette République, et des dispositions dûment authentiquées ou déclarations reçues sous serment devant tel juge ou magistrat, énonçant clairement les dits actes et contenant une description de la personne réclamée, ainsi que tous les renseignements qui peuvent servir à l'identifier.

Le dit principal secrétaire d'Etat transmettra tels documents au principal secrétaire d'Etat de Sa Majesté britannique ayant charge du département de l'Intérieur qui signifiera alors, par un ordre de sa main et marqué de son sceau, à un magistrat de police de Londres que telle demande a été faite, lui enjoignant, si cause il y a, d'émaner un mandat pour l'appréhension du fugitif. Sur réception de tel ordre du secrétaire d'Etat et sur production de telle preuve qui, dans l'opinion du magistrat, justifierait l'émanation du mandat, si le crime a été commis dans le Royaume-Uni, il émanera conséquemment tel mandat.

Quand la personne réclamée aura été appréhendée, elle sera amenée devant le magistrat qui a émané le mandat ou quelqu'autre magistrat de police de Londres. Si la preuve qui doit alors être faite est de telle nature qu'elle justifie, selon la loi d'Angleterre, de condamner le prisonnier à subir un procès, si le crime dont on l'accuse a été commis dans le Royaume-Uni, le magistrat de police le condamnera à la prison pour attendre le mandat du secrétaire d'Etat ordonnant sa tradition, et il enverra immédiatement au secrétaire d'Etat un certificat de la condamnation et un rapport de la cause.

A l'expiration d'une période qui ne devra jamais durer plus de quinze jours après la condamnation, le secrétaire d'Etat ordonnera, par ordre de sa main et sous son sceau de livrer le criminel fugitif à telle personne dûment autorisée à le recevoir de la part de la République orientale de l'Uruguay.

(*b*) Dans le cas d'une personne condamnée—

Le cours des procédures sera le même qu'indiqué plus haut, excepté que le mandat à être transmis par le représentant diplomatique ou le consul-général de République orientale de l'Uruguay à l'appui de sa demande, énoncera clairement le crime ou l'offense dont a été convaincue la personne que l'on réclame, et mentionnera le lieu et la date de sa condamnation.

La preuve à faire devant le magistrat de police sera de nature à prouver, conformément à la loi d'Angleterre, que le prisonnier a été trouvé coupable du crime dont il était accusé.

(*c*) Les personnes condamnées par jugement sur défaut de comparaître ou par arrêt de contumace seront considérées, en cas d'extradition, comme des personnes accusées et en telles qualité seront livrées.

(*d*) Après que le magistrat de police aura condamné la personne accusée ou trouvée coupable à être emprisonnée en attendant l'ordre d'un secrétaire d'Etat pour sa tradition, telle personne aura droit de demander un writ d'*habeas corpus* et si elle fait telle demande, sa tradition sera remise jusqu'à ce que la cour en ait décidé, et même alors, la tradition ne pourra avoir lieu que si la demande est rejetée. Dans le dernier cas, la cour peut de suite ordonner la tradition du prisonnier à la personne autorisée à la recevoir, sans l'ordre du secrétaire d'Etat à cet effet ou elle peut le condamner à la prison en attendant tel ordre.

Art. VIII.—Les mandats, les dépositions ou les déclarations sous serment, émanés ou reçus dans les territoires de l'une ou l'autre des deux hautes parties contractantes et toutes copies d'iceux, les certificats de documents judiciaires constatant le fait de la condamnation ou ces documents eux-mêmes seront admis comme preuve dans les procédures intentées chez l'autre partie, s'ils paraissent avoir été signés ou certifiés par un juge, magistrat, ou officier du pays où ils ont été émanés et reçus, pourvu que tels mandats, dépositions, déclarations, copies, certificats et documents judiciaires soient authentiqués par le serment de quelque témoin ou par le sceau officiel du ministre de la justice ou de quelqu'autre ministre de l'Etat.

Art. IX.—Un criminel fugitif peut être appréhendé en vertu d'un mandat émané par tout magistrat de police, juge de paix ou autre autorité compétente de l'un ou l'autre pays, sur information ou plainte, preuve, ou après des procédures telles que, dans l'opinion de celui qui émane le mandat, elles justifient l'émission du dit mandat, si le crime a été commis ou la personne condamnée dans la partie des territoires des deux parties contractantes où le magistrat, le juge de paix ou une autre autorité compétente a droit de juridiction: Pourvu, néanmoins, que dans le Royaume-Uni l'accusé soit envoyé, en tel cas, d'une manière aussi expéditive que possible devant le magistrat de police de Londres. Il sera remis en liberté, conformément à cet article, aussi bien dans le Royaume-Uni que dans la République orientale, de l'Uruguay, si dans un délai de trente jours une demande d'extradition n'a pas été faite par l'agent diplomatique ou consulaire de son pays suivant la teneur et les stipulations de ce traité.

La même règle s'appliquera au cas de personnes accusées ou convaincues de tout crime ou de toute offense spécifiés dans ce traité et condamnées sur la haute mer à bord de tout vaisseau de l'un des deux pays qui peut arriver dans un port de l'autre.

Art. X.—Les stipulations du présent traité s'appliqueront aux colonies et aux possessions étrangères de Sa Majesté Britannique.

La demande pour la tradition d'un criminel fugitif qui s'est réfugié dans aucune des dites colonies ou possessions étrangères, sera adressée au Gouverneur ou à l'autorité en chef de telle colonie ou possession par l'officier consulaire en chef de la République orientale de l'Uruguay dans telle colonie ou possession.

Le dit gouverneur ou l'autorité en chef disposera de telle demande en s'assujétissant autant que possible aux provisions de ce traité ; mais, il lui sera loisible d'accorder la tradition ou de référer l'affaire à son gouvernement.

Sa Majesté britannique sera libre, néanmoins, de conclure des arrangements spéciaux dans les colonies britanniques et les possessions étrangères pour la tradition des criminels de l'Uruguay qui pourraient avoir cherché refuge dans ces colonies et possessions étrangères, toujours en se conformant autant que faire se pourra aux provisions du présent traité.

Art. XI.—La demande en extradition ne sera pas poursuivie si l'individu réclamé a déjà subi un procès pour la même offense dans le pays dont on veut l'extrader, ou si, depuis que les actes dont on l'accuse ont été commis, depuis l'accusation ou la condamnation, le droit de le poursuivre en justice et de le punir est devenu prescrit en vertu des lois de ce pays.

Art. XII.—Si l'individu réclamé par l'une des deux hautes parties contractantes sous l'autorité du présent traité, se trouve aussi réclamé par un ou plusieurs autres pouvoirs pour d'autres crimes ou offenses commis dans leurs territoires respectifs, son extradition sera accordée à l'Etat qui l'aura demandée le premier.

Art. XIII.—Si l'individu réclamé est sous accusation ou a été condamné pour un crime ou une offense commis dans le pays où il a cherché refuge, sa tradition sera différée jusqu'à ce qu'il ait été déchargé par le cours régulier de la loi.

Dans le cas où il serait accusé ou détenu dans tel pays pour des obligations contractées envers des particuliers l'extradition n'en aura pas moins lieu.

Art. XIV.—Tout effet trouvé en la possession de l'individu réclamé au temps de son arrestation sera livré, si l'autorité compétente en décide ainsi, en même temps que lui-même lors de l'extradition. Telle délivrance ne sera pas limitée aux biens ou aux effets obtenus par vol ou par banqueroute frauduleuse, mais s'étendra à toute chose pouvant servir comme preuve du crime ou de l'offense, et aura lieu même quand l'extradition, après avoir été accordée, ne peut être accomplie par suite de l'évasion de l'individu réclamé ou de sa mort.

Les droits des tierces-parties dans ces biens ou effets seront cependant sauvegardés.

Art. XV.—Les hautes parties contractantes renoncent à toute réclamation en remboursement des dépenses encourues par elles pour l'arrestation et la garde de la personne dont la tradition est demandée et pour son transport jusqu'à la frontière ; elles conviennent réciproquement de supporter elles-mêmes telles dépenses.

Art. XVI.—Le présent traité sera ratifié et les ratifications s'échangeront Monte Video aussitôt que faire se pourra.

Il viendra en opération dix jours après sa publication, conformément aux lois des pays respectifs, et chacune des parties contractantes pourra en tout temps mettre fin au traité en donnant à l'autre un avis de six mois de l'intention d'agir de la sorte.

Pour faire foi de ce que dessus les plénipotentiaires respectifs ont signé le dit traité et y ont opposé le sceau de leurs armes.

Fait à Monte Video, le vingt-sixième jour de mars dans l'année de Notre-Seigneur mil huit cent quatre-vingt-quatre.

(L.S.) EDMUND MONSON,
(L.S.) MANL. HERRA. Y OBES.

Et attendu que les ratifications du dit traité ont été échangées à Monte Video, le treize décembre mil huit cent quatre-vingt-quatre ;

Sa Majesté ordonne, maintenant, par et de l'avis de son Conseil privé, et en vertu de l'autorité à elle conférée par les actes cités plus haut, et il est ordonné par les présentes qu'à compter du et après le vingt mars mil huit cent quatre-vingt-cinq, les dits actes s'appliqueront à l'égard de l'Uruguay et au sujet du dit traité avec la République orientale de l'Uruguay.

Pourvu toujours et il est de nouveau par les présentes ordonné que l'opération des dits actes sera suspendue dans la Puissance du Canada en autant qu'elle se rapporte à la République orientale de l'Uruguay et au dit traité, et aussi longtemps mais pas plus longtemps que les provisions des actes canadiens demeureront en force comme dit auparavant.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où i s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
JOHN GEORGE BOURINOT,
Greffier des Cmmunes

And whereas Our Governor in Council has been pleased to order and direct that a Proclamation do issue constituting the Ports of Victoria, in the Province of British Columbia, and Sydney, Cape Breton, in the Province of Nova Scotia, in our Dominion of Canada, as Quarantine Stations, and that the following regulations for the governance of the said Quarantine Stations be adopted and embodied in such Proclamation, viz:

1. All boats, ships and vessels coming into the Harbor of Victoria, in the Province of British Columbia, or into the Harbor of Sydney, Cape Breton, in the Province of Nova Scotia which shall have at the time of their said arrival or shall have had during their passage from the places where they respectively cleared any person on board laboring under Asiatic Cholera, Fever, Small-pox, Scarlatina or Measles or other infectious and dangerous disease, or on board of which any person shall have died during such passage, or which being of less tonnage than seven hundred tons measurement, shall have on board thirteen or more steerage passengers, or which, being of greater tonnage than seven hundred tons measurement, shall have on board fifty or more steerage passengers, or which shall have come from some infected port, shall make their quarantine in the said Harbors respectively on board such vessels or at such place on shore and in such manner as shall be directed by the Inspecting Physicians of the said Harbors respectively, and there remain and continue until such ships or vessels shall be discharged from such quarantine, by such license or passport, and discharge given without fee or emolument of any kind, as shall be directed or permitted by such order or orders as shall be made by the Governor, with the advice of the Privy Council; and until the said ships and vessels shall respectively have performed such quarantine and shall be discharged therefrom by such license or passport and discharge as aforesaid, persons, goods or merchandise, which shall be on board such boats, ships or vessels, shall not come or be brought on shore, or go or be put on board of any other ship or vessel in Canada, except at such place indicated as aforesaid when duly required by competent authority.

2. That any vessel, steam or sailing, coming from the port of London, in England, or having called at the said port on their voyage, be reputed coming from an infected port and suspected of being capable of introducing small-pox into Canada.

3. The fact of such vessel or vessels coming from or having stopped on their voyage at the said ports, shall render them subject to the application of the Quarantine Regulations in force for the ports of Quebec, St. John, Halifax, Pictou, Sydney, Charlottetown and Victoria, and to the Quarantine Regulations in force concerning all other ports of the Dominion.

4. The Medical Superintendents of the regular quarantines established and above mentioned, and the Collector of Customs of each and every port of Canada, except the said regular quarantine stations, are to apply the regulations, defining their duties to each such vessel or vessels coming from or having stopped on their voyage at the ports of Spain, or of the Mediterranean Sea, or London, dealing with said ships *ipso facto* as if it were ascertained that they appertained to the class of vessels ordered to be visited or dealt with by the said Medical Superintendent and Collectors of Customs for the purpose of quarantine.

The said Regulations to remain in force until the 30th day of October, 1885.

NOW KNOW YE that We do hereby command and enjoin all Our loving subjects and all others whom these presents may concern, that they do take notice of and obey the said regulations so made as aforesaid, and govern themselves accordingly.

CANADA.

VICTORIA, par la Grâce de Dieu, Reine du Royaume-Uni de la Grande-Bretagne et d'Irlande, Défenseur de la Foi, etc., etc., etc.

A tous ceux qui les présentes verront ou qu'icelles pourront concerner,—Salut :

PROCLAMATION.

GEO. W. BURBIDGE, Député du ministre de la Justice, Canada. } ATTENDU qu'en vertu d'un acte du Parlement du Canada, passé dans la session tenue dans la trente-cinquième année de Notre règne, chapitre vingt-sept, et intitulé " Acte relatif à la quarantaine," il est, entre autres choses, en substance décrété que les mots "Station de quarantaine" s'appliqueront à la Grosse-Ile, à l'île Lawlor et à l'île aux Perdrix, ou autre endroit où il est décrété que la quarantaine sera observée, et que le Gouverneur en conseil pourra établir au besoin tels règlements—pour la mise à exécution de toutes les prescriptions du dit acte—et concernant l'arrivée ou le départ des navires aux différents ports ou lieux du Canada, le débarquement de leurs passagers ou de leurs cargaisons, ou l'embarquement sur les dits navires de passagers ou de cargaisons, qu'il pourra croire les plus propres pour la conservation de la santé publique ; et pour assurer l'observation de la quarantaine par et en ce qui concerne les navires, passagers, marchandises ou choses arrivant en Canada, à un port ou lieu ou dans le voisinage d'un port ou lieu, auquel il croira bon, dans l'intérêt de la santé publique, d'appliquer les dits règlements ; et pour purifier et désinfecter parfaitement les dits navires, passagers, marchandises ou choses, ou concernant l'arrivée ou le départ à quelque lieu que ce soit en Canada de personnes, marchandises ou choses transportées par terre, et pour assurer la stricte observation de la quarantaine par et en ce qui concerne les dites personnes, marchandises et choses, en Canada, en un lieu ou dans le voisinage d'un lieu auquel il croira bon, pour la conservation de la santé publique, d'appliquer les dits règlements—et pour purifier et désinfecter parfaitement les dites personnes, marchandises et choses, afin de prévenir autant que possible l'introduction ou la propagation de maladies en Canada ; et pourra nommer les personnes qu'il croira nécessaires (lesquelles personnes il pourra déplacer) pour l'exécution de ce service, et leur assigner respectivement tels pouvoirs qu'il jugera nécessaires pour exécuter les dispositions des dits règlements ; et pourra, au besoin, révoquer, amender ou remplacer par d'autres ces règlements ou quelqu'un d'eux, et imposer des peines, confiscations et punitions pour leur infraction ; et ces règlements seront rendus publics par proclamation insérée au moins deux fois dans la *Gazette du Canada ;* et tout exemplaire de la *Gazette,* contenant cette proclamation, fera foi de l'existence, de la date et de la teneur de ces règlements. Et, de plus, ces règlements auront force de loi tant qu'ils ne seront pas révoqués, à moins que l'exécution n'en soit expressément limitée à un certain temps ou à de certaines époques ou saisons, auquel cas ils auront force de loi durant le temps et aux époques et saisons auxquels leur exécution sera limitée ; et toute personne qui désobéira à quelqu'un de ces règlements sera réputée coupable d'un délit et pourra être poursuivie pour délit et punie d'amende ou d'emprisonnement ou des deux peines, ainsi que la cour l'ordonnera, ou elle pourra être poursuivie pour les peines portées au dit règlement.

Et attendu qu'il a plu à Notre Gouverneur en conseil d'ordonner et décréter qu'une proclamation soit émise établissant comme stations de quarantaine les ports de Victoria dans la province de la Colombie-Britannique, et de Sydney, Cap-Breton, dans la province de la Nouvelle-Ecosse, dans Notre Puissance du Canada, et que les règlements suivants pour la gouverne des dites stations de quarantaine soient adoptés et incorporés dans la dite proclamation, savoir :—

1. Tous bateaux, navires et vaisseaux arrivant dans le Havre de Victoria, dans la province de la Colombie-Britannique, ou dans le Havre de Sydney, Cap-Breton, dans la province de la Nouvelle-Ecosse, qui auront au temps de leur dite arrivée, ou qui auront eu pendant leur traversée des endroits d'où ils sont partis respectivement, quelque personne à bord attaquée du choléra asiatique, des fièvres, de la petite vérole, de la scarlatine ou de la rougeole, ou autre maladie contagieuse ou dangereuse, ou à bord desquels quelque personne est décédée pendant cette traversée, ou qui, jaugeant moins que sept cents tonneaux, auront à bord treize passagers de pont ou plus, ou qui, jaugeant plus de sept cents tonneaux, auront à bord cinquante passagers de pont ou plus, ou qui viendront de quelque port infecté,—feront leur quarantaine dans les dits havres respectivement à bord tels navires ou à tel endroit à terre et de telle manière que l'ordonneront les médecins-visiteurs des dits havres respectivement, et y resteront et continueront jusqu'à ce que tels navires ou vais-

seaux aient été acquittés de telle quarantaine, au moyen de tel permis ou passeport et acquittement donné sans honoraire ou émolument d'aucune sorte, en conformité de l'ordre ou des ordres faits par le Gouverneur, de l'avis du Conseil privé ; et jusqu'à ce que ces navires et vaisseaux aient respectivement complété cette quarantaine et en aient été acquittés par tel permis ou passeport et acquittement comme susdit, les personnes, effets ou marchandises qui seront à bord de tels bateaux, navires ou vaisseaux, ne viendront pas ni ne seront amenés à terre, ni n'iront ni ne seront mis à bord d'aucun autre navire ou vaisseau en Canada, excepté à tel endroit indiqué comme susdit lorsque dûment requis par autorité compétente.

2. Tous bateaux, navires et vaisseaux de la classe et de la description mentionnées dans les règlements susdits comme sujets à faire leur quarantaine dans le dit Havre de Victoria, mouilleront en dehors d'une ligne tirée de Albert Head à Fisgard Lighthouse, et dans une profondeur d'eau variant de dix à quinze brasses en deça d'un mille de Albert Head, pour là y être inspectés par le médecin visiteur, et ordonnés suivant les circonstances comme susdit ; et tous bateaux, navires et vaisseaux de la classe et de la description mentionnées dans le précédent règlement comme sujets à faire leur quarantaine dans le dit Havre de Sydney, mouilleront dans le bras nord-ouest du dit havre de Sydney dans un espace entre deux lignes tirées franc sud, courant en travers du havre depuis Allan's Point et Jackson's Point, aussi près que possible, au milieu du havre, dans l'espace entre les dites pointes, pour là y être inspectés par le médecin visiteur et ordonnés suivant les circonstances comme susdit.

3. Le médecin-visiteur des ports de Victoria et de Sydney respectivement visiteront, à leur arrivée, tels bateaux, navires et vaisseaux, et les dirigeront dans le meilleur intérêt de la santé publique, et suivant le sens et l'intention des présents règlements, et de tous ordres en conseil qui pourront leur être transmis de temps à autre.

4. Le médecin-visiteur nommé pour les ports de Victoria et Sydney respectivement aura le pouvoir de monter à bord, d'examiner et inspecter les bateaux, navires et vaisseaux entrant dans les dits havres, et ordonner ces bateaux, navires et vaisseaux d'aller à tel endroit ou endroits en dedans des limites des dits havres pour y faire la quarantaine, selon qu'il jugera nécessaire, et permettra à tels bateaux, navires et vaisseaux de se dispenser de faire une plus longue quarantaine chaque fois qu'il sera convaincu qu'aucun danger ne sera encouru par leur admission à la pratique. Les dits médecins-visiteurs auront la surveillance médicale des malades et autres à bord tels bateaux, navires et vaisseaux, ou à terre, s'ils ont la permission de faire leur quarantaine à terre, et seront les juges des mesures préventives et de précaution à prendre soit pour le traitement des personnes, ou dans le lavage, nettoyage et désinfection du bagage et autres effets, et auront le pouvoir de prescrire telles mesures préventives et de précaution comme susdit.

5. Chaque capitaine et chaque pilote en charge d'un bateau, navire ou vaisseau de la classe et de la description ci-dessus mentionnées comme étant sujets à faire leur quarantaine aux dits ports de Victoria et Sydney, mouilleront ce bateau, navire ou vaisseau dans les limites d'ancrage ci-dessus définies pour les dits ports respectivement, et porteront un pavillon dans les haubans de misaine ou un pavillon jaune à l'avant comme signal distinct de quarantaine jusqu'à ce que le médecin visiteur soit venu à bord comme susdit.

6. Ces règlements ne s'appliqueront pas à aucun vaisseau de guerre ou aux transports ou vaisseaux ayant des troupes de Sa Majesté à bord, accompagnées d'un officier médical, et en bon état de santé, ni à aucun vapeur, à moins que la maladie ne se soit déclarée ou quelque décès ait eu lieu pendant la traversée.

7. Aucun bateau, navire ou vaisseau ne sera déclaré ni acquitté à aucun des ports de Victoria et Sydney susdit, avant que toutes les dispositions des susdits règlements au sujet de ce bateau, navire ou vaisseau n'aient été pleinement accomplis.

8. Des exemplaires imprimés de ces règlements seront fournis à chaque pilote, et il sera de son devoir d'en donner une copie au capitaine de tout vapeur ou navire à voiles venant d'un port en dehors du Canada, sous peine d'une amende n'excédant pas deux cents piastres ;

9. Tout percepteur de douanes, officier ou autre personne chargé de mettre à exécution les règlements susdits, ou dont les devoirs se rattachent à ce service, sera passible d'une amende n'excédant pas quatre cents piastres et de l'emprisonnement jusqu'à ce que cette amende soit payée, s'il enfreint ces règlements ou s'il omet ou néglige d'accomplir tout devoir s'y rattachant ;

10. Le capitaine d'un vapeur ou navire à voiles qui enfreindra d'une manière quelconque aucun des susdits règlements encourra une amende n'excédant pas quatre cents piastres et l'emprisonnement jusqu'à ce que cette amende soit payée ; et le navire répondra du paiement de l'amende imposée au capitaine ;

SACHEZ DONC que par la présente et en vertu de l'autorité qui Nous est conférée par les dits acte et ordre du Gouverneur en conseil respectivement, Nous proclamons et déclarons les dits ports de Victoria, dans la province de la Colombie-Britannique, et de Sydney, Cap-Breton, dans la province de la Nouvelle Ecosse, des stations de quarantaine, et que les susdits règlements pour la gouverne des dites stations de quarantaine soient adoptés et soient en vigueur aux dites stations de quarantaine ;

Et par les présentes Nous commandons et enjoignons à tous Nos loyaux sujets et autres qui y sont concernés, de prendre connaissance des règlements énoncés ci-dessus, et de se conduire en conséquence.

EN FOI DE QUOI, Nous avons fait émettre Nos présentes Lettres Patentes et à icelles fait apposer le Grand Sceau du Canada. TÉMOIN, Notre Très-Fidèle et Bien-Aimé Cousin le Très Honorable Sir HENRY CHARLES KEITH PETTY-FITZMAURICE, Marquis de Lansdowne, dans le comté de Somerset, Comte de Wycombe, de Chipping Wycombe, dans le comté de Bucks, Vicomte Calne et Calnstone, dans le comté de Wilts, et Lord Wycombe, Baron de Chipping Wycombe dans le comté de Bucks, dans la pairie de la Grande-Bretagne ; comte de Kerry et comte de Shelburne, Vicomte Clanmaurice et Fitzmaurice, Baron de Kerry, Lixnaw, et Dunkerron, dans la pairie d'Irlande ; Chevalier Grand-Croix de Notre Ordre Très-Distingué de Saint-Michel et Saint-George ; Gouverneur Général du Canada, et Vice-Amiral d'icelui.

A Notre Hôtel du Gouvernement, en Notre CITÉ D'OTTAWA, ce DIX-SEPTIÈME jour de JUIN, dans l'année de Notre-Seigneur mil huit cent quatre-vingt-cinq, et de Notre Règne la quarante-huitième.

PROCLAMATION.

GEO. W. BURBIDGE, Député du Ministre de la Justice, Canada. } ATTENDU qu'en vertu d'un acte du Parlement du Canada, passé dans la session tenue dans la trente-cinquième année de Notre règne, chapitre vingt-sept, et intitulé "Acte relatif à la quarantaine," il est, entre autres choses, décrété que le Gouverneur en conseil pourra établir au besoin tels règlements—pour la mise à exécution de toutes les prescriptions du dit acte—et concernant l'arrivée et le départ des

Et, de plus, ces règlements auront force de loi tant qu'ils ne seront pas révoqués, à moins que l'exécution n'en soit expressément limitée à un certain temps ou à de certaines époques ou saisons, auquel cas ils auront force de loi durant le temps et aux époques et saisons auxquelles leur exécution sera limitée ; et toute personne qui désobéira à quelqu'un de ces règlements sera réputée coupable d'un délit et pourra être poursuivie pour délit et punie d'amende ou d'emprisonnement ou des deux peines, ainsi que la cour l'ordonnera, ou elle pourra être poursuivie pour les peines portées au dit règlement.

Et attendu que Notre Gouverneur en conseil, vu que le choléra asiatique est réputé se propager en Espagne et dans les ports de la mer Méditerranée, a jugé à propos d'établir des règlements pour prévenir l'introduction de cette maladie en Canada, et a bien voulu ordonner qu'une proclamation soit émise mettant en vigueur les règlements suivants, comme supplément aux règlements de quarantaine établis par la proclamation du vingt-trois mai de l'année de Notre-Seigneur mil huit cent soixante-huit, et vingt-un janvier de l'année de Notre-Seigneur mil huit cent soixante-treize, savoir :—

1. Que tout navire, à vapeur ou à voiles, venant d'un port quelconque d'Espagne ou de la mer Méditerranée, ou ayant arrêté à aucun des dits ports dans le cours de son voyage, sera censé venir d'un port infecté, et réputé pouvoir introduire le choléra en Canada.

2. Que tout navire, à vapeur ou à voiles, venant d'un port de Londres, en Angleterre, ou ayant fait escale au dit port dans le cours de son voyage, sera censé venir d'un port infecté, et réputé pouvoir introduire la petite vérole en Canada.

3. Le fait de tel navire ou navires venant des dits ports ou y ayant fait escale dans le cours de leur voyage, les rendra sujets à l'application des règlements de quarantaine en vigueur dans les ports de Québec, Saint-Jean, Halifax, Pictou, Sydney, Charlottetown et Victoria, et des règlements de quarantaine en vigueur dans tous les autres ports du Canada.

4. Les surintendants médicaux des quarantaines régulières établies et mentionnés en premier lieu, et le percepteur de douanes de chaque port du Canada, à l'exception des dites stations de quarantaine régulière ci-dessus mentionnées, devront appliquer les règlements définissant leurs devoirs à tout navire ou navires venant des ports d'Espagne ou de la mer Méditerranée ou de Londres, ou ayant fait escale à ces ports, traitant tels navires *ipso facto*, tout comme s'il était constaté qu'ils appartiennent aux navires de la catégorie qui doivent être visités et traités en conséquence par les dits surintendant médical et percepteurs de douane pour les fins de la quarantaine.

Les dits règlements resteront en vigueur jusqu'au 30e jour d'octobre 1885.

SACHEZ DONC que Nous commandons et enjoignons par les présentes à tous Nos bien-aimés sujets et autres que les présentes peuvent concerner, de prendre connaissance des dits règlements ainsi établis comme susdit, d'y obéir et de se conduire en conséquence.

SON EXCELLENCE LE GOUVERNEUR GÉNERAL EN CONSEIL.

SUR un rapport en date du 9 juin 1885, du secrétaire d'Etat approuvé par le ministre de la Justice au sujet de la pétition en vertu de "l'Acte de Tempérance du Canada de 1878," de certains électeurs du comté de Chicoutimi, dans la province de Québec, établissant que les procédures faites par l'officier-rapporteur paraissent être conformes à l'acte, et que la pétition a été déclarée adoptée par les électeurs du dit comté,—

Il a plu à Son Excellence, sur la recommandation du secrétaire d'Etat, de déclarer, et il est par le présent déclaré, que la deuxième partie de "l'Acte de Tempérance du Canada de 1878," sera en vigueur et prendra effet dans le dit comté de Chicoutimi, le, à partir de et après le jour de l'expiration des licences annuelles ou semi-annuelles pour la vente des liqueurs spiritueuses maintenant en vigueur dans le dit comté, pourvu que ce jour ne soit pas moins que quatre-vingt-dix jours de la date des présentes, et dans le cas où ce jour en serait moins éloigné, alors à pareil jour l'année suivante ; et s'il n'existe pas de licences en force dans le dit comté de Chicoutimi, alors que la dite seconde partie du dit acte devienne en vigueur et prenne effet dans le dit comté à l'expiration de trente jours à partir de la date des présentes.

DEMANDES AU PARLEMENT.

PARLEMENT FÉDÉRAL.

Règles relatives aux avis de bills privés.

51. Dans le cas de toute demande de bill privé, proprement du ressort législatif du Parlement du Canada suivant les dispositions de l'Acte de l'Amérique Britannique du Nord, 1867, et ayant pour objet, soit la construction d'un pont, d'un chemin de fer, d'un chemin à barrières ou d'une ligne télégraphique; soit la construction ou l'amélioration d'un port, d'un canal, d'une écluse, d'une digue ou d'une glissoire, ou autre ouvrage semblable; soit la concession d'un droit de passage d'eau, l'incorporation de professions ou métiers, ou d'une compagnie de banque ou autre compagnie par actions, soit la concession à une ou plusieurs personnes de certains droits ou priviléges exclusifs ou particuliers, soit le pouvoir de faire quelque chose qui, dans ses effets, pourrait toucher aux droits ou à la propriété d'autrui, ou concerner une classe particulière de la société; ou ayant pour objet quelque amendement de même nature à un acte antérieur,—un avis, énonçant d'une manière claire et intelligible la nature et l'objet de la demande, et signé (excepté s'il s'agit de corporations déjà existantes) par les pétitionnaires ou de leur part, est nécessaire et doit être publié comme il suit:

Dans les provinces de Québec et de Manitoba:

Un avis doit être inséré dans la *Gazette du Canada* en anglais et en français, ainsi que dans un journal anglais et un journal français du district intéressé, ou en anglais et en français dans le même journal, s'il ne s'en publie qu'un seul dans ce district; ou s'il n'y paraît pas de journal, alors la publication de l'avis en anglais et en français doit se faire dans un journal du district le plus voisin où il s'en publie.

Dans les autres provinces:

Un avis doit être inséré dans la *Gazette du Canada* et dans un journal du comté ou des comtés-unis intéressés, ou s'il n'y paraît pas de journal, alors la publication doit se faire dans un journal du comté le plus voisin où i s'en publie.

La publication de ces avis durera, dans chaque cas la période de deux mois pendant l'intervalle de temps qui s'écoulera entre la clôture de la session précédente et la prise en considération de la pétition. Un exemplaire des numéros des journaux, reproduisant la première et la dernière insertion de l'avis, devra être transmis au greffier de chaque Chambre.

Toute personne désirant obtenir un bill privé devra, dans les huit jours qui précèderont l'ouverture du Parlement, déposer au bureau du greffier de la Chambre dans laquelle le bill doit prendre naissance une copie de ce bill en langue anglaise ou en langue française, avec une somme suffisante pour en payer la traduction et l'impression. Il en sera imprimé 600 exemplaires en anglais et 200 en français; la traduction devra être faite par les officiers de la Chambre, et l'impression par l'entrepreneur des impressions. Le pétitionnaire aura aussi à payer au comptable de la Chambre une somme de $200, plus le coût de l'impression de l'acte dans les Statuts, et remettra le reçu de ce paiement au greffier du comité auquel ce bill aura été renvoyé—le dit paiement sera effectué immédiatement après la seconde lecture avant la prise en considération du bill par le comité.

Si la pétition demande l'autorisation de présenter un bill privé ayant pour objet la construction d'un pont de péage, le pétitionnaire ou les pétitionnaires devront, en même temps qu'ils donneront l'avis prescrit par la règle précédente, donner aussi, de la même manière, avis des péages qu'ils entendent exiger, de l'étendue du privilége, de la hauteur des arches, de l'espace à laisser libre entre les culées ou les piliers pour le passage de radeaux et des navires; et mentionner de plus s'ils se proposent de construire un pont mobile, et quelles en seront les dimensions.

Aucune pétition pour l'obtention d'un bill privé ne sera reçue par l'une ou par l'autre Chambre après les dix premiers jours de la session.

EDOUARD J. LANGEVIN,
Greffier du Sénat.
